' ¡ A Volar!' is a new primary Spanish course from Collins, offering a fun and engaging approach to language learning. Developed to meet the requirements of primary school

curriculums, ' ¡ A Volar!' introduces the Spanish language to children in a highly accessible format for beginners and young learners, with careful progression through the levels. Designed to complement the main coursebooks, the workbooks provide additional material for practice and reinforcement. Carefully graded exercises allow students to revisit and revise the core vocabulary and language points

of each unit, while review sections at regular intervals allow for further consolidation and can be used for assessment purposes.

Learning Spanish Workbook McGraw-Hill/Glencoe NATIONAL BESTSELLER • A coming-of-age classic about a young girl growing up in Chicago • Acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the

winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. “ Cisneros draws on her rich [Latino] heritage...and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one. ” —The New York Times Book Review The House on Mango Street is one of the most cherished novels of the last fifty years. Readers from all walks of life have fallen for the voice of Esperanza Cordero, growing up in

Chicago and inventing for herself who and what she will become. “ In English my name means hope, ” she says. “ In Spanish it means too many letters. It means sadness, it means waiting.” Told in a series of vignettes—sometimes heartbreaking, sometimes joyous—Cisneros ’ s masterpiece is a classic story of childhood and self-discovery and one of the greatest neighborhood novels of all time. Like Sinclair Lewis ’ s *Main Street* or Toni Morrison ’ s *Sula*, it makes a world through people and their voices, and it does so in language

that is poetic and direct. This gorgeous coming-of-age novel is a celebration of the power of telling one ’ s story and of being proud of where you're from. Glencoe Math, Course 1, Student Edition CreateSpace Provides teachers and students alike with a modern, inviting and structured way to sustain interest and excellence in Latin. Based on the reading of original texts, the course is structured around a narrative detailing the life of the poet Horace, which helps students to develop

an understanding of the times of Cicero and Augustus.
