Bringing the science of psychology to life! The 2nd Australasian edition of Psychology and Life emphasises the science of psychology, with a special focus on applying that science to students' everyday lives. As a result, the features of Psychology and Life support a central theme: psychology as a science, with a focus on applying that science to real life experiences. Australasian research, examples and statistics help make the theory even more relevant for today's students. Psychology and Life 2e provides a rigorous, research-

centred survey of the discipline while offering students special features and learning aids that will make the science of psychology relevant, spark their interest and excite their imaginations. **Monthly G.K. Current Affairs June 2019** Kalinjar Publications Despite the empowering pride culture that has evolved globally in the past half-century, the LGBTQAI+ community continues to face widespread discrimination. They are often subjected to

cruelty and discrimination and are the bearers of a heavy psychological burden and frustration that stems from not coming out and expressing their concerns freely. Today, the invisibility of this community and its concerns have become enormous challenges for the world as their interests often go unrepresented and unaddressed by governments due to various barriers. Global LGBTQ+ Concerns in a Contemporary World: Politics, Prejudice, and

Community considers the harsh realities of the LGBTQAI+ community and draws attention to key issues such as violation of their rights and disparities in access to basic amenities such as healthcare, employment, and security. Covering key topics such as inclusion, mental health, queer communities, and human rights, this reference work is ideal for activists, advocates, politicians, sociologists, gender studies specialists, policymakers,
