This pacing guide was created as a general framework of concepts and skills to be taught in each grading period at this grade level as specified in the Texas Essential Knowledge and Skills. This guide is not a resource for teaching mathematics on a daily basis.

Go Math Pacing Guide

The YAG is only a recommended pacing guide; school leaders and teachers make the final decision regarding the pacing of any program of study. The classroom teacher is always the best source of

information regarding content and pacing. The YAG is supplied as a model of one recommended path to the completion of a course.
