Am I Meant to Become a Parent? Why Can't I Conceive? What Is My Unborn Child Trying to Tell Me? In this reassuring, supportive, and accessible book, leading clairvoyant and medium Walter Makichen offers guidance to prospective parents eager to create a warm, nurturing environment for their soon-to-be-conceived-or-born children. Applying the wisdom and insights he has gained through twenty years of communicating with these spirit babies, Makichen helps you resolve issues about starting a family...actively participate in the psychic process of creating a child...and move past your worries and fears about becoming parents. From the seven essential chakras that link our body, mind, and spirit to why pregnant women are superpsychic, you'll discover: * How to create the energy that nurtures spirit babies * How to understand how past lives and chakras relate to your unborn child * The conception contract--what it is and what it means for you and your child * How karmic pairings affect conception and pregnancy * Why miscarriages occur and what they can signify Plus spirit babies and guardian angels...spirit babies and adoption...spirit babies and dreams...and much more Featuring inspirational examples of couples who are now happy parents, as well as breath exercises and healing meditations at the end of each chapter, Spirit Babies tells you everything you need to know to become the parent you were meant to be.

Thomas Nelson Inc

There are approximately 3,712 ways for a man to look stupid during pregnancy - this title helps readers avoid most of them. It tells guys to man up and teaches them a thing or two on how to make the entire process go much more smoothly.

The Straight Scoop on the Questions That Make You Blush Why do I feel turned on when breastfeeding? Could an epidural paralyze me? Am I awful for feeling sad my baby isn't the sex I'd hoped for? In this comprehensive new book, doula and birth educator Bailey Gaddis offers frank girlfriend talk and expert advice about pregnancy, childbirth, and early motherhood. During her own pregnancy, Bailey had many unanswered questions she felt were too taboo or embarrassing to ask. To help other women have a more informed, less cringey experience, she went on to train as a birth professional, and her work has inspired this book. Bailey consulted with medical experts and psychologists to ensure accurate answers to the featured questions, and she presents her sought-after expertise to you with thoughtfulness and humor. Her accurate, nonjudgmental answers to even the most embarrassing or scary questions will help guide you through pregnancy and the first weeks of motherhood with greater calm and confidence.

Teen Guide to Sex and Relationships

Working mothers constantly battle the pull to do all the things well. From managing work and home responsibilities to being impacted by a lack of self-care and time for deep friendships, the struggle is real. At the end of each day, many working moms are exhausted and stretched too thin. But this does not have to be the norm. In her latest practical and inspiring book, Jessica Turner shows the working mom how to - work and parent guilt-free - establish clear work boundaries - set achievable goals - discover more flexibility - develop home management solutions - prioritize self-care - invest in her marriage - cultivate deeper friendships - feel like a good mom, even while working Full of compassion and encouragement, Stretched Too Thin will empower women with useful insights and tools to thrive as working moms.

Asking for a Pregnant Friend

Completely revised and updated, this guide contains everything you need to know to have a successful delivery and a healthy baby. This is an indispensable resource for expectant mothers looking for accurate, reliable and comprehensive information about the final trimester of pregnancy and childbirth. It answers every conceivable question expecting parents could have, including dozens of new ones based on the ever-changing pregnancy and birthing practices and choices they face. This guide reveals the naked truth about the tremendous joys, the excruciating pains and the inevitable disfigurement that goes along with pregnancy in the third trimester. It also provides adequate information on what you should really expect in the final trimester of your pregnancy ranging from body changes to baby growth to labor and delivery. The Final Trimester includes thorough information on: Staying healthy in the third trimester; Common questions and answer about sex in pregnancy; Choosing the best childbirth education class; Preparing for labor and knowing when it has begun; Normal labor and how a woman can get through every step of the way; Epidurals and other medications for labor; Non-drug techniques for easing labor pain; Cesarean birth and complications that may require it; And much more The Final Trimester takes out the fear of childbirth by restoring women's faith in their own natural power to give birth with more ease, less pain, and less

medical intervention. Exploring the Cuckold Lifestyle

"Emily Oster is the non-judgmental girlfriend holding our hand and guiding us through pregnancy and motherhood. She has done the work to get us the hard facts in a soft, understandable way." -Amy Schumer *Fully Revised and Updated for 2021* What to Expect When You're Expecting meets Freakonomics: an award-winning economist disproves standard recommendations about pregnancy to empower women while they're expecting. From the author of Cribsheet and The Family Firm, a data-driven decision making guide to the early years of parenting Pregnancy-unquestionably one of the most profound, meaningful experiences of adulthood-can reduce otherwise intelligent women to, well, babies. Pregnant women are told to avoid cold cuts, sushi, alcohol, and coffee without ever being told why these are forbidden. Rules for prenatal testing are similarly unexplained. Moms-to-be desperately want a resource that empowers them to make their own right choices. When award-winning economist Emily Oster was a mom-to-be herself, she evaluated the data behind the accepted rules of pregnancy, and discovered that most are often misguided and some are just flat-out wrong. Debunking myths and explaining everything from the real effects of caffeine to the surprising dangers of gardening, Expecting Better is the book for every pregnant woman who wants to enjoy a healthy and relaxed pregnancy-and the occasional glass of wine.
