Last Days: Zombie Apocalypse Simon and Schuster

In the near future, a desperate UK government attempts to restore a sense of national pride with a New Festival of Britain. But construction work on the site of an old church in south London releases a centuries-old plague that turns its victims into flesh-hungry ghouls whose bite or scratch passes the contagion on to others.

Ghost Ship Random House Books for Young Readers

Essays portray the zombie not as a singular cultural figure or myth but show how the undead represent larger issues: the belief in an afterlife, fears of contagion and technology, the effect of capitalism and commodification, racial exclusion and oppression, dehumanization. As presented here, zombies are not simple metaphors; rather, they emerge as a critical mode for theoretical work. With its diverse disciplinary and methodological approaches, *Zombie Theory* thinks through what the walking undead reveal about our relationships to the world and to each other. A work of horror genius from the Godfather of zombie film-making, George A. Romero, and celebrated writer Daniel Kraus . . . It begins with one body. A pair of medical examiners find themselves facing a dead man who won't stay dead. It spreads quickly. In a Midwestern trailer park, an African American teenage girl and a Muslim immigrant battle newly-risen friends and family. On a US aircraft carrier, living sailors hide from dead ones while a fanatic preaches the gospel of a new religion of death. At a cable news station, a surviving anchor keeps broadcasting, not knowing if anyone is watching, while his undead colleagues try to devour him. In DC, an autistic federal employee charts the outbreak, preserving data for a future that may never come. Everywhere, people are targeted by both the living and the dead. We think we know how this story ends. We. Are. Wrong. 'A horror landmark, a work of gory genius.' JOE HILL, author of NOS4A2 'A monumental achievement.'

ADAM NEVILL, author of *The Ritual* 'Like a lost Romero classic.' CLIVE BARKER, author of *Hellraiser* 'A sprawling, timely, scary epic.' PAUL TREMBLAY, author of *The Cabin at the End of the World*

Horror meets humorous urban fantasy in third book of the White Trash Zombie series • Winner of the 2012 Best Urban Fantasy Protagonist by the RT Awards Our favorite white trash zombie, Angel Crawford, has enough problems of her own, what with dealing with her alcoholic, deadbeat dad, issues with her not-quite boyfriend, the zombie mafia, industrial espionage and evil corporations. Oh, and it 's raining, and won 't let up. But things get even crazier when a zombie movie starts filming in town, and Angel begins to suspect that it 's not just the plot of the movie that's rotten. Soon she's fighting her way through mud, blood, bullets and intrigue, even as zombies, both real and fake, prowl the streets. Angel 's been through more than her share of crap, but this time she 's in way over her head. She 'll need plenty of brainpower to fit all the pieces—and body parts—together in order to save herself, her town, and quite possibly the human race. At least for now.

"Through a combination of tight, well-structured plots and fully realized characters, Chesser has emerged as one of the top indie writers in the business." Joe McKinney - Two-time Bram Stoker Award winner, and best-selling author of the Dead World series. Ghosts, Book 8 in the bestselling Surviving the Zombie Apocalypse series, picks up where Warpath, Book 7 ends. Cade Grayson, father, husband, and former Delta Force operator collected his fair share of ghosts as the Omega virus ravaged the United States, turning the majority of her population into mindless automatons hungering for human flesh. Wearing incredulous stares, the faces of those ghosts—dozens of men, women, and children he was unable to save during his many forays into the Z-infested wasteland—visit him nightly during the early morning hours when defenses are dulled and REM sleep has him in its firm grip. For others who lost contact with loved ones during the frantic first hours and days of the Omega outbreak, their ghosts manifest in the nagging possibility that a wife or child or mother or sibling may still be alive out there, somewhere, struggling to survive amongst the multitudes of walking corpses and roving bands of murderous breathers. So as the Eden survivors prepare their rural Utah compound for the coming fall and winter they find that the herds of dead patrolling the nearby State Route aren't their only enemy. Idle time seems to be giving power to their ghosts. And with each perceived whiff of familiar perfume, or flash in the side vision of a familiar form that proves to be nonexistent, the lure of wanting to know their fate begins to affect some of the group adversely. Even after attaining a modicum of closure in the high country of central Idaho, Duncan Winters continues to seek solace for his loss at the bottom of a whiskey bottle. And still struggling with the post-traumatic stress from being held concubine in Robert Christian's mansion in Jackson Hole, Daymon's girlfriend Heidi hides from her ghosts below ground, spending nearly every waking moment tethered to the HAM radio by a pair of headphones, scouring the airwaves for other survivors. Meanwhile, still healing from the wounds suffered in Idaho, former BLM firefighter Daymon Bush ponders what ultimately became of his mom. Face-to-face with thousands of dead and ultimately forced to turn back short of her home in the suburbs south of Salt Lake City, Daymon can't shrug off the baggage of the thwarted rescue attempt. Similarly affected, former Jackson Hole Chief of Police Charlie Jenkins trudges through the day-to-day machinations necessary for survival, hollow of heart, all the while wrestling with the idea of venturing to Salt Lake City in search of his missing adult-aged daughter. As winter looms and hordes of living dead continue migrating about the countryside, will the group finish their preparations and reconcile with their ghosts before venturing topside becomes the exception to the norm? Can Daymon juggle Heidi's internal problems and his own desire to know what happened to his mom, all while continuing to pull his weight for the greater

