The online help was for entire grade level. However we found it wasn't as helpful as expected it to be. We used

this for 5th grade math and found it be be very overloaded and complicated to use .

Students, Teachers, and Administrators - ThinkCentral

Students in fifth grade are expected to perform calculations with fractions and decimals, and also deepen their understanding of space as they learn more about volume. Our high-quality, curriculum-based games encourage kids to regularly review and develop these key skills!

Go Math Think Central – Penn Cambria School District

The GO Math! school program is used by more than seven million students worldwide. Aligned with the goals of the Common Core State Standards, the trusted GO Math! curriculum forms the basis of our Go Math! Academy at-home learning program.
