This is an accessible response to the contemporary anti-God arguments of the 'new atheists' (Dawkins, Dennett, Harris, Hitchens, Grayling, etc). Atheism has become militant in the past few years, with its own popular mass media evangelists such as Richard Dawkins and Daniel Dennett. In this readable book, Christian philosopher Peter S. Williams considers the arguments of the 'new atheists' and finds them wanting. Williams explains the history of atheism and responds to the claims that: 'belief in God causes more harm than good'; 'religion is about blind faith and science is the only way to know things'; 'science can explain religion away'; 'there is not enough evidence for God'; 'the arguments for God's existence do not work'. Williams argues that belief in God is more intellectually plausible than atheism.

Man, Myth, Messiah Outreach, Incorporated
This is the story of a boy, from the country, who chose to become a US Air Force physician, one who even spent a year at an Army Special Forces camp in Vietnam where one of his duties was to pull guard duty. Later he became a respected Obstetrician and Gynecologist. His story includes several close calls with death and his conversion from being a pro-abortion physician, who did abortions in his medical practice, to one who has spent years helping

women choose life for their babies.

God's Not Dead Adult Study Guide: What Do You Believe? Outreach, Incorporated

"Make Disciples of All Nations" In this book, Rice Brooks explains the progress of the Church in terms of its obedience to the apostolic mandate. This mandate, which has been called the Great Commission, must be recovered and embraced if the Church is going to get back into the race for the destiny of the planet. The orders of Jesus to His followers to "make disciples of all nations" is far more than simply giving people a basic gospel message. This mandate includes not only individual transformation, but cultural as well. About the author: Rice Brooks is the president of Morning Star International (MSI), a family of churches and ministries currently operating in 35 nations. He is also the senior pastor of Bethel World Outreach Center in Nashville, Tennessee, where he lives with his wife and their five children. He is the co-founder of Champions for Christ, a ministry to college and professional athletes, as well as the president of Victory Campus Ministries, reaching out to hundreds of university campuses around the world.

requests, keywords and room for making notes of further studies. This practical and compact journal is rounded off by a stylish cover design. We forget all too soon the things we thought we could never forget. Also check out our other journals and products about Christianity. Just click on the brand name or search for "XASTY"! Judaism, Christianity, and Islam Hampton Roads Publishing
Move over, Richard Dawkins and Christopher Hitchens—a highly regarded nuclear physicist enters the debate about the existence of God—and comes down on the side of the angels. Goswami's hypothesis is that quantum physics holds the key to all the unsolved mysteries of biology—the nature and origin of life, fossil gaps of evolution, why evolution proceeds from simple to complex, and why biological beings have feeling and consciousness. In *God Is Not Dead*, Goswami moves beyond theory and shows how a God-based science puts ethics and values where it belongs: at the center of our lives and societies. He provides a scientific model that steers between scientific materialism and religious fundamentalism; a model that has implications for how we live both individually and collectively. *God Is Not Dead* is a fascinating tour of quantum physics, consciousness, and the existence and experience of God.

Night's Bright Darkness InterVarsity Press

Written by an L. A. County homicide detective and former atheist, *Cold-Case Christianity* examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories,

Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

God's Not Dead Zondervan

Throughout history, Christianity has come under fire for holding to a standard the culture abandons. Today's headlines increasingly reflect the pressure that comes as warning shots across the bow before the full-on attack of persecution begins. The movie *God's Not Dead* gave us a front row seat to the one-on-one debate regarding the existence of God between atheist Professor Radisson and Christian university student Josh Wheaton. Now in *God's Not Dead 2* the stakes are much higher than a college course as high school history teacher Grace Wesley becomes the pawn in an epic court case that has the potential to cripple free speech rights for Christians. An innocent question regarding Jesus from 16-year-old student Brooke Thawley ignites a firestorm on faith from Grace's accurate answer. The *God's Not Dead 2 40-Day Devotional* book digs deeper into the cultural questions of civil disobedience and religious freedom, coupled with the sovereignty of God and the Biblical heroes who have traveled this road before us. This 40-day journey will inspire, motivate, and challenge you to not only grow closer to God, but also deepen your roots to stand strong in the storms that life will surely bring. And once again, we shall see—God is not dead—He's surely alive!

God is Not Dead Thomas Nelson

What should Christian witness look like in our contemporary society? In this timely book, Alan Noble looks at our cultural moment, characterized by technological distraction and the growth of secularism, laying out individual, ecclesial, and cultural practices that disrupt our society's deep-rooted assumptions and point beyond them to the transcendent grace and beauty of Jesus.

