God Has a Name is a simple yet profound guide to understanding God in a new light--focusing on what God says about himself. This one shift has the potential to radically alter how you relate to God, not as a doctrine, but as a relational being who responds to you in an elastic, back-and-forth way. In God Has a Name, John Mark Comer takes you line by line through Exodus 34:6-8--Yahweh's self-revelation on Mount Sinai, one of the most quoted passages in the Bible. Along the way, Comer addresses some of the most profound questions he came across as he studied these noted lines in Exodus, including: Why do we feel this gap between us and God? Could it be that a lot of what we think about God is wrong? Not all wrong, but wrong enough to mess up how we relate to him? What if our "God" is really a projection of our own identity, ideas, and desires? What if the real God is different, but far better than we could ever imagine? No matter where you are in your spiritual journey, the act of learning who God is just might surprise you--and change everything.

Drawing on Jesus's example of walking, bestselling author Mark Buchanan explores one of the oldest spiritual practices of our faith. What happens when we literally walk out our Christian life? We discover the joy of traveling at the speed of our soul. We often act as if faith is only about the mind. But what about our bodies? What does our physical being have to do with our spiritual life? When the Bible exhorts us to walk in the light, or walk by faith, or walk in truth, it means these things literally as much as figuratively. The Christian faith always involves walking out, as again and again we find the holy in the ordinary. "Come, follow me," Jesus said, and then he was off. The most obvious thing about Jesus's method of discipleship, in fact, is that he walked and invited others to walk with him. Jesus is always "on the way," "arriving," "leaving," "approaching," "coming upon." It's in the walking that his disciples are taught, formed, tested, empowered, and released. Part theology, part history, part field guide, *God Walk* explores walking as spiritual formation, walking as healing, walking as exercise, walking as prayer, walking as

pilgrimage, suffering, friendship, and attentiveness. It is a book about being alongside the God who, incarnate in Jesus, turns to us as he passes by--always on foot--and says simply, "Come, follow me." With practical insight and biblical reflections told in his distinct voice, Buchanan provides specific walking exercises so you can immediately implement the practice of going "God speed." Whether you are walking around the neighborhood or hiking in the mountains, walking offers the potential to awaken your life with Christ as it revives body and soul.

### **The Things of Earth** Crossway

We know that faith means "being sure of what we hope for and certain of what we do not see" (Hebrews 11:1, NIV). *Love Your God with All Your Mind* explains the importance of using your mind not only to win others to Christ but also to experience personal spiritual growth. Author J. P. Moreland challenges you to use logic and reason to further God's kingdom through evangelism, apologetics, worship, and vocation. This revised edition includes expanded appendixes and three new chapters that outline how to reason for the reality of God and the historicity of Jesus' life teachings, death, and resurrection.

### **God in All Things** Kregel Kidzone

From the author of the bestselling novel *The Shack* and the New York Times bestsellers *Cross Roads* and *Eve* comes a compelling, conversational exploration of twenty-eight assumptions about God—assumptions that just might be keeping us from experiencing His unconditional, all-encompassing love.

In his wildly popular novels, Wm. Paul Young portrayed the Triune God in ways that challenged our thinking—sometimes upending long-held beliefs, but always centered in the eternal, all-encompassing nature of God’s love. Now, in Wm. Paul Young’s first nonfiction book, he invites us to revisit our assumptions about God—this time using the Bible, theological discussion, and personal anecdotes. Paul encourages us to think through beliefs we’ve presumed to be true and consider whether some might actually be false. Expounding on the compassion fans felt from the “Papa” portrayed in *The Shack*—now a major film starring Sam Worthington and Octavia Spencer—Paul encourages you to think anew about important issues including sin, religion, hell, politics, identity, creation, human rights, and helping us discover God’s deep and abiding love.

"'Science Mike' draws on his personal experience to tell the unlikely story of how science led him back to faith. Among other revelations, we learn what brain scans reveal about what happens when we pray, how fundamentalism affects the psyche, and how God is revealed not only in scripture, but in the night sky, in subatomic particles, and in us"--Dust jacket flap.

