The Slave Across the Street Harper Perennial

In the fight against human trafficking, cross-sector collaboration is vital—but often, systemic tensions undermine the effectiveness of these alliances. Kirsten Foot explores the most potent sources

of such difficulties, offering insights and tools that leaders in every sector can use to re-think the power dynamics of partnering. Weaving together perspectives from many sectors including business, donor foundations, mobilization and advocacy NGOs, faith communities, and survivor-activists, as well as government agencies, law enforcement, and providers of victim services, Foot assesses how

differences in social location (financial well-being, race, gender, etc.) and sector-based values contribute to interpersonal, inter-organizational, and cross-sector challenges. She convincingly demonstrates that finding constructive paths through such multi-level tensions—by employing a mix of shared leadership, strategic planning, and particular practices of

communication and organization—can in turn facilitate more robust and sustainable collaborative efforts. An appendix provides exercises for use in building, evaluating, and trouble-shooting multi-sector collaborations, as well as links to online tools and recommendations for additional resources. All royalties from this book go to nonprofits in U.S. cities dedicated to facilitating cross-sector collaboration to end human trafficking. In this riveting book, authors and authorities on modern slavery Kevin Bales and Ron Soodalter expose the disturbing phenomenon of human trafficking and slavery that exists now in the United States. In *The Slave Next Door* we find that these horrific human rights violations are all around us; people sold into slavery are often hidden in plain sight: the dishwasher in the kitchen of the neighborhood restaurant, the kids on the corner selling

cheap trinkets, the man sweeping the floor of the local department store. In these pages we also meet some unexpected modern-day slave owners, such as a 27-year old middle-class Texas housewife who is currently serving a life sentence for offences including slavery. Weaving together a wealth of voices—from slaves, slaveholders, and traffickers as well as from experts, counselors, law enforcement officers, rescue and support groups, and community leaders—this book is also a call to action, telling what we, as private citizens and political activists, can

do to raise community awareness, hold politicians accountable, and finally bring an end to this horrific and traumatic crime.

The Lines We Cross

A remarkable story about the power of tolerance from one of the most important voices in contemporary Muslim literature, critically acclaimed author Randa Abdel-Fattah. Michael likes to hang out with his

friends and play with the latest graphic design software. His parents drag him to rallies held by their anti-immigrant group, which rails against the tide of refugees flooding the country. And it all makes sense to Michael. Until Mina, a beautiful girl from the other side of the protest lines, shows up at his school, and turns out to be funny, smart -- and a Muslim refugee from Afghanistan.

Suddenly, his parents' politics seem much more complicated. Mina has had a long and dangerous journey fleeing her besieged home in Afghanistan, and now faces a frigid reception at her new prep school, where she is on scholarship. As tensions rise, lines are drawn. Michael has to decide where he stands. Mina has to protect herself and her family. Both have to choose

what they want their world to look like.

During her teens, Rachel Lloyd ended up a victim of commercial sexual exploitation. With time, through incredible resilience, and with the help of a local church community, she finally broke free of her pimp and her past and devoted herself to helping other young girls escape "the life." In *Girls Like Us*, Lloyd reveals the dark world of

commercial sex trafficking in cinematic detail and tells the story of her groundbreaking nonprofit organization: GEMS, Girls Educational and Mentoring Services. With great humanity, she shares the stories of the girls whose lives GEMS has helped—small victories that have healed her wounds and made her whole. Revelatory, authentic, and brave, *Girls Like Us* is an unforgettable memoir.

The John Scott story is the ultimate underdog narrative in sports during 2016 when Scott—in the twilight of his career—went from a joke All-Star fan-voted nominee to scoring two goals and winning the All-Star Game's MVP title. This is his heartwarming story about an average Joe who became a sports superhero overnight. Known as a willing-and-able fighter and bruiser in the league, John Scott was a surprising and

<p>tongue-and-cheek nominee for the 2016 NHL All-Star Game. He'd been in the league for over eight NHL seasons, playing for teams such as the Wild, Blackhawks, Rangers, Sabres, and the Sharks. Scott's best attribute as an NHL player was dropping his gloves—never the best player, the 260 pounder did become the most feared fighter in the NHL, racking up extensive penalty minutes. In order to prevent him from playing in the game, his current team—the Phoenix Coyotes—traded</p>	<p>Scott to the Montreal Canadians, who demoted him to the AHL team in an attempt to disqualify him from playing in the All-Star Game. Fans were outraged and Scott was devastated. He'd been downgraded in his job—forced to relocate while his wife was pregnant with twin girls. But the fans wouldn't back down and insisted the NHL let Scott play in the game. The league relented, and Scott not only was invited to attend the NHL game in Nashville, but was nominated a team captain. The</p>	<p>media and sports fans at large fell in love with the giant six-foot-eight player who by all means, was just a normal guy and no superstar player. In a true Cinderella story, Scott scored two goals and was the All-Star Game's MVP. This is his personal memoir—detailing his life growing up and how he was able to keep his sense of humor and become the ultimate Cinderella-Story of hockey. <u>Fighting for a World Where Girls Are Not for Sale, an Activist Finds Her Calling and Heals Herself</u> W. Beautiful Fighting Girl Avery
Sex trafficking is currently a hot news topic, but it is not a new problem or just a problem in "other" countries. Every year, an estimated 300,000 American children are at

