Intimate Portraits of the African American Experience Skyhorse Publishing, Inc.

This book is a real

find—for those who enjoy radio nostalgia but more importantly for scholars of broadcasting. From 1947 to 1950 while listening to such voices as Bob Hope, Red Skelton, Milton Berle, Jack Benny, Fred Allen, and Jimmy Durante, and shows like Fibber McGee & Molly, Amos 'n' Andy, Blondie, and You Bet Your Life, the author was writing down jokes, gags, one-liners and quotations. In that short time he had filled 11 spiral notebooks. Fifty years later in a labor of love, the author painstakingly transferred those childhood notes into this invaluable—in fact, undoubtedly unique—record of a boom time in American radio. This

is an unexpected treasure for radio scholars, who have long lamented the lack of recordings for the majority of radio programming. Television researchers as well will benefit—here are root sources of television comedy. It is a revelation to find that what we are laughing at today often was first done on radio over 50 years ago. The author has also included a notes and comments section which includes background material on all the radio programs in this book. *An African American Dilemma* Penguin Revered businessman Falco Orsini

has left life in the special forces behind—though he uses his powerful skills occasionally, when duty calls. But duty is always on Falco's terms! When his estranged father asks him to protect a young model who is being stalked, he begrudgingly agrees...only because of the vulnerabilit

he can see in her eyes. Elle Bissette won't be a victim—she can take care of herself! And surely big, dark, devilish Falco is dangerous. Because one kiss from a man like him will leave her breathless... servicio de oncología Penguin The name Florenz Ziegfeld Jr. (1867--1932) is synonymous with the

decadent revues continued that the legendary impresario produced at the turn of the twentieth century. These extravagant performances were filled with catchy tunes, high-kicking chorus girls, striking costumes, and talented stars such as Eddie Cantor, Fanny Brice, Marilyn Miller, W. C. Fields, and Will Rogers. After the success of his Follies, Ziegfeld revolutionized theater performance with the musical Show Boat (1927) and

making Broadway hits -- including Sally (who later played Rita (1927), and The Three Musketeers (1928) -- several of which were adapted for the silver screen. In this definitive biography, authors Cynthia Brideson and Sara Brideson offer a comprehensive look at both the life and legacy of the famous producer. Drawing on a wide range of sources -- including Ziegfeld's previously unpublished

letters to his second wife, Billie Burke (who later played Glinda the Good Witch in The Wizard of Oz), and to his daughter Patricia -- the Bridesons shed new light on this enigmatic man. They provide a lively and well-rounded account of Ziegfeld as a father, a husband, a son, a friend, a lover, and an alternately ruthless and benevolent employer. Lavishly illustrated with over seventy-five images, this meticulously researched book

presents an intimate and in-depth portrait of a figure who profoundly changed American entertainment. *Famous Little-Known and Unsung Triumphs of Blacks in America* Dafina Books Give My Regards to Black Jack Ign S. *Give My Regards to Black Jack - Ep.120 Presentation (English Version)* SEKAI Editorial Eijiro

Drawing

models from primary sources, including Feldman's musical sketches, he shows that Feldman worked deliberately within a two-dimensional frame, allowing a focus upon the fundamental materials of sounding pitch in time. Beyond this, Feldman's work is revealed to be essentially concerned with the

12-tone chromatic field, and with the delineation of complexes of simple proportions in 'crystalline' forms. Through close reading of several important works from the early 1950s, Noble shows that there is a remarkable consistency of compositional method, despite the varied experimental notations used by

Feldman at this time. Not only are there direct relations to be found between staff-notated works and grid scores, but much of the language developed by Feldman in this period was still in use even in his late works of the 1980s. *Give My Regards to Black Jack - Ep.124 Rooftop Warriors (English Version)* SEKAI Editorial The first-ever narrative history of

The Black Book is a stunning tapestry of Middle Eastern and Islamic culture which confirms Orhan Pamuk's reputation as a writer of international stature, comparable to Borges and Calvino. Galip is an Istanbul lawyer, and

his wife, Ruya, has vanished. Could she be hiding out with her half brother, Jelal, a newspaper columnist whose fame Galip envies? And if so, why isn't anyone in Jelal's flat? As Galip plays the part of private investigator, he assumes the identity of Jelal himself, wearing his clothes,
