GHOSTLAND is a powerful story of the struggle between right, wrong, revenge, passion, and

forgiveness. Jory Strong wrote a complex, emotionally charged tale, successfully creating a world and characters that captivated me.

It ' s a place of opposites and extremes, of horror alongside beauty, extravagant wealth juxtaposed to hard-scrabble poverty — and where a war brews between ancient, unseen enemies. I hope you ' ll join me there, along with Aisling and Zurael in Ghostland, and later, in August, with Tir and Ara ñ a in Spider-Touched. Regards, Jory Strong

Ghostland World Set in a post-apocalyptic world where supernatural beings no longer hide their existence, and where angels and Djinn are heading for the ultimate battle over who will control Earth. While the stories in the Ghostland world can be read as stand-alones, they are best enjoyed in order.

Ghostland World Series by Jory Strong - Goodreads
The story is a

fascinating concept from the mind of author Jory Strong. The world building is intense, and, yes, there is a lot of sex. I like that about the book. The world is dark and people have to be strong to survive. It's the start of a really good series that I hope continues past book three.
