Micheline Helsing is a tetrachromat -- a girl who sees the auras of the undead in a prismatic spectrum. As one of the last descendants of the Van Helsing lineage, she has trained since childhood to destroy monsters both corporeal and spiritual: the corporeal undead go down by the bullet, the spiritual undead by the lens. She's aided by her crew: Oliver, a techno-whiz and the boy who developed her camera's technology; Jude, who can predict death; and Ryder, the boy Micheline has known and loved forever. As the ghostly chains spread through their bodies, Micheline learns that if she doesn't exorcise her entity in seven days or less, she and her friends will die. Ghouls Gone Wild Little, Brown Books for Young Readers

This is a collection of eight ghost stories, written by the remarkably prolific husband and wife team of Claude and Alice Askew, centering on Aylmer Vance, an investigator of the supernatural. Dexter, the narrator, meets Vance during a fishing holiday and Vance tells him three ghost stories on successive nights, each story involving Vance more closely in the action. The fourth story brings Dexter himself into the action, and reveals him to have unsuspected clairvoyant powers. The remaining stories feature Vance and Dexter as a sort of Holmes-and-Watson team investigating incidents not all of which prove to have supernatural causes. The final story, "The Fear" is very effective, describing a house in which a general feeling of extreme fear grips the inhabitants at various times and locations; the emotion of fear is effectively evoked and an interesting tale is constructed as Vance and Dexter work to assign the fear "a local habitation and a name".

"The Girl with Ghost Eyes is a fun, fun read. Martial arts and Asian magic set in Old San Francisco make for a fresh take on urban fantasy, a wonderful story that kept me up late to finish." —#1 New York Times bestselling author Patricia Briggs It's the end of the nineteenth century in San Francisco's Chinatown, and ghost hunters from the Maoshan traditions of Daoism keep malevolent spiritual forces at bay. Li-lin, the daughter of a renowned Daoshi exorcist, is a young widow burdened with yin eyes—the unique ability to see the spirit world. Her spiritual visions and the death of her husband bring shame to Li-lin and her father—and shame is not something this immigrant family can afford. When a sorcerer cripples her father, terrible plans are set in motion, and only Li-lin can stop them. To aid her are her martial arts and a peachwood sword, her burning paper talismans, and a wisecracking spirit in the form of a human eyeball tucked away in her pocket. Navigating the dangerous alleys and backrooms of a male-dominated Chinatown, Li-lin must confront evil spirits, gangsters, and soulstealers before the sorcerer's ritual summons an ancient evil that could burn Chinatown to the ground. With a rich and inventive historical setting, nonstop martial arts action, authentic Chinese magic, and bizarre monsters from Asian folklore, The Girl with Ghost Eyes is also the poignant story of a young immigrant searching to find her place beside the long shadow of a demanding father and the stigma of widowhood. In a Chinatown caught between tradition and modernity, one woman may be the key to holding everything together. The Reckoners (Author Cut): A powerful ghostbuster raised by a spirit, her brilliantly eccentric backup team, a cat who isn't a cat at all...and a fiercely driven bounty hunter from a different dimension who brings them together when worlds collide. "Heart, adventure, and buckets of wonder." --Julie Czerneda, Aurora-winning author of the Reunification Trilogy Skilled ghosthunter Lisa "Garrie" McGarrity not only sees dead people, she wrangles them into submission. But her beloved ghostly mentor moved on years ago, and the Southwest has gone quiet under Garrie's hand. Garrie and her team have grown restless and...well, face it. Maybe willing to take a risk or two. So when the relentlessly mysterious and fiercely driven Trevarr (and his not-cat!) shows up asking for help, Garrie is inclined to listen. And when he describes big trouble at the San Jose Winchester Mystery House, she's inclined to go with him, even if it splits her team along the way. But she doesn't expect a mansion crammed with spirits on the brink of madness, and she doesn't expect to face off against the powerful and unfamiliar
