"Mere Christianity" is the most popular of C. S. Lewis's legendary radio broadcast talks in which he set out simply "to explain and defend the belief that has been common to nearly all Christians at all times". Rejecting the boundaries that divide Christianity's many denominations, "Mere Christianity" is Lewis's term for the essential Christian message--the theological core on which diverse Christian traditions can stand together.

A raw, poignant, and often hilarious look inside the troubled life and mind of an American comic icon From his harrowing childhood filled with physical and emotional abuse at the hands of his parents, to a lifetime of alcoholism and self-mutilation, psychiatric hospitalizations, and misdiagnoses, to the peak of fame and success as the longest-tenured cast member of Saturday Night Live, Darrell Hammond delves into the darkest corners of his life, both in front of and behind the camera, with brutal honesty and fierce comic wit. On the back of his hilarious dead-on impressions of Bill Clinton, Dick Cheney, Chris Matthews, and a hundred other prominent figures, Hammond was invited into the inner sanctums of the country's political leaders, including three presidents, all the while suffering debilitating and largely undiagnosed mental anguish that resulted in horrifying flashbacks, shocking benders, a hair-raising stint in a Bahamian jail, and ultimately a dark night in a Harlem crack house. His long fight for sobriety, filled with heartbreaking relapses, was propelled by a

desire to do right by his young daughter and to set the record straight about how he fell so low while achieving such heights.

Throughout, Hammond lays bare the real inner workings of an iconic television show.

When bestselling author Joyce Meyer posted "God's not mad at you" on Facebook, she didn't anticipate that her words would trigger thousands of responses of gratitude and relief.

Apparently many Christians struggle to reconcile their perception of God as both a loving parent and a stern judge. In *GOD IS NOT MAD AT YOU*, Joyce will help those who haven't truly received God's love because they are afraid of His anger and disapproval. She explores the source of this confusion, so His genuine character can be better understood and His love can be experienced on an entirely new level. Chapter titles include: * Perfectionism and

Approval * The Pain of Rejection * Guilt and Shame * Developing Your Potential * Run to God, Not from Him * Getting Comfortable with God "It is important for us to remember that God's anger is directed toward our sinful behavior rather than toward us. If you feel guilty right now and are afraid that God is mad at you, then you are miserable. But your misery can be immediately changed to peace and joy by simply believing God's Word. Believe that God loves you and that He is ready to show you mercy and forgive you completely. Believe that God has a good plan for your life. Believe that God is not mad at you!" --Joyce Meyer

You may know him as Mango, Mr. Peepers, the gibberish-spouting Suel Forrester, or one half of the head-bopping brothers in *A Night at the Roxbury*. Maybe you remember him as the forlorn gothic kid Azrael Abyss, Gay Hitler, or the guitarist in the "More Cowbell" sketch. Whichever it is, Chris Kattan has earned a spot in the hearts of a generation of comedy fans. Chris Kattan has defied comparison, expectations, and sometimes gravity with his inimitable style of physical comedy. By creating some of the most memorable *Saturday Night Live* characters, as well as his many roles in film and television, Kattan has remained one of the most fearless and versatile comedians in the world. Not long after Chris was labeled one of the improv group *Groundlings*' "must-see" performers in the company, he was cast on *SNL*—and within the first six weeks, Chris's film career also took off. Now, for the first time, Kattan opens up about eight seasons on *SNL*, performing

alongside friends and future legends including Will Ferrell, Jimmy Fallon, and Tina Fey, and guest hosts from Charlize Theron to Tom Hanks to David Bowie. He also shares stories of his unusual childhood (involving a secluded mountain with zen monks) with Leonard Cohen and Alan Watts. *Baby, Don't Hurt Me* offers an unprecedented look into Chris's life, from his fascinating relationship with Lorne Michaels, a private Valentine's Day dinner with Tom Cruise and Katie Holmes, an unforgettable flight with Beyoncé, and even breaking his neck on live television. *Baby, Don't Hurt Me* is a candid, revealing memoir from a timeless comedian and a window into the world of millennium-era SNL, from the rehearsals to the after-after parties, as narrated by your hilarious and inspiring friend—who just so happened to be there for all of it.

#1 NEW YORK TIMES BESTSELLER #1 INTERNATIONAL BESTSELLER A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your

eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I'm Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called *iCarly*, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the *iCarly* spinoff *Sam & Cat* alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I'm Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.
