Down-home charm and romance on the ranch. A Little Bit Country Stranded on the side of a country road with a broken-down car, Rorie Campbell is grateful when horse rancher Clay Franklin comes to her rescue. Stuck in the quirky small town, Rorie gets to know Clay, and she quickly starts to fall for the gruff, tough cowboy. Can a city girl make it work with a country man? Clay certainly thinks so. But their situation is...complicated. Clay and Rorie will have to sort out their feelings if they're going to be together. Country Bride Kate Logan is understandably devastated when her former fiancé marries someone else instead. At the wedding, after one glass of champagne, she spontaneously—foolishly—proposes to her longtime friend Luke Rivers. And Luke agrees. The rancher is a man of his word, and though Kate thinks they're making a mistake, he will not renege on his promise. Not only does he refuse to break the engagement, he insists that Kate actually loves him—and he'll prove it. "Romantic, warm, and a breeze to read." —Kirkus Reviews on *Cottage by the Sea Montana* MIRA

Christmas news! Read all about it in these two classic stories from #1 New York Times bestselling author Debbie Macomber. Christmas is a time for...fruitcake. Rookie reporter Emma Collins hates fruitcake; for that matter, she hates Christmas, too. When three Washington State women are finalists in a national fruitcake contest, the story is assigned to her. That's bad enough. It gets worse when she has to fly in a small plane (scary!) with a smart-aleck pilot named Oliver Hamilton (sexy!) and his scruffy dog (cute!). In the end she meets three wise women, falls in love and learns There's Something About Christmas. This is also a time for families, for togetherness, for memories. On Christmas Eve, Maryanne and Nolan Adams tell their kids the story they most want to hear—how Mom and Dad met and fell in love. It all started when they were reporters on rival Seattle papers...and next thing you know, Here Comes Trouble! Previously published.

A classic story of starting over and learning to love again When Molly learns that her grandfather is sick, she packs up her two sons without a second thought and makes the long drive to Sweetgrass, Montana. But once she arrives, her warm memories of a sprawling ranch don't quite match the reality: Molly's grandfather is more ill than she thought, the place is shabby and there is a stranger running things. Molly has learned to be suspicious, and she has questions about ranch hand Sam Dakota. Why is he working there? Why doesn't the sheriff trust him? But despite everything, Molly can't deny her attraction to Sam—until her ailing grandfather tries to push them into marriage. Moving to the state of Montana is one thing; entering the state of matrimony is another. Before she can move forward, Molly will have to figure out how to trust her own heart again. "It's impossible not to cheer for Macomber's characters... When it comes to creating a special place and memorable, honorable characters, nobody does it better than Macomber." —BookPage
