God Makes No Mistakes Simon and Schuster
From the author of the bestselling novel The Shack and the New York Times bestsellers Cross Roads and Eve comes a

compelling, conversational exploration of twenty-eight assumptions about God—assumptions that just might be keeping us from experiencing His unconditional, all-encompassing love. In his wildly popular novels, Wm. Paul Young portrayed the Triune God in ways that challenged our thinking—sometimes upending long-held beliefs, but always centered in the eternal, all-encompassing nature of God ’ s love. Now, in Wm. Paul Young ’ s first nonfiction book, he invites us to revisit our assumptions about God—this time using the Bible, theological discussion, and personal anecdotes. Paul encourages us to think through beliefs we ’ ve presumed to be true and consider whether some might actually be false. Expounding on the compassion fans felt from the “ Papa ” portrayed in The Shack—now a major film starring Sam Worthington and Octavia Spencer—Paul encourages you to think anew about important issues including sin, religion, hell, politics, identity, creation, human rights, and helping us discover God ’ s deep and abiding love.

Scripture reveals a God who meets us where we are, not where we pretend to be. No More Faking Fine is your invitation to get honest with God through the life-giving language of lament. If you've ever been given empty clichés during challenging times, you know how painful it is to be misunderstood by well-meaning people. When life hurts, we often feel pressure--from others and ourselves--to keep it together, suck it up, or pray it away. But Scripture reveals a God who lovingly invites us to give honest voice to our emotions when life hits hard. For most of her life, Esther Fleece Allen believed she could bypass the painful emotions of her broken past by shutting them down altogether. She was known as an achiever and an overcomer on the fast track to success. But in silencing her pain, she robbed herself of the opportunity to be healed. Maybe you've done the same. Esther's journey into healing began when she discovered that God has given us a real-world way to deal with raw emotions and an alternative to the coping mechanisms that end up causing more pain. It's called lament--the gut-level, honest prayer that God never ignores, never silences, and never wastes. No More Faking Fine is your permission to lament, taking you on a journey down the unexpected pathway to true intimacy with God.

Drawing from careful biblical study and hard-won insight, Esther reveals how to use God's own language to come closer to him as he leads us through our pain to the light on the other side, teaching you that: We are robbing ourselves of a divine mystery and a divine intimacy when we pretend to have it all together God does not expect us to be perfect; instead, he meets us where we are There is hope beyond your heartache, disappointment, and grief Like Esther, you'll soon find that when one person stops faking fine, it gives everyone else permission to do the same.

Gonna Lay Down My Burdens Our Sunday Visitor

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“ Law 1: Never Outshine the Master ”), others

teach the value of confidence (“ Law 28: Enter Action with Boldness ”), and many recommend absolute self-preservation (“ Law 15: Crush Your Enemy Totally ”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

How to Make the Right Decision Every Time Peeters Publishers

The astonishing, Job-like story of how an existence filled with loss, suffering, questioning, and anger became a life filled with shocking and incomprehensible peace and joy. Vaneetha Risner contracted polio as an infant, was misdiagnosed, and lived with widespread paralysis. She lived in and out of the hospital for ten years and, after each stay, would return to a life filled with bullying. When she became a Christian, though, she thought things would get easier, and they did: carefree college days, a dream job in Boston, and an MBA from Stanford where she met and married a classmate. But life unraveled. Again. She had four miscarriages. Her son died because of a doctor's mistake. And Vaneetha was diagnosed with post-polio syndrome, meaning she would likely become a quadriplegic. And then her husband betrayed her and moved out, leaving her to raise two adolescent daughters alone. This was not the abundant life she thought God had promised her. But, as Vaneetha discovered, everything she experienced was designed to draw her closer to Christ as she discovered "that intimacy with God in suffering can be breathtakingly beautiful."

When bestselling author Joyce Meyer posted "God's not mad at you" on Facebook, she didn't anticipate that her words would trigger thousands of responses of gratitude and relief. Apparently many Christians struggle to reconcile their perception of God as both a loving parent and a stern judge. In GOD IS NOT MAD AT YOU, Joyce will help those who haven't truly received God's love because they are afraid of His anger and disapproval. She explores the source

of this confusion, so His genuine character can be better understood and His love can be experienced on an entirely new level. Chapter titles include: * Perfectionism and Approval * The Pain of Rejection * Guilt and Shame * Developing Your Potential * Run to God, Not from Him * Getting Comfortable with God "It is important for us to remember that God's anger is directed toward our sinful behavior rather than toward us. If you feel guilty right now and are afraid that God is mad at you, then you are miserable. But your misery can be immediately changed to peace and joy by simply believing God's Word. Believe that God loves you and that He is ready to show you mercy and forgive you completely. Believe that God has a good plan for your life. Believe that God is not mad at you!" --Joyce Meyer

What do you do if you are an evangelical Christian, politically conservative AND transgender? Evangelical Christians are often attacked by the Left. People who are

transgender are often attacked by the Right. It's human nature to align with those who share our world view, and dismiss those who don't. There is a struggle going on in our culture that produces more victims than champions--we all seem to agree on that. The growing divide between the political, ideological Left vs Right and Religious vs Secularist is so sharp that even attempting to bridge the gap is a perilous endeavor. But what happens to the people who are scorned by both sides? Shut out by the Left for their conservative views. Rejected by Christians for being transgender. Meet Laurie Suzanne Scott. She is, indeed, both an evangelical Christian and transgender. Raised in a devoutly Christian home, she endured the unbelievably difficult and complicated odyssey of finding her identity as a woman ...without losing her identity in Christ. A journey she barely survived. In "God Doesn't Make Mistakes: Confessions of a Transgender Christian" Laurie tells her story of growing up playing a role as unnatural to her as the body she was born with. She was a living, breathing dichotomy... and there was no one who could understand. She had no choice but to keep up the pretense and keep it a secret. She became a

good son. A good Christian. And eventually even a good husband. She knew if her true identity became known, she would lose everything. E.V.E.R.Y.T.H.I.N.G. So, she kept her secret from everyone. But she knew there was no keeping it from God. Raised with a doctrine she believed condemned her, she decided the only way out of her constant misery was to end her life. "Who would even want to stop me?" "Wouldn't it be easier for everyone this way?" It was at that desperate crossroad she heard the voice of God simply say, "You're okay." Since that day, God has led her on a path to heal her deep wounds of rejection by family as well as other Christians, and make peace with the way she was created. "I thought God would be the first to reject me. But, in fact, He was the first to accept me." Now Laurie reaches out to Christians who are transgender, who are still struggling to believe God loves them for who they are... just as they are. It's a difficult and often emotionally exhausting ministry. Equally important are the efforts to help the Church see their Christian brothers and sisters who are transgender as simply, their Christian brothers and sisters. Nothing more, and nothing less. And finally, she shares the much needed

message that God doesn't make mistakes, and it IS possible to be a conservative, a Christian, and transgender.
