Things Fall Apart Thomas Nelson  
From the author of the bestselling novel *The Shack* and the New York Times bestsellers *Cross Roads* and *Eve* comes a compelling, conversational exploration of twenty-eight assumptions about God—assumptions that just might be keeping us from experiencing His

unconditional, all-encompassing love. In his wildly popular novels, Wm. Paul Young portrayed the Triune God in ways that challenged our thinking—sometimes upending long-held beliefs, but always centered in the eternal, all-encompassing nature of God’s love. Now, in Wm. Paul Young’s first nonfiction book, he invites us to revisit our assumptions about God—this time using the Bible, theological discussion, and personal anecdotes. Paul encourages us to think through beliefs we’ve presumed to be true and consider whether some might actually be

false. Expounding on the compassion fans felt from the “Papa” portrayed in *The Shack*—now a major film starring Sam Worthington and Octavia Spencer—Paul encourages you to think anew about important issues including sin, religion, hell, politics, identity, creation, human rights, and helping us discover God’s deep and abiding love.

Ruthless Trust Thomas Nelson

New York Times bestselling author Lysa TerKeurst unveils her heart amid shattering circumstances and shows readers how to live assured when life doesn't turn out like they expected. What do you do when God's timing seems questionable, His lack of intervention hurtful, and His promises doubtful? Life often looks so very different than we hoped or expected. Some events may simply catch us off guard for a moment, but others shatter us completely. We feel disappointed and disillusioned, and we quietly start to wonder about the reality of God's goodness. Lysa TerKeurst understands this deeply. But she's also discovered that our disappointments can be the divine appointments our souls need to radically encounter God. In *It's Not Supposed to Be This Way*, Lysa invites us into her own journey of faith and, with grit, vulnerability, and honest humor, helps us to: Stop being pulled into the anxiety of disappointment by discovering how to better process unmet expectations and other painful situations. Train ourselves to recognize the three strategies of the enemy so we can stand strong and persevere through unsettling relationships and uncertain outcomes. Discover the secret of being steadfast and not panicking when God actually does give us more than we can handle. Shift our suspicion that God is cruel or unfair to the biblical assurance that God is

protecting and preparing us. Know how to encourage a friend and help her navigate hard realities with real help from God's truth.

*Shatter Me* HarperCollins

The controversial evangelical Bible scholar and author of *The Bible Tells Me So* explains how Christians mistake "certainty" and "correct belief" for faith when what God really desires is trust and intimacy. With compelling and often humorous stories from his own life, Bible scholar Peter Enns offers a fresh look at how Christian life truly works, answering questions that cannot be addressed by the idealized traditional doctrine of "once for all delivered to the saints." Enns offers a model of vibrant faith that views skepticism not as a loss of belief, but as an opportunity to deepen religious conviction with courage and confidence. This is not just an intellectual conviction, he contends, but a more profound kind of knowing that only true faith can provide. Combining Enns' reflections of his own spiritual journey with an examination of Scripture, *The Sin of Certainty* models an acceptance of mystery

and paradox that all believers can follow and why God prefers this path because it is only this way by which we can become mature disciples who truly trust God. It gives Christians who have known only the demand for certainty permission to view faith on their own flawed, uncertain, yet heartfelt, terms.

**BRIDESHEAD REVISITED; THE SACRED AND PROFANE MEMORIES OF CAPTAIN CHARLES RYDER** National Geographic Books

Scripture reveals a God who meets us where we are, not where we pretend to be. No More Faking Fine is your invitation to get honest with God through the life-giving language of lament. If you've ever been given empty clichés during challenging times, you know how painful it is to be misunderstood by well-meaning people. When life hurts, we often feel pressure--from others and ourselves--to keep it together, suck it up, or pray it away. But Scripture reveals a God who lovingly invites us to give honest voice to our emotions when life hits hard. For most of her life, Esther Fleece Allen believed she could bypass the

painful emotions of her broken past by shutting them down altogether. She was known as an achiever and an overcomer on the fast track to success. But in silencing her pain, she robbed herself of the opportunity to be healed. Maybe you've done the same. Esther's journey into healing began when she discovered that God has given us a real-world way to deal with raw emotions and an alternative to the coping mechanisms that end up causing more pain. It's called lament--the gut-level, honest prayer that God never ignores, never silences, and never wastes. No More Faking Fine is your permission to lament, taking you on a journey down the unexpected pathway to true intimacy with God. Drawing from careful biblical study and hard-won insight, Esther reveals how to use God's own language to come closer to him as he leads us through our pain to the light on the other side, teaching you that: We are robbing ourselves of a divine mystery and a divine intimacy when we pretend to have it all together God does not expect us to be perfect; instead, he meets us where we are There is hope beyond your heartache, disappointment, and grief Like Esther, you'll soon find that when one person stops faking fine, it gives everyone else permission to do the same.

*Disappointment with God* Thomas Nelson  
Learn how to face and overcome the fears we feel

about loneliness, illness, financial insecurity, disappointing others, failure, insignificance, and aging "A thoughtful, literate, faith-filled guide to reclaiming our minds and our lives."—John Ortberg, senior pastor of Menlo Church and author of I'd Like You More If You Were More Like Me You'd be hard-pressed to overstate the extent to which fear, anxiety, and worry permeate our lives today. Fear wreaks havoc on our relationships and communities. It leads us into making bad decisions. It holds us back from the very pursuits that promise fulfillment and joy. As the senior pastor of a large, diverse church in America's heartland, Adam Hamilton has seen the cost of fear up close. When he surveyed his congregation on how fear affects them, 2,400 people responded—and what they said was eye-opening. Eighty percent admitted to living with moderate or significant levels of fear. Unafraid is Hamilton's insightful and impassioned response. Drawing on recent research, inspiring real-life examples, and fresh biblical insight, Hamilton uses a mixture of facts and faith to help readers understand and counter fears related to such outsize perils as death and illness, as well as the everyday anxieties all of us encounter. He invites us to: Face our fears with a bias of hope Examine our fears in light of the facts Attack our anxieties with action Release our cares to God Writing with generosity and intelligence, Hamilton shows how believer and unbeliever alike can develop sustaining spiritual practices and embrace Jesus's recurring counsel: "Do not be afraid." For anyone struggling with fear or wondering how families and

communities can thrive in troubled times, Unafraid offers an informed and inspiring message full of practical solutions.

is painful and hard. The truth is, it's also inevitable. In *Still Waiting*, Ann Swindell explores the depths of why God wants us to wait by chronicling her own compelling story of waiting for healing from an incurable condition. She offers a vibrant retelling of the biblical account of the Bleeding Woman that parallels her story—and yours, too. Let Ann help you see the promise that is hidden in the ache of waiting and the hope of what God can—and will—do as you wait on him.

No is not a four-letter word, but it certainly feels like one. It's one thing to feel God's love when life goes your way, but what happens to your faith when life doesn't go as you had planned? When prayers go unanswered and dreams unfulfilled? When the sick stay sick and the dead do not rise? When you're lost in the desert and the Promised Land seems like empty promise? When God says, "No," how do you grapple with disappointment? Author Elizabeth Laing Thompson walks alongside readers as she tackles the difficulties that stymie our faith, stifle our prayers, and stunt our relationship with God. When God Says,
