A practical guide to overcoming fear from the daredevil who has walked on a tightrope across Times Square

and the Grand Canyon. Nik Wallenda is a seventh-generation member of the Flying Wallendas, a circus

family known for performing dangerous feats without safety nets. Nik is known for his daring televised

tightrope walks over Niagara Falls, the Grand Canyon, Times Square, and an active volcano. Nik has been

walking the wire since he took his first steps, but he had never experienced fear until a tragic accident in 2017.

The eight-person pyramid he and several members of his family were practicing collapsed, and five of its

members fell thirty feet to the ground. While severely injured, they all survived miraculously, but the accident

changed Nik ' s life forever. For the first time he felt overwhelming fear, and Nik had to find it in himself to

move on, release the past, and get back out on the wire. Most of us will never walk a tightrope, but we face

things that scare us every day. Whether putting ourselves out there socially or seeking a dream job, all of us

allow anxieties and fears to hold us back. In Facing Fear, you will: Discover how to overcome lifelong areas of

personal fear Understand the importance of dealing with trauma to fully heal and move forward Gain the

determination to pick yourself up, grow in faith, and purposely walk toward success one step at a time Facing

Fear weaves parts of Nik ' s personal story of the accident and how he conquered his fear with practical

advice to help you overcome whatever fears are holding you back. This practical book will help you step out

in faith and trust that God will hold you steady, even when you're afraid.
