Gods at War illustrates a clear path away from the heartache of our 21st century idolatry back to the heart of God--enabling us to be completely committed followers of Jesus. What do Netflix, our desire for the corner office, and that perfect picture we just posted on Instagram have to do with each other? None of these things is wrong in itself. But when we begin to allow entertainment, success, or social media to control us, we miss out on the joy of God's rule in our hearts. In Gods at War, Pastor Kyle Idleman, bestselling author of Not a Fan,

helps every believer recognize there are false gods at war within each of us, and they battle for the place of glory and control in our lives. According to Idleman, idolatry isn't an issue--it is the issue. And he reveals which false gods each of us are allowing on the throne of our lives, by asking insightful questions such as: What do you sacrifice for? What makes you mad? What do you worry about? Whose applause do you long for? We're all wired for worship, but we often end up valuing and honoring the idols of money, sex, food, romance, success, and many others that keep us from the intimate relationship with God that we desire. In this updated edition,

Pastor Kyle adds a new introduction as well as new content about the battle many of us face with technology--whether we are tempted to send just one more text, stay online when our bodies need rest, or find ourselves putting email before in-person relationships. How can we seek God with our whole hearts instead? Spanish and student editions also available.

Infanticide. Holy war. Divine wrath. Violence in the Old Testament has long been a stumbling block for Christians and skeptics alike. Yet conventional efforts to understand this violence- whether by downplaying it as allegory or a relic of primitive cultures, or by dismissing the authority of Scripture altogether-tend to raise more questions than they answer. God Is a Man of War offers a fresh interpretation of Old Testament accounts of

violence by exploring them through the twofold lens of Orthodox tradition and historical context. Father Stephen De Young examines what these difficult passages reveal about the nature of Christ and His creation, bearing witness to a world filled not only with pain and suffering-often of human making-but also with the love of God. **Islam Prophecy and the Bible** Penn State Press The author looks at spiritual warfare and shows how,

from Satan's creation to his ultimate defeat at Calvary, Jesus Christ has been absolute victor over the devil. Our task, as believers, is not to fight Satan, but to consistently believe that Jesus completely defeated him.

David shows all that is in
his heart to the LORD
God, and accepts the
blessing God offers; by
submitting and expressing
appreciation to God,
which is to establish his
throne forever! Then went
King David in (to the
tabernacle, where the Ark
was kept?), and sat
before the LORD, and he
said, who am I, O Lord
GOD (that God would

take time out from running
the universe to consider
me)? And what is my
house that thou hast
brought me hitherto (or to
this place of honor)? And
this was yet a small thing
in thy sight (or not a
difficult thing at all for you
to do), O Lord GOD; but
thou hast spoken also of
thy servant's house for a
great while to come
(eternity, in fact, is what
the LORD God said!). And
is this the manner of man
(or is this what God have
in store (or the final state)

for man?), O Lord GOD?
And what can David say
more unto thee? for thou,
Lord GOD knows thy
servant. For thy word's
sake, and according to
thine own heart, hast thou
done all these great
things, to make thy
servant know them (these
great things). Wherefore
thou art great, O LORD
God: for there is none like
thee, neither is there any
God beside thee,
according to all that we
have (learned and,) heard
with our ears. And what

one (or other?) nation in the earth is like thy people, even like Israel, whom God went to redeem for a people to himself, and to make him a name, and to do for you great things and terrible (or awesome things?), for thy land, before thy people, which thou redeemedst to thee from Egypt (or the heathen world), (and) from the (other?) nations and their gods (or false gods and idols!)? For thou hast confirmed to thyself thy people Israel to be a

people unto thee forever: and thou, LORD, art become their God (forever?). -2 Samuel 7:18 through 7:24

The Arian Christian Bible reflects the beliefs of Arian Christians. (The word 'Arian' should not be confused with the with the word 'Aryan' or racist 'Aryan' beliefs) Arian Christians believe that Jesus' highest teachings are contained in the New Testament in Jesus' own words as reported by the Gospels of Matthew, Mark and Luke (The Arian Christian Bible). The namesake of these beliefs, St Arius of Alexandria, rejected the politically generated divinity of Jesus

that was imposed by the Council of Nicaea, which was convened at the behest of Roman Emperor Constantine I in 325 AD. The purpose of this Council was to bring the structure of the Christian Church into conformity with the structure of the Roman Empire as the State Religion, that is; one religion, the Catholic (universal) Church; one theology, the Holy Trinity; and one religious leader, the Pope, and to form a basis for the suppression of other brands of Christianity. Arius opposed these measures.

