Math Mammoth placement tests for grades 1-7 (free math

assessment) These free diagnostic tests help you discover your child or student's level in math, and to find out EXACTLY where they have gaps (if any). They are end-of-the-year (EOY) tests — in other words, meant to be taken AFTER studying the particular grade.

Go Math! / Kindergarten Math To teach kindergarten math, I use a guided math format. Let's break down what is guided math, how to get started, and how to set up a system that works for you and ideas on how to think outside of your current curriculum. Teaching math in small groups like this has

---

become my go-to way of teaching kindergarten math and I won't go back to doing it only whole group.