Lord, I'm Not Dead Yet Outreach, Incorporated

Growing up, all my friends would have described my family as a Christian family. I assumed all my friends were Christians as well. We all believed in God. We occasionally attended church. We were good people. Even though we believed in God, we didn't know his word, didn't understand the gospel, and didn't pursue his will. We believed in God, but we lived as if he didn't exist. After pastoring for eighteen years, I've noticed a large percentage of people in my church living similar lives. Some seem to be Christian in name only without a lot of visible spiritual fruit. Others boldly claim Christ is Lord while living

lives diametrically opposed to the teachings in scripture. The more I looked, the more I found Christian Atheists everywhere. While it is often easy to spot the hypocrisy in others, it is generally more difficult to see in the mirror. One day in an honest moment, I painfully admitted that although I unquestionably believed in God, I was leading the church as if he didn't exist. I wrongly depended more on my own abilities than on his Spirit. Sadly, I dangerously cared more what people thought about me than what God thought about me. And although I preached about putting your whole faith in God, I still lived as if everything was up to me. The book *Christian Atheism* reflects my personal journey toward a more authentic God-honoring life.

God's Not Dead: What Do You Believe? Image

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

The God Delusion. 10th Anniversary Edition Penguin

A comedic rhyming picture book for children that follows the growth of a father's beard during the month of November. The beard seems to come to life and sing a song as it grows.

The Purple Book, Updated Edition HarperChristian Resources

The electrifying, "cutting-edge" (USA Today) debut work of fiction from Ron Currie, author of the forthcoming novel *The One-Eyed Man* (March 2017) Ron Currie's gutsy, funny book is instantly gripping: If God takes human form and dies, what would become of life as we know it? Effortlessly combining outlandish humor with big questions about mortality, ethics, and human weakness, Ron Currie, Jr., holds a funhouse mirror to our present-day world. God has inhabited the mortal body of a young Dinka woman in the Sudan. When she is killed in the Darfur desert, he dies along with her, and word of his death soon begins to spread. Faced with the hard proof that there is no supreme being in charge, the world is irrevocably transformed, yet remains oddly recognizable.

Thomas Nelson Inc

The book consists primarily of interviews between Strobel (a former legal editor at the Chicago Tribune) and biblical scholars such as Bruce Metzger. Each interview is based on a simple question, concerning historical evidence (for example, "Can the Biographies of Jesus Be Trusted?"), scientific evidence, ("Does Archaeology Confirm or Contradict Jesus' Biographies?"), and "psychiatric evidence" ("Was Jesus Crazy When He Claimed to

Be the Son of God?"). Together, these interviews compose a case brief defending Jesus' divinity, and urging readers to reach a verdict of their own.

You may be on the journey of being old, yet you're still alive and being renewed day by day. That's right! If you woke up this morning, God has something eternally important and purposeful for you to do or learn. Through this humorous collection of pep talks for healthy aging you'll discover how to . . . Replace worry with thankfulness Embrace pains benefits Be a lifelong learner Experience great sex over sixty Enjoy the past but make new memories Turn your frown upside down Keep your curiosity kickin Pursue a passion passionately Get ready to recharge your batteries and put the boom back into Baby Boomer with a healthy dose of hope, joy, encouragement, and motivation for living life to its fullest. I planned to read *If You're Not Dead, You're Not Done* after my nap, but it put me to sleep again. No, wait, that was another book. I loved this one, and so will you. Jerry B. Jenkins, bestselling biographer and novelist A humorous guide to staying young while growing old. Brilliant! David L. Winters, author of *Exercising Your Faith*

The Beard Ballad Zondervan

The Evidence Behind the Hit Movie The goal of *God's Not Dead: Evidence for God in an Age of Uncertainty* is straightforward: to help readers develop "a faith that is real and credible—and strong enough to help others find faith in God." To that end, Rice Broocks outlines a roadmap that guides seekers to acknowledge the most basic truths of Christianity: There is overwhelming and exciting evidence for God's existence The God who exists is indeed the God of the Bible God has revealed his nature through his Son, Jesus Christ As shown during the movie, this is the original book on which the main character bases much of his debate points with the atheistic professor. Persuasive arguments crafted with tools borrowed from logic, science, and philosophy, as well as scripture, solidify the faith of the Christian reader and provide starting points for discussions with skeptics. With clear, easy-to-follow explanations of key concepts and controversies, *God's Not Dead* is apologetics for the twenty-first century, presented in layman's terms. Readers will be empowered not only to talk

about their own faith with confidence but to lead others to a relationship with Jesus.
