Supernatural Bonds - Drui Claiming By Jory Strong Book 4 in the Supernatural Bonds series. Dragons. They huff and puff and burn the house down when they don't get their own way. They're possessive, dominating, and don't know the meaning of carefree because they're weighed down by all the treasure they feel compelled to guard. They're trouble but it doesn't change the fact that Marika has it bad for a certain silver-blond male named Xanthus whose dark, dark eyes have a lethal effect on her libido. She wants him, but she can't have him. Dragons don't share and she comes from a long line of tree-hugging, multi-partnered Drui. There are threesomes, foursomes

- and more. But there are no twosomes and she's already got one permanent man in her life, Tallis - a shapeshifting Sjen who is every bit as dominant and possessive as a dragon. It's a hopeless situation, or so it seems, until Fate intervenes and Marika decides to go for what she wants - both Xanthus and Tallis in her bed. And if the men want to do each other? She's all for it. Reader Advisory: While every effort has been made to enable Drui Claiming to be read as a stand-alone story, it is set concurrent to Sophie's Dragon in the Supernatural Bonds series, and some story elements mentioned in Drui Claiming are explained in more depth in Sophie's Dragon. *Oracle's Moon* Penguin The first in the Undercover series. She wants to forget her past... Sara lives alone in the isolated wilderness of Canada...until one stormy night when an injured fugitive with amnesia forces his way into her

She smells of sweet peppermint and makes him burn with hot desire. He wants her, needs to be deep inside her and yearns to forget the terror-filled flashbacks that haunt him. Crooked cops and a romantic ghost town hold the secrets to his mysterious past, and if he's ever going to give her a future they both crave, he'll have to prove his innocence, even if it

means facing his dangerous past head on. Wicked Lovely Harper Collins From the New York Times bestselling author of Healer's Choice comes the story of a woman with the power of touch. Skin doesn't lie to her. It is her gift, sometimes her curse. She feels what others felt, and sees the things held in their memories... With the touch of her palms to the skin of a crime victim, San Francisco tattoo artist Eta í n can see the faces of the guilty and draw them. Changeling elf but unaware of it, at odds with her police captain father and FBI agent brother, magic and gift have put her in the path of two compelling men. magical kingdom of Manhattan, where kissing frogs has never been this fun.”—Melissa de la Cruz, author of *The Au Pairs* Katie Chandler had always heard that New York is a weird and wonderful place, but this small-town Texas gal had no idea how weird until she moved there. Everywhere she goes, she sees something worth gawking at and Katie is afraid she’s a little too normal to make a splash in the big city. Working for an ogre of a boss doesn’t help. Then, seemingly out of the blue, Katie gets a job offer from Magic, Spells, and Illusions, Inc., a company that tricks of the trade to the magic community. For MSI, Katie’s ordinariness is an asset. Lacking any bit of magic, she can easily spot a fake spell, catch hidden clauses in competitor’s contracts, and detect magically disguised intruders. Suddenly, average Katie is very special indeed. She quickly learns that office politics are even more complicated when your new boss is a real ogre, and you have a crush on the sexy, shy, ultra powerful head of the R&D department, who is so busy fighting an evil competitor threatening to sell black magic on the street that he seems barely to notice Katie. Now it’s up to Katie to pull off the impossible: save the world and—hopefully—live happily ever after.

 Sanity is overrated in this “captivating, funny, exciting” fantasy adventure from the New York Times bestselling author of the *Scarred Earth Saga* (Smexy Books). Some things never go away, like vile enemies, bad ale, and annoying kin. But I thought I was finished with the one dragon I’d have done anything for: Éibhear the Blue, a big, gorgeous, blue-haired beast who thinks the world belongs to him. The world and, apparently, me. So if Éibhear wants to play the caring hero and travel into the most forsaken of Gods forsaken lands to protect the one woman who doesn’t need it—namely me—I’ll let him. Because while I’m trying to fulfill a ridiculous quest for a pushy god, I’m going to draw this overconfident warlord much too close, rekindle his fires, and enjoy every minute of his delicious defeat . . .
