"First rule in this line of business: don't sleep with the client." My name's Kate Kane, and when an eight-hundred-year-old vampire prince came to me with a case, I should have told her no. But I've always been a sucker for a femme fatale. It always goes the same way. You move too fast, you get in too deep, and before you know it, someone winds up dead. Last time it was my partner. This time it could be me. Yesterday a

werewolf was murdered outside the Velvet, the night-time playground of one of the most powerful vampires in England. Now half the monsters in London are at each other's throats, and the other half are trying to get in my pants. The Witch Queen will protect her own, the wolves are out for vengeance, and the vampires are out for, y'know, blood. I've got a killer on the loose, a war on the horizon, and a scotch on the rocks. It's going to be an interesting day.

Previously published; newly revised by author I like my women like I like my whiskey: liable to kill me. The two parts of being a

paranormal private investigator I could really do without are being forced to eat bananas by an animated statue with a potassium fixation, and being put on trial for murder by a self-appointed council of vampire oligarchs. To be fair, I did kind of do it (the murder, not the bananas). But I was kind of saving my girlfriend, who is kind of one of them. On top of this, I've also wound up with a primordial queen of the damned trying to strangle me in my dreams. And the conspiracy of undead wizards who tried to sacrifice me fifteen years ago has decided that now is the best possible time to give it another go. Throw in the woman who left me for a tech start-up, the old

girlfriend who I might sort of owe eternal mystical fealty to and a werewolf "it girl" who can't decide if she wants to eat me in the good way or the bad way, and I'm beginning to think life would be easier if I made better choices. Then again, it'd be a whole lot less fun. This book is approximately 98,000 words

Teardrop is devoted to Maureen's memory and counts on Arlene's and Jamal's companionship and support. Ursula

Emotionally, though, Wyatt isn't sure if a relationship is something he can make last—years of hiding his emotions have left him with shaky self-confidence. And when it's time to head home for the holidays, their steamy on-campus connection may not translate so well to the real world...

Relationship Status Life doesn't come with a syllabus. Together, Ethan and Wyatt are getting the hang of real life, when a new responsibility for Wyatt throws everything off balance. Ethan's doing everything he can to prove he's in this forever, while Wyatt is torn between a future with Ethan and a debt to the past. Too bad they didn't cover this in college. But only when Cai and Fen join forces can the monastery of Fara be saved from the raiders from the east. And Fara holds a secret worth guarding, a legendary amulet with the power to bind even the might of the Vikings. Fen, his heart divided between old loyalties and a new love, must make a decision which could shatter his own heart and Cai's into the bargain. So, yeah, I play Heroes of Legend, y'know, the MMO. I'm not like obsessed or addicted or anything. It's just a game. Anyway, there was

this girl in my guild who I really liked because she was funny and nerdy and a great healer. Of course, my mates thought it was hilarious I was into someone I'd met online. And they thought it was even more hilarious when she turned out to be a boy IRL. But the joke's on them because I still really like him. And now that we're together, it's going pretty well. Except sometimes I think Kit--that's his name, sorry I didn't mention that--spends way too much time in HoL. I know he has friends in the guild, but he has me now, and my friends, and everyone knows people you meet online aren't real. I mean. Not Kit. Kit's real. Obviously. Oh, I'm Drew, by the way. This is sort of my story. About how I messed up some stuff and figured out some stuff. And fell in love and stuff.

In this charming, witty, and weird fantasy novel, Alexis Hall pays homage to Sherlock Holmes with a new twist on those renowned characters. Upon returning to the city of Khelathra-Ven after five years fighting a war in another universe, Captain John Wyndham finds himself looking for somewhere to live, and expediency forces him to take lodgings at 221b Martyrs Walk. His new housemate is Ms. Shaharazad Haas, a consulting sorceress of mercurial temperament and dark reputation. When Ms. Haas is enlisted to solve a case of blackmail against one of her former lovers, Miss Eirene Viola, Captain Wyndham is drawn into a mystery that leads him from the salons of the literary set to the drowned back-alleys of Ven and even to a prison cell in lost Carcosa. Along the way he is beset by criminals, menaced by pirates, molested by vampires, almost devoured by mad gods, and called upon to punch a shark. But the further the companions go in pursuit of the elusive blackmailer, the more impossible the case appears. Then again, in Khelathra-Ven reality is flexible, and the impossible is Ms. Haas' stock-in-trade. **How to Blow it with a Billionaire Nicola Wall**
