Studying doctrine for the Christian often feels like watching a construction crew build a foundation. There seems to be a great amount of activity, but the results don't appear visible. Just like the foundation is essential for the stability of a building, studying theology is crucial to the long-term stability of the believer. The goal of this study is to provide you with the basics of biblical doctrine to make sure your foundation is sound. At times this will feel like the difficult work of laying an unseen foundation for a building. At other times, however, it will feel like we are soaring to great heights as we explore the breadth and length and height and depth of our faith. During the course of this study, we will consider the questions: Why study theology? Who is God? Who am I? What is the church? Where do I go when I die? Why do other people believe differently?

Why do Christians desire to talk about their beliefs? Jesus said, "And this gospel of the kingdom will be proclaimed in the whole inhabited earth for a testimony to all the nations, and then the end will come." (Matt 24:14) This is the assignment that all Christians are obligated to play a role in. Jesus also said, "You shall love your neighbor as yourself." (Matt. 22:39) Jesus commanded that we "go therefore and make disciples of all nations, baptizing them" and "teaching them to observe all that I have commanded you." (Matt. 28:19-20) If one failed to be obedient to the great commission of Matthew 28:19-20, it could hardly be a genuine faith. All true Christians have a determination to imitate God, which moves us to persist in reflecting his glory through our sharing of the good news with others. Within the heart of each true Christian, is the desire is that we "love the Lord your God with all your heart and with all your soul and with all your mind." (Matt 22:37) If this is the case, we too will be patient, not wishing that any should perish but that all should reach repentance.' (2 Pet 3:9) For the genuine Christian, "for out of the abundance of the heart his mouth speaks." Luke 6:45

God's Work & Ours in Proclaiming His Word Crossway

The Holy Bible refers to Jesus of Nazareth as the Great Shepherd. The goal here is to examine the person and ministry of the Lord

Jesus Christ. Admittedly, this book was written for Christians, but especially poor, weak, and troubled Christians. If you do not fit this description, or if you happen to be an unbeliever or skeptic, you are still invited (even enthusiastically encouraged) to read on, for in hearing about the greatness and tender love of our wonderful Shepherd, you may find yourself returned to him. This work contains four sections. The first part, consisting of five chapters, covers the person of Jesus Christ. This is not a biography, but rather a look at both the humanity and divinity of Jesus of Nazareth. The second part consists of seven chapters and examines the work and ministry of Jesus Christ. This deals with what Christ accomplished on the cross, and what he is doing at present. The third part looks at a few notable biblical phrases that concern both his person and his work. And, finally, the fourth part considers some unusual words that Jesus himself spoke. Every chapter is about Jesus Christ. Topics include the following: ?his human and divine nature ?his office of Advocate, High Priest, and Shepherd ?his position as King and Judge ?his work of making us acceptable to God ?his special name, The Lord Our Righteousness ?his role as the Stumbling Stone ?his use of parables and questions ?verification of his truthfulness ?and more

This book is Sally Stanley's incredible journey and amazing testimony of God giving her "The Power To Go On." Stricken with a staph infection which produced large painful sores all over her body, she was rushed into surgery, where the surgeon accidentally severed the main artery to her heart, causing blood to flood her chest cavity, which resulted with her dying on the operating table. This resulted in her "after death or out-of-body experience" and miraculous encounter with The Lord, as He spoke these marvelous words, "You have been chosen by God and your work is not finished." Upon her immediate restoration, she spent weeks on a ventilator and had several months of physical therapy. Over the next several years, Sally has experienced and recovered from a fractured vertebrae,

several strokes, and heart attacks. During this time period she also cared for her husband John, after he experienced seizures and strokes, which finally lead to his death on December 12, 2013. Then in May of 2014, while walking in a pedestrian crosswalk, she was suddenly hit by an automobile, suffering multiple injuries, including a shattered right shoulder and broken neck. Sally tells everyone that over the past 20 years, many miracles have happened in my life, but faith in Christ has given me "The Power To Go On." "I hope that everyone who reads this book will understand that with God, all things are possible. It is so great to know that we have Jesus walking with us each and every day."

