Car and Driver Lubricant Additives

Embrace the thundering horsepower of Firebird, Pontiac's number one performance car, in this full-color reference featuring comprehensive coverage of every Firebird built from 1967 to 2002. Owners and fans will enjoy tracking the evolution through hundreds of color photos while learning about their favorite models. More than 725 model and price listings provide vehicle descriptions, serial number explanations, original price and weight charts, equipment and available production data, engine details, historical facts, VIN information,

and collector values for 1967 to 1995 models. The pricing section uses the Old Cars Price Guide's 1-to-6-price condition rating scale. All Firebird models are covered, including base Firebird, Firebird 326, Formula Firebird, Firebird 400, Ram Air 400, Esprit, Trans-Am, and SLP Bandit, Firehawk series, and more.

How to Tune and Modify Your Camaro, 1982-1998 McFarland
The truck's role in American society changed dramatically from the 1960s through the 1980s, with the rise of off-roaders, the van craze of the 1970s and minivan revolution of the 1980s, the popularization of the SUV as family car and the diversification of the pickup truck into multiple forms and sizes. This comprehensive reference book follows the form of the author's popular volumes on American cars. For each year, it provides an industry overview and, for each manufacturer, an update on new models and other news, followed by a wealth of data: available powertrains, popular options, paint colors and more. Finally, each truck is detailed fully with specifications and measurements, prices, production figures,

standard equipment and more.
