**The Artist's Complete Guide to Figure Drawing** Search Press

From world-renowned artist Giovanni Civardi, this highly practical guide uses the traditional grid technique to make the process of creating a characterful portrait drawing both simple and accessible. Starting from a photograph, Civardi shows you how to create an accurate pencil sketch of the subject by overlaying a grid and transferring the image one square at a time. The drawing is then rendered in easy stages to create a finished portrait. Even the most complex of subjects can be broken down into easy steps using this method, and by following the numerous, step-by-step exercises the reader will very soon be producing highly detailed drawings based on photographs of their own.

**Mastering Drawing the Human Figure** National Geographic Books

Offers instruction in drawing and painting the nude and partially-clothed human figure in both wet and dry media.

**Drawing Nature for the Absolute Beginner** National Geographic Books

In figurative art, sketching the clothed figure requires a detailed study of the folds of the garment

and the way in which fabrics sit in relation to the movement of the human body. In this book, Giovanni Civardi shares his expert advice on how to draw clothing on human figures exploring lighting, perspective and the composition of fabric on the human body. Train yourself to see not just the body, but what surrounds it by using the techniques of chiaroscuro and by observing the tonal characteristics of the fabric texture. This inspirational and easy-to-follow guide will suit beginners as well as more expert artists providing a comprehensive overview of the techniques including advice and suggestions for the practical aspects of drawing from life.
