masterpiece, reminding us that God's love is unconditional."—Debbie Macomber California's gold country, 1850. A time when men sold their souls for a bag of gold and women sold their bodies for a place to sleep. Angel expects nothing from men but betrayal. Sold into prostitution as a child, she survives by keeping her hatred alive. And what she hates most are the men who use her, leaving her empty and dead inside. Then she meets Michael Hosea, a man who seeks his Father's heart in everything. Michael obeys God's call to marry Angel and to love her unconditionally. Slowly, day by day, he defies Angel's every bitter expectation, until despite her

resistance, her frozen heart begins to thaw. But with her unexpected softening comes overwhelming feelings of unworthiness and fear. And so Angel runs. Back to the darkness, away from her husband's pursuing love, terrified of the truth she no longer can deny: her final healing must come from the One who loves her even more than Michael does . . . the One who will never let her go. A powerful retelling of the story of Gomer and Hosea, **Redeeming Love** is a life-changing story of God's unconditional, redemptive, all-consuming love. **Redeeming Love** OUP Oxford

Ray Lucas provides fans with a timely, uncensored look at pro football's play-at-all-costs culture. Overcoming questions about his size and skills as a quarterback, Lucas persevered and went on to play seven seasons in the NFL. His professional football career, however, came to a sudden end at age 30, when a neck

injury caused him to collapse on the sideline during training camp. Instructed by NFL doctors that surgery wasn't an option, Lucas turned to painkillers for relief, but as his tolerance for medication escalated and his NFL insurance coverage expired, he began to plan his suicide. Just

today's before he planned to take his life, Lucas was put in touch with a group of doctors who agreed to perform neck surgery free of charge. In this tell-all, Lucas shares how—in a league without guaranteed contracts and careers that average just a few seasons long—players in the

training room are perceived to lack the toughness necessary to succeed on the field. He discusses how this prevailing attitude leads to widespread abuse of painkillers and leaves many former players unable to lead a normal life once their playing career ends while also sharing details on how he overcame his drug

'Of ways you may speak,

but not the Perennial Way; By names you may name, but not the Perennial Name.' The best-loved of all the classical books of China and the most universally popular, the Daodejing or Classic of the Way and Life-Force is a work that defies definition. It encapsulates the main tenets of Daoism, and upholds a way of being as well as a philosophy and a religion. The dominant image is of the Way, the mysterious path through the whole

cosmos modelled on the great Silver River or Milky Way that traverses the heavens. A life-giving stream, the Way gives rise to all things and holds them in her motherly embrace. It enables the individual, and society as a whole, to harmonize the disparate demands of daily life and achieve a more profound level of understanding. This new translation draws on the latest archaeological finds and brings out the word play and poetry of the

original. Simple commentary accompanies the text, and the introduction provides further historical and interpretative context.

*The Book of Promethea* Triumph Books  
THINGS FALL APART tells two overlapping, intertwining stories, both of which center around Okonkwo, a "strong man" of an Ibo village in Nigeria. The first of these stories traces Okonkwo's fall from grace with the tribal world in which he

lives, and in its classical purity of line and economical beauty it provides us with a powerful fable about the immemorial conflict between the individual and society. The second story, which is as modern as the first is ancient, and which elevates the book to a tragic plane, concerns the clash of cultures and the destruction of Okonkwo's world through the arrival of aggressive, proselytizing European missionaries. These twin dramas are

---

perfectly harmonized, and they are modulated by an awareness capable of encompassing at once the life of nature, human history, and the mysterious compulsions of the soul. THINGS FALL APART is the most illuminating and permanent monument we have to the modern African experience as seen from within.

“Equal parts wry comedy and

touching family drama, it’s ultimately a heartbreaker that’ll stay with you long after you’re done.” —Marie Claire “Glass of chilled rosé, check. Comfy chair, check. Box of tissues, check. You Me Everything is everything you need for a moving, funny, heartbreaking, and ultimately joyous read.” --Susan Wiggs, #1 New York Times bestselling author of *Map of the Heart* Set in the French countryside on an idyllic summer vacation, a delicious, tender novel about finding joy and love even in the most unexpected places. Jess and her ten-year-old son William set off to spend the summer at Château de

Roussignol, deep in the rich, sunlit hills of the Dordogne. There, Jess’s ex-boyfriend—and William’s father—Adam, runs a beautiful hotel in a restored castle. Lush gardens, a gorgeous pool, delectable French food, and a seemingly never-ending wine list—what’s not to like? Jess is bowled over by what Adam has accomplished, but she’s in France for a much more urgent reason: to make Adam fall in love with his own son. But Adam has other ideas, and another girlfriend—and he doesn’t seem inclined to change the habits of a lifetime just because Jess and William have appeared on the scene.

---

Jess isn't surprised, but William—who has quickly come to idolize his father—wants nothing more than to spend time with him. But Jess can't allow Adam to let their son down—because she is tormented by a secret of her own, one that nobody—especially William—must discover. By turns heartwrenching and hopeful, *You Me Everything* is a novel about one woman's fierce determination to grab hold of the family she has and never let go, and a romantic story as heady as a crisp Sancerre on a summer day.

He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. The Horned Man opens with a man losing his place in a book, then deepens into a dark and terrifying tale of a man losing his place in the world. As Lawrence Miller—an English expatriate and professor of gender studies—tells the story of what appears to be an elaborate conspiracy to frame him for a series of brutal killings, we descend into a world of subtly deceptive

---

appearances where persecutor and victim continually shift roles, where paranoia assumes an air of calm rationality, and where enlightenment itself casts a darkness in which the most nightmarish acts occur. As the novel races to its shocking conclusion, we follow Miller as he traverses the streets of Manhattan and the decaying suburbs beyond, in terrified pursuit of his pursuers. Written with sinuous grace and intellectual acuity, *The Horned Man* is an extraordinary, unforgettable first novel by an acclaimed writer and poet of unusual power. Reading group guide included.