"It was the best of church, it was the worst of church..." [not Charles Dickens] In some ways, the church has a horrendous track record and is deserving of much of the hate, accusation and mistrust it has received. But, in many other ways, the church has also been monumental in affecting great systemic change, being first on the scene in crisis and on the forefront of reaching out to and loving well those considered the least of these. To those of you who believe church is the worst thing ever: You're right! To those of you who believe church is the best thing ever: You're right! The church was God's idea and it is the plan He has chosen to bring transformation to a world desperately in need of a deeper experience of His love. He doesn't appear to have a plan B. We are it! I call this book, 'i, church' because more than a building or a meeting or a list of do's and don'ts, the church is about the people. It is about me. And it is about you. If you love Jesus and have chosen to follow Him, then you are the church. Let's figure out together how to be the best church we can be. "Brett Anderson weaves a picture of the church that is stark and real. He sees through church politics and denominational blinkers and defines the core of what the church is and isn't and what God desires it to be." New York Times bestselling author of *The Prodigal Prophet* Timothy Keller shows how God calls on each of us to express meaning and purpose through our

work and careers. "A touchstone of the [new evangelical] movement." —The New York Times Tim Keller, pastor of New York's Redeemer Presbyterian Church and the New York Times bestselling author of *The Reason for God*, has taught and counseled students, young professionals, and senior leaders on the subject of work and calling for more than twenty years. Now he pulls his insights into a thoughtful and practical book for readers everywhere. With deep conviction and often surprising advice, Keller shows readers that biblical wisdom is immensely relevant to our questions about work today. In fact, the Christian view of work—that we work to serve others, not ourselves—can provide the foundation of a thriving professional and balanced personal life. Keller shows how excellence, integrity, discipline, creativity, and passion in the workplace can help others and even be considered acts of worship—not just of self-interest.

Connecting Your Work to God's Work Multnomah
Set in Africa with footholds in archaic Ethiopia and once resplendent Ethiopia, this compelling story describes WHY Christianity is exploding in Africa and below the equator. The book details staggering predictions for religion in Africa and the entire world. Not only are the spiritually aware finding Him, but He is rallying the skeptical and lost with visions and dreams and a dedicated missionary force that attest to the reality of modern-day revelation and a loving God who wants His children home. Seen through the eyes of a reluctant lady missionary, this is a humorous story of Sondra who initially rejects a calling to serve in Africa with her husband, incorrectly describing the continent as "backwards, with endless desert, hyenas lying dead in mud holes and Zulus that are still angry" and declares she is not going. Akin to Jonah who landed in the whale's belly or the struggling archetypal hero, the recalcitrant missionary ultimately discovers the amazing and enterprising ways that the Lord spreads his Restored Gospel and what part she plays in it. ...[C]oncern about the [inherited doctrine of vocation and its relevance for modern life] was generated out of the complexities and frustrations especially of industrial life, and it has produced a voluminous literature of a popular and semi-popular kind which has served to drive home the problem of daily work upon the conscience of contemporary Christians, and also to provide certain resources for handling it. In addition to this varied literature, the last years have also seen a very general discussion of the question at every level of church life: in ecumenical conferences, in the curricular material of the major denominations, and in conferences and study groups of all kinds. About the urgency and importance of the problem of vocation there is now no doubt. But now we find that the rather simple formulae in which we have been dealing with it do justice neither to the Biblical and Reformation inheritance, nor to the profound dilemmas that appear not only in industry, but in every area of professional and commercial life. The problem now is not only to equip our lay-people with fuller theological resources for the understanding of the meaning of discipleship, but to utilize their practical experience of day-to-day dilemmas and day to-day decisions. ...Gustaf Wingren's conscientious analysis of Luther's teaching on the matter...remains our prime resource for the understanding of the relation of faith and works. Nothing could exceed the patience and thoroughness with which Wingren has combed through the Luther corpus....

[I]t will serve to put the full range of Luther's insight at the disposal of those who care for theology as part of their care of all the Churches. Alexander Miller

Family Vocation Createspace Independent

What does it mean to be called as a husband, a wife, a parent, a child? How does the grace of the gospel impact how we carry out our particular calling? How does God's presence influence the struggles that families face? Gene Veith joins forces with his daughter Mary Moerbe to explore these kinds of questions as well as the roles of calling and vocation in family life. Though we have little control over who is in our family (other than choosing a spouse and deciding to have children), God has placed us with specific people for specific reasons. Veith and Moerbe show how our roles are distinct and important to God's plan for our lives—and that when we have a biblical understanding of those roles in our families, we can move away from common dysfunctions and toward forgiveness and healing. Writing with sensitivity and wisdom, Veith and Moerbe address the common problems facing contemporary families: the crosses, the weaknesses, and the uncertainties. They articulate a compelling, biblical paradigm for creating and sustaining loving and forgiving families who maintain hope in the face of cultural pressure. This book is an important resource for all Christians, including pastors, counselors, and those working in family ministry.
