The Reckoners

(Author Cut): A powerful ghostbuster raised by a spirit, her brilliantly eccentric backup team, a cat who isn't a cat at all...and a fiercely driven bounty hunter from a different dimension who brings them together when worlds collide. "Heart, adventure, and buckets of wonder." --Julie Czerneda, Aurora-winning author of the Reunification Trilogy Skilled ghosthunter Lisa "Garrie" McGarrity not only sees dead people, she wrangles them into submission. But her beloved ghostly mentor moved on years ago, and the Southwest has gone quiet under Garrie's hand. Garrie and her team have grown restless and...well, face it. Maybe willing to take a risk or two. So when the relentlessly mysterious and fiercely driven Trevarr (and his not-cat!) shows up asking for help, Garrie is inclined to listen. And when he describes big trouble at the San Jose Winchester Mystery House, she's inclined to go with him, even if it splits her team along the way. But she doesn't expect a mansion crammed with spirits on the brink of madness, and she doesn't expect to face off against the powerful and unfamiliar energies of semi-ethereal beings from another dimension. She definitely doesn't expect the fabric of her own world to unravel around her--with no one but her to stop it. And truly, she has no idea how deep Trevarr's secrets run. ~~~ "The Reckoners is certain to carry

readers along at a break-neck pace that is nonetheless savored along the way." --Jennifer Roberson, author of the Karavans series. "Ghosts, aliens, danger, romance, and a non-cat. As Lisa McGarrity might say, what's not to like?" --Anne Bishop, author of the Black Jewels series "Heroic figures with problems even bigger than they are." --Jacqueline Lichtenberg, The Monthly Aspectarian "Readers will enjoy the humorous dialogue and ghost-busting

lingo..." --Publisher's Weekly "THE RECKONERS is an original paranormal adventure which will fuel your imagination on every page." --Single Titles "Delightful beginning to a new series that's funny and lively with a memorable cast of characters." --Fresh Fiction "Doranna Durgin makes her mark with her new urban fantasy series, THE RECKONERS. The delicious debut titled, THE RECKONERS, features a topnotch

ghost-hunting team, a tracker from another world, his mysterious sidekick, and all sorts of paranormal activity. The pacing is excellent and the plot engaging. Ms. Durgin 's word-building is edgy and she provides some interesting takes on supernatural elements. Overall, the central mystery is complex, the action plentiful, and the developing relationship between the protagonists satisfying.... It is an exceptional read."

--Romance Junkies "Like all of Durgin's books, Reckoners has glorious 3D characters. It has all the joy of Ghostbusters, all the incredible monsters of the paranormal, and a delightful romance that never lets you down. Durgin deftly avoids cliché, and builds a rock-solid high-tension story. Best of all, it comes with an excellent twist at the end that will leave you begging for more." --Adrienne, a reader "THE RECKONERS is the first release in Ms. Durgin's new

ghost buster series. It is an original and fresh take on the spiritual world and is intense from page one. I enjoyed the interaction between the main characters and the sexual tension between Trevarr and Garrie is extreme. I look forward to more in this series from Ms. Durgin." --The Romance Reader's Connection "Doranna Durgin begins a new urban fantasy series with The Reckoners, featuring feisty heroine and ghost hunter Lisa McGarrity known

to her friends as Garrie. At age ten she learned of her talent to corral and manage ghosts. Rhonda Rose, a ghost, helped her to understand and develop her abilities. Now she heads a team of three: the empath Lucia, Drew who can sense the history of a place, and Quinn who ferrets out data they need...Durgin takes the reader on a wild ride with plenty of twists and turns." --Mel Jacobs at SFRevu Ghouls Gone Wild Penguin UK While staying in a haunted Colorado hotel for her

father's ghost-hunting television series, Karma Moon must battle her anxiety, interpret the signs of the universe, and get footage of a real ghost--you know, the usual. Karma Moon is a firm believer in everything "woo-woo," as her dad calls it. So when she asked her trusty Crystal Mystic if the call asking her dad to create a ghost-hunting docuseries was her dad's big break, it delivered: "No doubt about it." Because the universe never gets it wrong. Only people do. Karma and her best friend, Mags, join her dad's Totally Rad film crew at a

famous haunted hotel in Colorado over her spring break. Their mission: find a ghost and get it on camera. If they succeed, the show will be a hit, they can pay rent on time, and just maybe, her mom will come back. Unfortunately, staying at a haunted hotel isn't a walk in the park for someone with a big case of the what-ifs. But her dad made Karma the head of research for the docuseries, so she, Mags, and a mysterious local boy named Nyx must investigate every strange happening in the historically creepy Stanley

Hotel. Karma hopes that her what-ifs don't make her give up the ghost before they can find a starring spirit to help their show go viral--and possibly even get them a season two. With Melissa Savage's quirky cast of characters and spooky setting underlaid by a touching and relatable struggle against anxiety and grief over her fractured family, Karma Moon--Ghosthunter is bound to charm and delight. Murderous ghosts

secrets threaten
young Eleanor and
Alice Roosevelt in
this thrilling middle-
grade novel that puts
a supernatural spin
on alternate history.
It's 1898 in New
York City and ghosts

exist among humans. When an unusual spirit takes up residence at the Roosevelt house, thirteen-year-old Eleanor and fourteen-year-old Alice are suspicious. The cousins don't get along, but they know something is not right. This ghost is more than a pesky nuisance. The authorities claim he's safe to be around, even as his mischievous behavior grows stranger and more menacing. It's almost like he wants to scare the Roosevelts out of their home - and no one seems to care! Meanwhile, Eleanor and Alice discover a dangerous ghost in the house where Alice was born and her mother died. Is someone else haunting the family?

Introverted Eleanor and unruly Alice develop an unlikely friendship as they explore the family's dark, complicated history. It's up to them to destroy both ghosts and come to terms with their family's losses. Told from alternating perspectives, thrills and chills abound in Dianne K. The boy, named Eagle of the Sun, says he ’ s searching for his missing mother. Paul ’ s happy to help Eagle of the Sun find her, though something about the boy ’ s story doesn ’ t add up. There's no denying what they discovered in Morocco: a powerful evil is budding, and to defeat it, and save the world from darkness, six uniquely gifted children must be gathered. According to prophecy, a trip through the magical portal near the castle will bring them to the third Oracle--a child with extraordinary powers to heal. But the very same prophecy foretells Ian's death should he venture through the portal again. Everyone agrees: to risk Ian's life is too great a gamble. But when a terrible curse

enters the keep, it becomes clear that there is no other choice. If Ian and Theo stay in Dover, all will surely be lost, but to follow the prophecy, they will risk their lives and everything they have ever held dear.
