## Grade 4, Mrs. Beers / Go Math

Being that GO MATH is a new series, please be reminded that this scope and sequence is to be used as guide. Feel free to tweak it to best suit your classroom's needs. For now, benchmark and assessment dates were left blank. Grade-level teachers are encouraged to work together to decide on those dates.

Use assessment one as a pretest, assessment two as a practice

page and assessment three as a post test. Use two as practice pages and one as an assessment. Use one as a guided lesson, one for homework, and one as a formal assessment. Use each to check student level of understanding and then use that information to form guided math groups.
