Considered the gold-standard in GMAT test prep, Manhattan GMAT's ten strategy guides are the first books on the market to be aligned with the GMAC Official Guide, 2015 and 13th Editions. Fully updated and revised to deal with recent changes to the GMAT, they were designed with a content-based approach. The Reading Comprehension Guide empowers students to tackle puzzling questions about difficult reading passages on the GMAT. It teaches how to peel back layers of complicated wording to make sense of confusing content and find proof for the correct answer

quickly. Unlike other guides that attempt to convey everything in a single tome, the Reading Comprehension Strategy Guide is designed to provide deep, focused coverage of one specialized area tested on the GMAT. As a result, students benefit from thorough and comprehensive subject material, clear explanations of fundamental principles, and step-by-step instructions of important techniques. In-action practice problems and detailed answer explanations challenge the student, while topical sets of Official Guide problems provide the opportunity for further growth. Used by itself or with other Manhattan GMAT Strategy Guides, the Reading Comprehension Guide will

help students develop all the knowledge, skills, and strategic thinking necessary for success on the GMAT. Purchase of this book includes one year of access to Manhattan GMAT's online computer-adaptive practice exams and Reading Comprehension Question Bank. All of Manhattan Prep's GMAT Strategy Guides are aligned with both the 2015 Edition and 13th Edition GMAC Official Guide.

GMAT Critical Reasoning Simon and Schuster

Students preparing to take the GMAT will find that this book gives the help they need to excel on the test's math section. Separate chapters review the fundamentals of arithmetic, algebra, and

geometry. Another chapter gives special attention to the test's often-perplexing word problems, with advice on translating a problem's words into a specific equation. A final chapter focuses on the data sufficiency question type, which is new to many test takers. Every chapter in the book is filled with plenty of practice problems and detailed solutions. Two full-length model tests are included for further practice. The author also offers helpful advice on test preparation and test-taking tips and strategies.

GMAT Official Guide Quantitative Review 2022

Manhattan Prep

The only book published by a major test prep

company dedicated to explaining quantitative practice problems in the 2015 and 13th Editions Official Guide for GMAT Review, the Official Guide Companion is an essential tool for test-takers of all ability levels. This book is designed to be used in conjunction with the Official Guide for GMAT Review, 2015 and 13th Editions. In the Official Guide Companion, each math question is broken down and explained by our expert instructors, who not only have 99th percentile scores, but years of experience teaching the GMAT. The explanations in this book provide detailed, step-by-step approaches to every Problem Solving and Data Sufficiency question in the Official Guide. Where appropriate, The Official Guide Companion also details more than one way to arrive at the solution. And perhaps most importantly, all explanations are accessible and provide a framework for answering the

particular question as well as similar questions you may see on the real test. Purchase of this book includes one year of online access to 6 full-length, computer-adaptive practice exams and GMAT Navigator.