No More Faking Fine Hampton Roads Publishing

"Now there arose a new king over Egypt, who did not know Joseph" (Exodus 1:8). With that introduction, we enter into the story of the Hebrew people in the Book of Exodus. No longer under the protection of their forefather Joseph, the children of Israel became slaves to the Egyptians. But God was raising up a deliverer in Moses, to

lead His people from bondage to freedom so they could worship Him. In this 10-session verse-by-verse study of Exodus 1-18, journey alongside God's people from Egypt to Mt. Sinai to unpack the deeper meaning behind stories that may already be familiar to you: the struggle of God's people in slavery to the Egyptians, the birth and life of Moses, the plagues God leveled against Pharaoh, and God's great provision in the parting of the Red Sea. Discover how God fights for His children and prioritizes their worship of Him above all else. Additional purchase or renting of the video teaching sessions is recommended for the best experience of this Bible study book. Features: Leader helps to guide questions and discussions within small groups Personal study segments to complete among 10 weeks of group sessions Ten essential teaching videos, approximately 30-45 minutes per session, available for purchase or rent Benefits: Learn the deeper theological implications of stories you've known for years. Understand how God protects His children and prioritizes their worship of Him above all else. Explore how God provided deliverance for His children to be able to worship Him freely and how it affects our lives today.

God Walk Zondervan

Abstract theology is overrated, for God can be found in even the most ordinary of things. Jesus used things like a lily, sparrow, and sheep to teach about the kingdom of God. And in the Old Testament, God repeatedly describes himself and his saving work in relation to physical things such as a rock, horn, or

eagle. In *God of All Things*, pastor and author Andrew Wilson invites you to rediscover God in this way, too--through ordinary, everyday things. He explores the idea of a material world and presents a variety of created marvels that reveal the gospel in everyday life and fuel worship and joy in God--marvels like: Dust: the image of God Horns: the salvation of God Donkeys: the peace of God Water: the life of God Viruses: the problem of God Cities: the kingdom of God *God of All Things* will leave you with a deeper understanding of Scripture, the world you live in, and the God who made it all.

Knowing Christ Today Zondervan

"Some churches now advertise courses on how to pray. How ridiculous! That is like giving a course on how to fall in love." —A. W. Tozer Tozer understood prayer as few do: as a way of life. Now readers can share that same grand vision. Prayer combines the best of Tozer on prayer into one volume. Tozer was captured by the great wonder of God, and he regarded prayer as the primary means of coming into His presence. But if our everyday life is filled with the barrenness of busyness and there is no serious urgency to pray, we forfeit the wonder of being conformed to the image of Christ and knowing our God more intimately—the true Christian life. Prayer is doable. God is accessible. And Tozer provides the wisdom and encouragement to help us encounter Him daily. With commentary and reflection questions provided by compiler W.L. Seaver, *Prayer* takes our understanding of

prayer to new depths and helps us have a life that prays. *My Little Book Of Dear God Letters* Thomas Nelson Where do you seek God? Are you waiting for him to appear in a monumental, life-altering event? In *God Moments*, Catholic blogger Andy Otto shows you how to discover the unexpected beauty of God's presence in the story of ordinary things and in everyday routines like preparing breakfast or walking in the woods. Drawing on the Ignatian principles of awareness, prayer, and discernment, Otto will help you discover the transforming power of God's presence in your life and better understand your place in the world. Andy Otto found God's presence in surprising moments during his life—when, as a Jesuit scholastic, he taught children in Jamaica and also as he discerned the call to marriage with his wife. By combining elements of Ignatian spirituality with the lessons that came from his experiences, Otto identified three practices that helped him find God in all things: Awareness—Gain an understanding that God is present in the ordinary messiness of our lives such as battle with depression or sharing in the struggle of a friend. Prayer—Develop a prayer life using Ignatian practices such as asking for a morning grace and examining how your prayer was answered at the end of the day. That way you can focus on a personal relationship with God that finds everyday physical activities such as making a meal as an opportunity to talk to him. Discernment—The more you are aware of God's presence and draw closer to him in prayer, the better you can learn how to plug into God's narrative of the world in

---

a way that enables you to participate in the divine story through the use of your gifts and talents. With *God Moments* as a guide, you'll have a better understanding of how to seek personal wholeness in the reality of God's presence in the ordinary and learn to accept his invitation to participate in his transformation of the world.

Spiritual discernment is a key theme in the Scriptures. From the Garden when Adam and Eve turned away from the simplest terms of a relationship with God, to the Garden when John the Apostle wrote the book of Revelation to a distracted people anticipating eternity, discerning God has been the heart of the matter. In modern times, however, we have forgotten the basic premise of practicing a preference for God, out of which we then are invited to live for God. Instead, we have implanted strategic planning, head-to-head battling, and will-of-God knowing in its place. In *The Discerning Life*, Stephen A. Macchia seeks to upend the one-eyed and limited Christian understandings of spiritual discernment and invite readers and leaders to reconsider how they prioritize the care of their souls, the grace of their communities, and the mission of their lives, churches, and organizations. When we have a fuller understanding of how spiritual discernment matters to the whole of our lives, we will in turn encourage others to follow likewise and then lean fully into the mission, mandate, and message of the whole counsel of God.