good of the Eden Compound? Will Duncan take the first step and put the plug in the jug so he can get on with living? Will Cade and Brook succeed in cultivating in their daughter Raven the level of self-sufficiency necessary to survive her new world? And will Taryn, Wilson, and Sasha strike a balance between their personalities long enough to make it through a day without turmoil—let alone the long dark days and months ahead of them? Or will Mister Murphy—of Murphy's Law fame—intervene and fracture the group for good? Come along and find out who has what it takes to Survive the Zombie Apocalypse.

Zombies have become an increasingly popular object of research in academic studies and, of course, in popular media. Over the past decade, they have been employed to explain mathematical equations, vortex phenomena in astrophysics, the need for improved laws, issues within higher education, and even the structure of human societies. Despite the surge of interest in the zombie as a critical metaphor, no coherent theoretical framework for studying the zombie actually exists. Addressing this current gap in the literature, Theorising the Contemporary Zombie defines zombiism as a means of theorising and examining various issues of society in any given era by immersing those social issues within the destabilising context of apocalyptic crisis; and applying this definition, the volume considers issues including gender, sexuality, family, literature, health, popular culture and extinction.

Cade Grayson, ex Delta Force operator narrowly escaped Portland, Oregon ahead of the massive exodus. He eventually ended up leading a group of survivors through the western high desert, losing five of them violently along the way. After battling zombies and humans across the west, and still unsure of the well being or whereabouts of his family, Cade soldiers on alone, eastbound, locked and loaded. Soldier On is Book Two in the Surviving the Zombie Apocalypse series, picking up on day four where "Trudge: Surviving the Zombie Apocalypse" left off. Day one began the same as any other Saturday in Portland, Oregon. After months of rain people were out and about enjoying the sights and sounds of summer. Cade Grayson dropped his wife Brook and daughter Raven off at Portland International Airport. They were bound for Myrtle Beach, South Carolina to visit Brook's parents. On that eye opening first day, Cade's introduction to the new world was hard to wrap his mind

around. He was forced, in self defense, to kill his infected neighbors Ted and Lisa. Pioneer Courthouse Square, nestled in the center of downtown Portland, was but one of the many flashpoints of a viral outbreak in the United States. By evening all of the hospitals in and around Portland were ravaged and teeming with ravenous walking dead. There was no triage, no way to cure them and by evening, for those unfortunate enough to be in a major metropolitan area, no way to escape them. Day two saw Washington D.C. fall to the reanimated hordes in search of human flesh. After declaring martial law and calling back all of the soldiers, airmen and marines from overseas, President Bernard Odero was never heard from again. Former Speaker of the House and now President by succession Valerie Clay is saddled with the seemingly insurmountable task of leading the country back from the brink of what may prove to be mankind's Extinction Level Event. Her first order of business is to set up a safe haven in Colorado Springs as the new Capitol of the United States. Delta Force commander Mike Desantos embarks on a new mission with his small team of Tier-One operators. They must rescue critical personnel from the Center for Disease Control in Atlanta, Georgia and retrieve any useful information they have gleaned concerning the Omega virus. Cade Grayson, ex Delta Force operator narrowly escaped Portland, Oregon ahead of the massive exodus. He eventually ended up leading a group of survivors through the western high desert, losing five of them violently along the way. After battling zombies and humans across the west, and still unsure of the well being or whereabouts of his family, Cade linked up with retiree Harry Conrad and Vietnam-era aviator Duncan Winters in Draper, Utah at Camp Williams, garrison for the 19th Special Forces Group. While suffering a night of fitful sleep trying to block out the moans of the living dead, Cade made the decision to leave the base and soldier on alone, resuming his cross country search for his loved ones. Can Valerie Clay bring the United States back from the brink and find a way to deal with the millions of undead? Will Cade Grayson survive long enough to find his wife and daughter... still alive? Can Mike Desantos complete his mission to the CDC and return to Colorado Springs in time to attend the birth of his first boy? Or will the insatiable dead succeed in breaking the indomitable spirit of mankind...?

