2013-14 Michigan Notable Book for 2010 A Washington Post Book World's "Best Books of 2009," Memoir Beth Luxenberg was an only child. Or so everyone thought. Six months after Beth's death, her secret emerged. It had a name: Annie. Steve Luxenberg's mother always told people she was an only child. It was a fact that he'd grown up with, along with the information that some of his relatives were Holocaust survivors. However, when his mother was dying, she casually mentioned that she had had a sister she'd barely known, who early in life had been put into a mental institution. Luxenberg began his researches after his mother's death, discovering the startling fact that his mother had grown up in the same house with this sister, Annie, until her parents sent Annie away to the local psychiatric hospital at the age of 23. Annie would spend the rest of her life shut away in a mental institution, while the family erased any hints that she had ever existed. Through interviews and investigative journalism, Luxenberg

teases out her story from the web of shame and half-truths that had hidden it. He also explores the social history of institutions such as Eloise in Detroit, where Annie lived, and the fact that in this era (the 40s and 50s), locking up a troubled relative who suffered from depression or other treatable problems was much more common than anyone

new realistic novel from the Newbery Medal-winning author of *Bridge to Terabithia*, a ten-year-old girl makes a deal with God for her father's safe return from the Iraq War. Birdie has questions for God. For starters, why couldn't God roll history back to September 10, 2001, and fix things--so the next day was an ordinary sunny day and not the devastating lead-in to two wars? Daddy has already been to Iraq twice. Now he's going again, and Birdie is sure he'll die. At the very least, she won't see him again for a year, and everything will not be OK. (Why do grown-ups lie?) To save money, she, Mom, and baby Billy have moved to Gran's, where shy Birdie must attend a new school, and no one but Alicia Marie Suggs welcomes her. Doesn't God remember how hard it was for Birdie to make friends at Bible Camp? Counselor Ron Judgement taught about Judgment right way to believe. Has Birdie been praying wrong? Why else would God break their hearts for a bargain? Readers of all faiths and backgrounds, especially children of military families, will identify with and root for the unforgettable Birdie, given inimitable voice by a master storyteller.