Unknown to many, increasing numbers of

conservative evangelicals are denying basic tenets of classical Christian teaching about God, with departures occurring even among those of the Calvinistic persuasion. James E. Dolezal's *All That Is in God* provides an exposition of the historic Christian position while engaging with these contemporary deviations. His convincing critique of the newer position he styles "theistic mutualism" is philosophically robust, systematically nuanced, and biblically based. It demonstrates the need to maintain the traditional viewpoint, particularly on divine simplicity, and spotlights the unfortunate implications for other important Christian doctrines—such as divine eternity and the Trinity—if it were to be abandoned. Arguing carefully and cogently that "all that is in God is God Himself," the work is sure to stimulate debate on the issue in years to come.

profound spiritual exploration of God's love—a love that many of us understand intellectually without fully grasping or relying on in our day-to-day experiences—a love that fills our sails with joy and frees us to truly flourish. Many of us are driven by an ambition to accomplish something big outside ourselves. On all sides, we're pressured to achieve—professionally, socially, financially. Even when we're aware of this pressure, it can be hard to escape the vicious circles of accomplishment, frustration, and spiritual burn-out. Drawing on a wide range of sources from Scripture to church history to psychology and modern neuroscience—as well as deeply personal stories from his own life—Ken Shigematsu, recipient of the Queen Elizabeth Diamond Jubilee Medal and pastor of Tenth Church in Vancouver, BC, vividly demonstrates how the gospel redeems our desires and reorders our lives. Pastor Shigematsu offers fresh perspective on how certain spiritual practices help orient our lives so that our souls can flourish in the midst of a demanding, competitive society. And he concludes with a liberating and counter-cultural definition of true greatness. If you long to experience a deeper relationship with Christ within the daily pressures to succeed, *Survival Guide for the Soul* is packed with biblical wisdom and a godly approach to transcend the human tendency to define ourselves by our productivity and success. "Loaded with practical insights and encouraging thoughts, every reader will benefit from Ken's work." —Max Lucado, New York Times Bestselling author

#### God of All Things Zondervan

Presents the most important truths of the Christian faith from the Bible, discussing such topics as sin, salvation, and the Trinity.

#### God Moments Zondervan

At a time when popular atheism books are talking about the

irrationality of believing in God, Willard makes a rigorous intellectual case for why it makes sense to believe in God and in Jesus, the Son.

#### The Practice of the Presence of God Zondervan

God's world is full of good things. Ice-cold lemonade. The laughter of children. College football. Scrambled eggs and crispy bacon. A late night with old friends around a blazing campfire. God certainly knows how to give good gifts to his children. But where is the line when it comes to enjoying all the pleasurable things our world affords? In *The Things of Earth*, professor Joe Rigney offers perplexed Christians a breath of fresh air by lifting the burden of false standards and impossible expectations related to the Christian life—freeing readers to gratefully embrace every good thing we receive from the hand of God. Helping us avoid our tendency to forget the Giver on the one hand and neglect his gifts on the other, this much-needed book reminds us that God's blessings should drive us to worship and that a passion for God's glory can be as wide as the world itself.

Drawing from her own personal experience and beliefs to write this inspirational book, beloved singer-songwriter Donna Fargo champions the importance of prayer in our daily lives. She writes of the direct connection with God that provides us with the strength we need to carry on in the face of difficult or trying times but also asserts that we must be our own advocate. We must choose our thoughts carefully and refuse to allow negativity or doubt to take away our hope. When you read Donna's thoughtful messages, you'll be reminded that there are no limitations with God, and even when the path

God in My Everything Thomas Nelson

Gerard Hughes's popularity lies in the fact that he always writes directly for the individual struggling with issues of faith and life and gets right to the heart of spiritual needs and concerns. His best-seller GOD OF SURPRISES published nearly 20 years ago has sold nearly a quarter of a million copies. GOD IN ALL THINGS is a follow up to that book written for a different world and a different spiritual climate. This is a guidebook for the inner journey. It is about recognising God in the ordinary, in the joy and sadness of things, about knowing that God cannot be separated from whatever we experience. It is written for people on the fringes of Christianity, or those who are disillusioned with church structures and dogmatic theology. Hughes has written this book because he is concerned at the split between religion and life, as if religion was something apart and detached from the rest of God's creation. Apart from being a brilliant spiritual guide this book is a call to a faith in terminal decline to enlarge its concept of God and break out of the straitjacket of pious religion.