The long-awaited sophomore poetry collection by award-winning writer Cathy Linh Che, on familial estrangement, the Vietnam War, and Francis Ford Coppola ' s Apocalypse Now. The follow-up to her acclaimed poetry debut Split, Becoming Ghost documents Cathy Linh Che ' s parents ' experiences as refugees who escaped the Vietnam War and then were cast as extras in Francis Ford Coppola ' s film Apocalypse Now, placing them at the margins of

their own story. The poetry collection uses persona, speculation, and the golden shovel form as a means of moving Vietnamese voices from the periphery to the center. The speaker ' s disownment raises questions about the challenges of using parents as poetic subjects, telling familial stories to a broader public, and the meaning of forgiveness.

A breakneck tale of kick-ass, wise-ass, sexy-ass lesbians and zombies, Eat Your Heart Out opens on what promises to be another tediously annoying day at Ashbee's Furniture Outlet. Then the strip-mall calm of Nowhere, Ohio, is shattered by the sudden, simultaneous appearance of Renni Ramirez-hyper-competent star of the beloved Rising Evil B-movie franchise-and actual zombies, leaving Ashbee's hapless staff and Renni trapped behind an automatic door they can't lock. Can failed creative-writing student/apprentice store manager/eagle-eyed markswoman Devin escape the besieged furniture store to rescue her girlfriend? Will Renni's experience slaughtering motion-captured CGI monsters save the day before the army bombs the town? Once bitten, how many zombies can a person expect to take out before succumbing to infection? Who is the mysterious Deus Ex Machina, and what is he doing with that bone saw? All of these questions and more whisper behind the scream of the single most important thing Devin needs to know in order to survive: is Renni a top or a bottom?

“ Takes us to a place of almost mythic power and tells a story that unfolds like a long ride on a killer wave . . . compellingly written. ” —Sebastian Junger, New York Times — bestselling author Rising from the depths of the North Pacific lies a fabled island, now submerged just fifteen feet below the surface of the ocean. Rumors and warnings about Cortes Bank abound, but among big wave surfers, this legendary rock is famous for one simple (and massive) reason: this is the home of the biggest rideable wave on the face of the earth. In this dramatic work of narrative nonfiction, journalist Chris Dixon unlocks the secrets of Cortes Bank and pulls readers into the harrowing world of big wave surfing and high seas adventure above

the most enigmatic and dangerous rock in the sea. The true story of this Everest of the sea will thrill anyone with an abiding curiosity of and respect for mother ocean. “ A terrific, deeply researched tale about a truly wild place. You couldn ’ t make up Cortes Bank, or the characters who ’ ve tried to make it theirs. ” —William Finnegan, Pulitzer Prize – winning author of *Barbarian Days: A Surfing Life*

“ A first-rate account of an amazing phenomenon and the people who tried to conquer and exploit it. A great read. ” —Winston Groom, *New York Times* – bestselling author of *Forrest Gump*

“ After reading Chris ’ most excellent account of the monstrous waves of the mysterious Cortes Bank—the Bermuda Triangle of the Pacific—I never thought I would ever consider riding a wave like this. But after surviving a five-foot, head-first fall from the stage earlier this year, I think I might be ready. ” —Jimmy Buffett
