The New Global Marketing: Local Adaptation for Sustainability and Profit discusses the ways that marketing managers can assess the potential for global expansion and help their firms capitalize on opportunities. The book explores which companies and products should expand internationally, what countries offer the best opportunities, and which marketing plan will lead each product or company to success. The material adapts well-established frameworks to demonstrate how the global marketer can assess company strengths and weaknesses and analyze opportunities and risks in foreign markets. It discusses the proper balance between standardization and localization, and addresses the importance of the "triple" bottom line - environmental sustainability, social fairness, and financial performance. Students also learn about bottom-of-the-pyramid markets, the role of digital global marketing, and the importance of adapting to international political, social, and environmental pressures. Featuring more than twenty original case studies, The New Global Marketing is an excellent introduction to what it really takes to succeed as a global marketer. Written for students with some marketing education and exposure to international business, the book is ideally suited to upper-level business courses and M.B.A. programs.

Global Marketing Management Pearson Education

Global Marketing, 3rd edition, provides students with a truly international treatment of the key principles that every marketing manager should grasp. International markets present different challenges that require a marketer to think strategically and apply tools and techniques creatively in order to respond decisively within a fiercely competitive environment. Alon et al. provide students with everything they need to rise to the challenge: Coverage of small and medium enterprises, as well as multinational corporations, where much of the growth in international trade and global marketing has occurred; A shift toward greater consideration of services marketing as more companies move away from manufacturing; A shift from developed markets to emerging markets with more dynamic environments; A focus on emerging markets to equip students with the skills necessary to take advantage of the opportunities that these rapidly growing regions present; Chapters on social media, innovation, and technology teaching students how to incorporate these new tools into their marketing strategy; New material on sustainability, ethics, and corporate social responsibility—key values for any modern business; Short and long cases and examples throughout the text show students how these principles and techniques are applied in the real world. Covering key topics not found in competing books, Global Marketing will equip today’s students with the knowledge and confidence they need to become leading marketing managers. A companion website features an instructor's manual with test questions, as well as additional exercises and examples for in-class use.

International Management: Culture, Strategy and Behavior W/ OLC Card MP Macmillan College

The ultimate objective of this book is to help readers prepare for the 21st Century and become an effective manager overseeing global marketing activities in an increasingly competitive environment. Rather than being bound by the traditional bilateral (international) view of competition and marketing, Kotabe and Helsen emphasize the multilateral (global) nature of marketing. This global approach also presents marketing in a cross- functional approach to the business operation. * Global orientation- This book takes the view that the term, "global" epitomizes the competitive pressure and market opportunities from around the world and the firm's need to optimize its market performance on a global basis. * Proactive Orientation- Presents a balanced approach between an outside/in and inside/out marketing perspective.

Services Marketing: People, Technology, Strategy (Eighth Edition) Cognella Academic Publishing

The 7th Edition of Global Marketing Management prepares students to become effective managers overseeing global marketing activities in an increasingly competitive environment. The text's guiding principle, as laid out concisely and methodically by authors Kotabe and Helsen, is that the realities of international marketing are more "multilateral." Suitable for all business majors, the text encourages students to learn how marketing managers work across business functions for effective corporate performance on a global basis and achievement of overall corporate goals. Global Marketing Management brings timely coverage in various economic and financial as well as marketing issues that arise from the acutely recessionary market environment.

"All good marketing is local. Global companies know this and are going

"glocal." There is also a trend towards the Internet of Everything, which revolutionizes the whole marketing discipline. Svend Hollensen has captured all the latest trends very well with the new cases in his seventh edition of Global Marketing." Philip Kotler, S. C. Johnson & Son Distinguished Professor of International Marketing, Kellogg School of Management, Northwestern University In this era of increased globalisation, if there is one textbook that today's students and tomorrow's marketers need to read, it is Svend Hollensen's world renowned text. For over fifteen years

"Global Marketing" has been the definitive, truly international guide to marketing.

During that time, borders have become ever more transient and this book more central to the work of marketers all around the world. Now into its seventh edition, "Global Marketing" continues to be the most up-to-date and thorough text of its kind, with cutting-edge case studies and a focus on the impact of new technologies and perspectives on international marketing. This seventh edition expands on a number of new topics, including: shared economy solutions, social media, e-services and smartwatch app marketing, as well as many more. It is ideal for undergraduate and postgraduate students studying international marketing, and for any practitioners who want to take their global marketing strategies to the next level. "The world today truly is flat, and a sound global perspective is an absolute must for all students.

Svend Hollensen's Global Marketing provides a thorough and comprehensive treatment that delivers on this need." Michael R. Solomon, Professor of Marketing, Haub School of Business, Saint Joseph's University, USA, and Professor of Consumer Behaviour, University of Manchester, UK The best textbook on global marketing I have come across! The case studies, many of them available online, provide an excellent basis for class discussion. Elisabeth Gotze, Vienna University of Economics and Business Excellent level of detail in each chapter to support learning around strategic global marketing decisions. The video case studies are a huge bonus and really help to bring the subject alive. Giovanna Battiston, Senior Lecturer in Marketing, Sheffield Hallam University Key Features include: A clear part structure, organised around the five main decisions that marketing people in companies face in connection to the global marketing process End of part and end of chapter case studies helping students to understand how the theory relates to real world application Video case studies (available at www.pearsoned.co.uk/hollensen), showing how practitioners are using Global Marketing in their work About the author Svend Hollensen is Associate Professor of International Marketing at the University of Southern Denmark and has worked as a marketing consultant for several international companies and organizations.
