This book is an expos of the not-so-loving God of the Bible someone you wouldnt like if you really knew him. Here you will embark upon a journey through the vast and dangerous terrain of the Bible landscape. This is a journey not for the fearful but for the courageous, and the Rev. Dr. Kuykendall will be your guide having made this journey many times himself. You will start your journey beginning in Genesis and continue on it until you reach the last verse of the book of

Revelation. You will see things and think about things that many would prefer not to. But for those who persevere, their reward will be to know who their God is as compared to the God of the Bible and to know how the world could be more tolerant and peaceful if only those of the Abrahamic faiths would let go of their image of a vengeful warrior God.

Everyone gets "down to nothing" at some point in life, whether in relationships, finances, vision and courage for the future, physical or emotional exhaustion, or disappointment with

God--everybody at some time comes to the end of their rope. It's exactly at those points that God does His best work. When we're down to nothing, God is up to something--truths to teach us, answers to satisfy us, assurance to bolster us, resources to supply us, or directions to guide us. In this book, Robert Schuller chronicles a particularly dark period in his life and shares with the reader what he learned God was up to in his relationships, meeting his needs like health and finances, providing guidance in his emotional life, but most of all, in learning to know and trust God more.

A woman's spiritual struggles can have a profound impact on her health. It is through our bodies that we are tempted. It is also through our bodies that we serve God. Does God care about our physical struggles? This six-week interactive study examines the stories of biblical women to reveal that God cares deeply about our bodies and our health. Each week's lesson will combine a Bible story (such as Esther, Hannah or the woman with the issue of blood) with a health issue (such as stress, hormones or depression) to lead women to greater spiritual and physical health. This study emphasizes that what we eat and drink, how much sleep we get and how we respond to stress affects our service to God. Each week includes studies for five days. This study is not intended to diagnose or treat any health condition the

reader may have. Rather, its purpose is to motivate the believer to realize how much God cares about our physical condition and its relation to our spiritual lives.

When bestselling author Joyce Meyer posted "God's not mad at you" on Facebook, she didn't anticipate that her words would trigger thousands of responses of gratitude and relief. Apparently

many Christians struggle to reconcile their perception of God as both a loving parent and a stern judge. In *GOD IS NOT MAD AT YOU*, Joyce will help those who haven't truly received God's love because they are afraid of His anger and disapproval. She explores the source of this confusion, so His genuine character can be better understood and His love can be experienced on an entirely new level. Chapter titles include: * Perfectionism and Approval * The Pain of Rejection * Guilt and Shame * Developing Your Potential * Run to God, Not from Him * Getting Comfortable with God "It is important for us to remember that God's anger is directed toward our sinful behavior rather than toward us. If you feel guilty right now and are afraid that God is mad at you, then you are miserable. But your misery can be immediately changed to peace and joy by simply believing God's Word. Believe that God loves you and that He is ready

to show you mercy and forgive you completely. Believe that God has a good plan for your life. Believe that God is not mad at you!" --Joyce Meyer

A raw, poignant, and often hilarious look inside the troubled life and mind of an American comic icon From his harrowing childhood filled with physical and emotional abuse at the hands of his parents, to a lifetime of alcoholism and self-mutilation, psychiatric hospitalizations, and misdiagnoses, to the peak of fame and success as the longest-tenured cast member of Saturday Night Live, Darrell Hammond delves into the darkest corners of his life, both in front of and behind the camera, with brutal honesty and fierce comic wit. On the back of his hilarious dead-on impressions of Bill Clinton, Dick Cheney, Chris Matthews, and a hundred other prominent figures, Hammond was invited into the inner sanctums of the country's political leaders, including three presidents, all the while suffering debilitating and largely undiagnosed mental anguish that resulted in horrifying flashbacks, shocking benders, a hair-raising stint in a Bahamian jail, and ultimately a dark night

in a Harlem crack house. His long fight for sobriety, filled with heartbreaking relapses, was propelled by a desire to do right by his young daughter and to set the record straight about how he fell so low while achieving such heights. Throughout, Hammond lays bare the real inner workings of an iconic television show. *If You Do, God Will Wipf and Stock Publishers*

If God Loves Me, Why Can't I Get My Locker Open? Ccel

In studying the Bible for many years, I've learned that every command of GOD leads us back to two commands: loving GOD and loving your neighbors (Exodus 20). These passages clearly point out how we should be functioning as children of GOD. A person who refuses to harken to GOD is automatically in obedience to other gods, even the god of self.

Deception is when you think you are in obedience to GOD when in fact you are not. In the past, we have had many great prophets, but none of them expressed GOD the Father to perfection like the Son, Christ Jesus. So any actions outside of the harmless life of Christ subjects you to other gods and eliminates GOD as your Father.

If God is in Control, Why Do I Have a Headache? Christian Faith Publishing, Inc.

This significant book, written a few years before his death, presents Ellul's fullest understanding of the meaning of Jesus' life. One finds all of the major themes of Ellul's writings. The first half of this book deals with Jesus' sufferings, which are by no means limited to Good Friday. Through Jesus' identification with "the whole human condition," we are offered the possibility of both enduring and overcoming suffering.

Similarly, the temptations are understood beyond the wilderness temptation narrative since Jesus experiences them throughout his ministry. Ellul believes temptations are ultimately human avenues for tempting God, and so focuses on the discussion power and "non-power," be it on personal or political levels.

Appropriately, Ellul enters into the passion narrative not simply in the context of suffering but in the context of temptation, where Jesus could have easily "proved his divinity," but chose instead to reveal both the character and way of God.