The Arian Christian Bible is a 'must have' for all true Christians.

YEHOVAH gave us the holy Law for a purpose. That purpose is to create a righteous people who will draw close to Him. When YEHOVAH created the nation of Israel He created a Common Wealth with a Law to govern it. While on earth, Yeshua was anointed to become both King and Priest over Israel. Now, instead of the sons of Aaron and the sons of David, Yeshua

presides over the Law of Israel. Initially the Law was weak in that it could not change the nature of man so man would continue to sin. Through the resurrection, Yeshua was able to correct the weakness in the Law allowing man's sinful nature to be corrected. The Church has skewed the Gospel message by doing away with the Law, but the Law is actually an integral part of the Gospel. In order to understand why Christianity abandoned the Law Church's history will be explained in the light of Bible prophecy. Many of the arguments for doing away with the Law will be dispelled and many sacred-pillars will be cast

down. The Kingdom of YEHOVAH, like all kingdoms, is a Kingdom of Law. If we are going to be part of His Kingdom then we have to be a lawful people embracing His Law, not doing away with it.

Spiritual warfare is a reality that faces Christians every day. Their daily walk with the Lord and fight with Satan affects every aspect of their life: their personal

victory, the state of their families, their interaction with the world around them, and their ultimate service and performance on earth. Every Christian finds himself harassed and under the relentless hand of the enemy. Spiritual casualties surround us on every side. Luke warmness, defeat, and compromise seem to be the order of day. Deep within the heart of every true Christian stands a hunger to please his Master. This book focuses on that deep cry-the spiritual seed within. It equips the child of God and steadies him to a life of spiritual fulfillment in Christ as he fights and wins spiritual battles. Nobody is born a natural spiritual fighter. Like any army which recruits soldiers and trains them before releasing them to the battle field, the Christian soldier likewise has to be trained. His training is crucial knowing that the enemy he is fighting does not give him a chance to train before launching his attacks. Prayer and Spiritual Warfare equips and encourages the believer to effectively stand against the deceptive schemes of Satan by applying scriptural truths. It teaches the nature of the spiritual battle, what it takes to win battles, and weapons that are used to fight in this warfare. It trains God's soldiers to receive and obey orders from the war General-God. It discloses the deceptive schemes of the enemy and equips believers to deal with opposition and stand their ground in battle. It exalts Christ and points to His role in spiritual warfare. It weaves practical modern day- 21st century- struggles that face Christians and the

church as a whole with scriptural truths of God's Word to combat spiritual apathy. Yes! Christians can fight the enemy with courage and be the light of the world today.

Satan and the Problem of Evil
InterVarsity Press

The challenge of a seemingly genocidal God who commands ruthless warfare has bewildered Bible readers for generations. The theme of divine war is not limited to the Old Testament historical books, however. It is also prevalent in the prophets and wisdom literature as well. Still it doesn't stop. The New

Testament book of Revelation, too, is full of such imagery. Our questions multiply. Why does God apparently tell Joshua to wipe out whole cities, tribes or nations? Is this yet another example of dogmatic religious conviction breeding violence? Did these texts help inspire or justify the Crusades? What impact do they have on Christian morality and just war theories today? How does divine warfare fit with Christ's call to "turn the other cheek"? Why does Paul employ warfare imagery in his letters? Do these texts warrant questioning the overall trustworthiness of the Bible? These controversial yet theologically vital issues

call for thorough interpretation, especially given a long history of misinterpretation and misappropriation of these texts. This book does more, however. A range of expert contributors engage in a multidisciplinary approach that considers the issue from a variety of perspectives: biblical, ethical, philosophical and theological. While the writers recognize that such a difficult and delicate topic cannot be resolved in a simplistic manner, the different threads of this book weave together a satisfying tapestry. Ultimately we find in the overarching biblical narrative a picture of divine redemption that shows

the place of divine war in the salvific movement of God. Wipf and Stock Publishers In February 2004, Denver Seminary's annual Biblical Studies conference addressed the question of modern war and the teachings of biblical ethics regarding it. The conference was envisioned as a collaborative effort between the Association for Christian Conferences, Teaching, and Service (ACCTS), and the Biblical Studies division of Denver Seminary. A year earlier, the invasion of Iraq had taken place. The

questions created by the outbreak of war prompted an urgency in the consideration of the topic. ACCTS, which sponsors international symposia in military ethics with officers from armed forces around the globe, provided ethicists and practitioners from within the military of both the U.S. and Great Britain. Hess and Martens also solicited papers from leading theologians and advocates representing pacifist and just-war views. They have succeeded in bringing together in this fine volume a

group of Christians representing a wide range of perspectives to debate and discuss their heritage and biblical roots with regard to questions of war and its ethical dilemmas.