risk of being lured into the sex trade, some as young as eight years old. It is thought that up to 90 percent of victims are never rescued. Stolen is the true story of one survivor who escaped—more than once. First recruited while staying with her family at a hotel in Miami Beach, Katariina Rosenblatt was already a lonely and abused young girl who was yearning to be loved. She fell into the hands of a confident young woman who pretended friendship but slowly lured her into a child

prostitution ring. For years afterward, a cycle of false friendship, threats, drugs, and violence kept her trapped. As Kat shares her harrowing experiences, readers will quickly realize the frightening truth that these terrible things could have happened to any child--a neighbor, a niece, a friend, a sister, a daughter. But beyond that, they will see that there is real hope for the victims of sex trafficking. Stolen is more than a warning. It is a celebration of survival that will inspire.

A story of healing and a guide to seeking justice after sexual abuse from Brooke Axtell, one of the foremost survivor experts on sexual assault,

domestic violence, and human trafficking When Brooke Axtell was seven years old, her nanny subjected her to sex trafficking. Today, she is a champion and advocate for women around the world who have experienced sexual violence and trauma. Beautiful Justice shares Brooke's own gripping story, both the trauma of sex trafficking and also her pathway through healing, moving on, and reclaiming power. Along the way, she imparts warm wisdom for others who have

experienced similar violence, providing lessons from her own life and from the thousands of women, advocates, and lawmakers she's spoken with. Relying on her own experiences and a keen awareness of public policy, she provides a clear-eyed awareness of the ways that our culture and government work against women experiencing violence around the world. Inspiring and powerfully redemptive, Brooke encourages readers to take

part in a creative resistance as a path to justice. Cry Purple Createspace Independent Pub
Till now, Stephanie has done her best to play by the rules--which seem to be stacked against girls like her. It doesn't help that she wants to play football, dress like a boy, and fight apartheid in South Africa--despite living in rural middle England--as she struggles to find her voice in a world where everything is different for girls. Then she hears them on the radio. Greenham women--an irreverent group of lesbians, punk rockers, mothers,

and activists who have set up camp outside a US military base to protest nuclear war--are calling for backups in the face of imminent eviction from their muddy tents. She heads there immediately, where a series of adventures--from a break-in to a nuclear research center to a doomed love affair with a punk rock singer in a girl band--changes the course of her life forever. But the sense of community she has found is challenged when she faces tragedy at home.

Interrupted introduces us to survivors of human trafficking who are struggling to get by and make homes for themselves in the United States. Having spent nearly a decade following the lives of formerly trafficked men and women, Denise Brennan recounts in close detail their flight from their abusers and their courageous efforts to rebuild their lives. At

once scholarly and accessible, her book links these firsthand accounts to global economic inequities and under-regulated and unprotected workplaces that routinely exploit migrant laborers in the United States. Brennan contends that today's punitive immigration policies undermine efforts to fight trafficking. While many believe trafficking happens only in the sex trade, Brennan shows that across low-wage labor

sectors—in fields, in factories, and on construction sites—widespread exploitation can lead to and conceal forced labor. Life Interrupted is a riveting account of life in and after trafficking and a forceful call for meaningful immigration and labor reform. practices, and the

pressure to

than ever before. In *Walking Prey*, advocate and former victim Holly Austin Smith shows how middle class suburban communities are fast becoming the new epicenter of sex trafficking in America. Smith speaks from experience: Without consistent positive guidance or engagement, Holly was ripe for exploitation at age fourteen. A chance encounter with an older man led her to run away from home, and she soon found herself on the streets of Atlantic City. Her experience led her, two decades later, to become one of the foremost advocates for trafficking victims.

Smith argues that these young women should be treated as victims by law enforcement, but that too often the criminal justice system lacks the resources and training to prevent the vicious cycle of prostitution. This is a clarion call to take a sharp look at one of the most striking human rights abuses, and one that is going on in our own backyard.
