Can the full paid-up pansy make things right with the pink-tipped hipster? Alfie Bell is . . . fine. He's got a six-figure salary, a penthouse in Canary Wharf, the car he swore he'd buy when he was eighteen, and a bunch of fancy London friends. It's rough, though, going back to South Shields now that they all know he's a fully paid-up pansy. It's the last place he's expecting to pull. But Fen's gorgeous, with his pink-tipped hair and hipster glasses, full of the sort of courage Alfie's never had. It should be a one-night thing, but Alfie hasn't met anyone like Fen before. Except he has. At school, when Alfie was everything he was supposed to be, and Fen was the stubborn little gay boy who wouldn't keep his head down. And now it's a proper mess: Fen might

have slept with Alfie, but he'll probably never forgive him, and Fen's got all this other stuff going on anyway, with his mam and her flower shop and the life he left down south. Alfie just wants to make it right. But how can he, when all they've got in common is the nowhere town they both ran away from.

## Pansies Boom! Studios

This is the FoxTales edition of the book previously published by Samhain Publishing. Other than the cover art and description, the book is the same. Hundreds of years ago, on a wild sea coast, two bold-hearted men met in combat and love... This is the story of Caius, a Christian monk struggling to reconcile his sensual nature with his newfound faith, and of Fenrir, a ferocious Viking raider abandoned by his comrades and left for dead. When Caius takes pity on the wounded man, his brethren are horrified: what kind of wolf has Cai brought

into the fold? But only when Cai and Fen join forces can the monastery of Fara be saved from the raiders from the east. And Fara holds a secret worth guarding, a legendary amulet with the power to bind even the might of the Vikings. Fen, his heart divided between old loyalties and a new love, must make a decision which could shatter his own heart and Cai's into the bargain. Will there ever be peace and a future for these brothers of the wild North Sea?

**The Affair of the Mysterious Letter** Lyn Gala

"A breathtaking tale of passion and adventure in the untamed skies " Prosperity, 1863: a lawless skytown where varlets, chancers, and ne'er-do-wells risk everything to chase a fortune in the clouds, and where a Gaslight guttersnipe named Piccadilly is about to cheat the wrong man. **The Worst Guy** Spires Story

"First rule in this line of business: don't sleep with the client." My name's Kate Kane, and when an eight-hundred-year-old vampire prince came to me with a case, I should have told her no. But I've always been a sucker for a femme fatale. It always goes the same way. You move too fast, you get in too deep, and before you know it, someone winds up dead. Last time it was my partner. This time it could be me. Yesterday a werewolf was murdered outside the Velvet, the nighttime playground of one of the most powerful vampires in England. Now half the monsters in London are at each other's throats, and the other half are trying to get in my pants. The Witch Queen

will protect her own, the wolves are out for vengeance, and the vampires are out for, y'know, blood. I've got a killer on the loose, a war on the horizon, and a scotch on the rocks. It's going to be an interesting day.

The universe is a glitterball I hold in the palm of my hand. Once the golden boy of the English literary scene, now a clinically depressed writer of pulp crime fiction, Ash Winters has given up on love, hope, happiness, and — most of all — himself. He lives his life between the cycles of his illness, haunted by the ghosts of other people's expectations. Then a chance encounter at a stag party throws him into the arms of Essex boy Darian Taylor, an aspiring model who lives in a world of hair gel, fake tans, and fashion shows. By his own admission, Darian isn't the crispest lettuce in the fridge, but he cooks a mean cottage pie and makes Ash laugh,

---

reminding him of what it's like to step beyond the boundaries of anxiety. But Ash has been living in his own shadow for so long that he can't see past the glitter to the light. Can a man who doesn't trust himself ever trust in happiness? And how can a man who doesn't believe in happiness ever fight for his own?

### Prosperity Forever

In this charming, witty, and weird fantasy novel, Alexis Hall pays homage to Sherlock Holmes with a new twist on those renowned characters. Upon returning to the city of Khelathra-Ven after five years fighting a war in another universe, Captain John Wyndham finds himself looking for somewhere to live, and expediency forces him to take lodgings at 221b Martyrs Walk. His new housemate is Ms. Shaharazad Haas, a consulting sorceress of mercurial temperament and dark reputation. When Ms.

Haas is enlisted to solve a case of blackmail against one of her former lovers, Miss Eirene Viola, Captain Wyndham is drawn into a mystery that leads him from the salons of the literary set to the drowned back-alleys of Ven and even to a prison cell in lost Carcosa. Along the way he is beset by criminals, menaced by pirates, molested by vampires, almost devoured by mad gods, and called upon to punch a shark. But the further the companions go in pursuit of the elusive blackmailer, the more impossible the case appears. Then again, in Khelathra-Ven reality is flexible, and the impossible is Ms. Haas' stock-in-trade.

I like my women like I like my whiskey: embroiled in a magical war Ten years ago I fought for the Witch Queen of London in a mystical showdown against a King Arthur wannabe with a shaved head and a shotgun. Back then, the law did for him before he could do for us. I don't think we'll get that lucky again. As if the mother of all wizard battles wasn't bad enough, fate or destiny or a god with a really messed-up sense of humor has dropped a weapon that could rewrite the universe right into the middle of London, and anybody with half a sniff of arcane power has rocked up to stake their claim on it. Last time this happened, the city went to pieces. This time, it might just go to Hell. Also, still dating a vampire. Still got an alpha werewolf trying to get in my pants. Still sharing a flat with a woman made of animated marble—only now apparently there are two of her. But you know what they say: more things change, the more they stay the same crap that's been trying to kill you your entire life. This book is approximately 96,000 words

So, yeah, I play Heroes of Legend, y'know, the MMO. I'm not like obsessed or addicted or anything. It's just a game. Anyway, there was this girl in my guild who I really liked because she was funny and nerdy and a great healer. Of course, my mates thought it was hilarious I was into someone I'd met online. And they thought it was even more hilarious when she turned out to be a boy IRL. But the joke's on them because I still really like

him. And now that we're figured out a way to together, it's going pretty well. Except sometimes I think Kit--that's his name, sorry I didn't mention that--spends way too much time in HoL. I know he has friends in the guild, but he has me now, and my friends, and everyone knows people you meet online aren't real. I mean. Not Kit. Kit's real. Obviously. Oh, I'm Drew, by the way. This is sort of my story. About how I messed up some stuff and figured out some stuff. And fell in love and stuff.

Arabella's twin brother, Mr. Bonaventure "Bonny" Tarleton, has also grown up...romantic.
