"For paranormal fans, Girl Unseen can't be beat! The depth of emotion with which Athena Daniels fills her characters provides such intensity that you feel their pain and heartache... This is definitely a must-read and is a perfect stand-alone even though there are two previous volumes in the Beyond the Grave series.

Girl Unseen Beyond The Grave

"Girl Unseen is the third instalment of Daniel's Beyond the Grave series and a fantastic addition at that. The novel offers suspense, twists, action, and romance – everything a story needs to make it impossible to put down. In the first chapter,

we meet the Debunking Reality crew and witness a murder.

Girl Unseen (Beyond The Grave, #3) by Athena Daniels

Girl Unseen is the third installment in Athena Daniels' Beyond The Grave series. I also reviewed the first two books in the series, The Seer's Daughter and The Alchemist's Son. While those two books really needed to be read as a pair, Girl Unseen works quite well as a standalone; though characters and events from the first two books are referenced, it is not done so much as to bemuse a reader new to the series.

Girl Unseen is the third book in the *Beyond the Grave* series, although you could read this as a standalone.

Previous characters are mentioned, but nothing where you wouldn't understand what was going on. Pia, the psychic medium we met in the first two books, is witness to a murder when her and the rest of the team are filming a show.
