Denali Haynes Repair Manual  
Detroit Iron  
As U.S. and Canadian  
automakers and dealers face  
bankruptcy and Toyota  
battles unprecedented quality-  
control problems, Lemon-  
Aid guides steer the confused  
and anxious buyer through  
the economic meltdown  
unlike any other car-and-  
truck books on the market.  
Phil Edmonston, Canada's  
automotive "Dr. Phil" for  
more than 40 years, pulls no  
punches. In this all-new guide  
he says: Chrysler's days are  
numbered with the dubious

help of Fiat. Electric cars and  
ethanol power are PR  
gimmicks. Diesel and natural  
gas are the future. Be wary of  
"zombie" vehicles: Jaguar,  
Land Rover, Saab, and Volvo.  
Mercedes-Benz -- rich cars,  
poor quality. There's only one  
Saturn you should buy.  
Toyota -- enough apologies:  
"when you mess up, 'fess up."

Advertising Strategy

provides students with the experience of an actively teaching professor at one of the top advertising programs in the country and a working creative director/agency principle.

Altstiel and Grow get right to the point by stressing key

principles, illustrating them, and then providing practical information students and working professionals can use. Unlike many books that focus on only work created for large consumer accounts by mega agencies, this text also covers business-to-business, in-house, and small agency work. Key Features: - Up-to-date examples: over half were produced in the last two years. - Writing for the Internet/Interactive Marketing: the most comprehensive and up to date general copywriting text

that covers the Internet - Diversity discussion: a whole chapter is devoted to these issues, plus examples and case histories related to issues of diversity are woven throughout the text. - War Stories: the authors tracked down some of the hottest professionals in the business and their anecdotes bring real world experience into each chapter. They are part case history, part lessons-to-be-learned and sometimes, very funny. - Words of Wisdom: timely quotes from some of the most influential people in our business, past

---

and present. These quotes bring key points to life in every chapter. - Who's Who: short biographies of people mentioned in the book. Located at the end of each chapter, these blurbs sometimes include very personal information provided directly by these people.