The Acts of Paul and Thecla was written around 150 CE when there was a growing body of work attributed to the apostle Paul. Owing to the abrupt beginning of the work it is

thought The Acts of Paul and Thecla was part of a larger texts and was extracted to form a stand alone work. Reasons given for its omission from the Bible are numerous. It was thought to have been written after the apostolic age; it gives high and powerful position to women in the faith; it urges women to withhold sex from their husbands and live chaste lives. Within its storyline Thecla seems to eclipse Paul in her courage and

commitment to the spread of the Gospel. The text presents an unwavering stance on the virtue of celibacy preached by Paul and amplified by Thecla. In addition, Thecla is presented as a strong willed woman who took it upon herself to preach, teach, heal, and baptize, all without permission or oversight from a man. In the age when canon was being decided, women in positions of leadership within the church was an anomaly, and the idea that

a wife could decide her own fate, and even withhold sex from her husband was looked on as heresy and insolence. These were social constraints, which tainted the interpretation of scripture, both then and now. We will examine the true place of women in the Bible and how translators diminished the place and accomplishments of women by mistranslating words and phrases. We will look at the true meaning of many Bible

verses as well as the complete text of Paul and Thecla, with an eye toward how women were a driving force in religion and family in the early church. In the end, a more true and just vision of women of the Bible and of ancient times will be revealed.

The Tabernacle, Temple, and Sanctuary: The Book of Numbers Zondervan
Initially it was not my intention to write a book, I was just looking for answers. Answers to questions I had after my

involvement as an infantry paratrooper with the 101st Airborne during the Vietnam War. And my life after death experience after I was stung by Giant Black Wasps went into anaphylactic shock and flat lined. I suffered a cardiac arrest and complete repertory failure. I was later able to relate procedures the medical staff used to resuscitate me while I was dead. I don't have to wonder about life after death, I know. Things To Come will give the reader a thorough understanding of what the Bible says and what

Christianity means for a believer. The book is divided into six sections; The Covenants, covers God's Covenants, His chosen people and God's will for mankind. The Holy Spirit, whom the Father sent to us after Christ's assentation, details the twelve current ministries of the Holy Spirit in our lives. The Prince of Darkness explains Satan's role in everyday life. Satan is not omnipresent so he cannot possible involve himself in the daily affairs of eight billion people. God's Providential involvement in

everyday life is revealed in the 4th chapter. The Tribulation and the Rapture addresses the final eventual battle between good and evil; Christianity and Islam. The final chapter The Alpha and the Omega specifies the personal relationship a believer has with Christ. Things To Come is a very good book for anyone that desires a deep understanding of Scripture and either does not have the time for daily reading of Scripture or finds the Bible hard to understand. A word about PTS (PTSD), there is no D, PTS is not a disorder. PTS is natural reaction of stress experienced after a person is exposed to a traumatic event. Many people suffer from PTS, it can be the result of a rape, an assault, the loss of a spouse, a child, a sibling, witnessing a horrific event or an accident. What makes PTS different for soldiers is that they are subject to frequent traumatic events over a long period of time. People respond differently to traumatic events, some are more resilient than others. Frequency, duration, and the extreme nature of the event all play a role in recovery. A major component of PTS is the moral dissonance we experience. The event can completely destroy our belief system, the ideas we held that made sense of the world we live in. At any point in time we are a summation of what we know and the experiences we have gone through. Events and information change how we see the world and in effect change who we are. A traumatic event can be so life changing that we are in effect a different person and

after a traumatic event, the new you. In order to recover from PTS, it is imperative we reconstruct a new belief system that encompasses our new reality and the new you. In *Just War*, I (Tom Newman) recount the events that destroyed my worldview and fundamentally changed the person I was. The Company I was with in Vietnam experienced a 97 percent casualties and fatalities. Within my first 30 days in country we had a friendly fire incident that killed eleven and severely wounded nineteen of my

fellow troopers. I also witnessed the aftermath of the regular assassination of four year old children. Additionally, when we retook the city of Hue we found the shallow graves of 2,800; judges, doctors, clergy, policeman, and politicians, anyone that could organize a resistance against the communists. It was a very long process for me to make sense of my new realities and the new me. My other book; *A Brief History of the Bible' Things To Come*, is the information I needed to reconstruct a new worldview

bases on my experiences and the new person I had become. If you want to get your life back after suffering from PTS, it is imperative you find a new worldview for the new you.
