When anger is left unchecked, it is harmful to our minds, bodies and souls. "How to Pray When You're Pissed at God is not "the last word" on angry prayer," Punnett writes, "but it might be the first words you have ever heard on the topic. By the end of the book, it is my hope that you'll understand the role of anger in our lives, the benefit of honest prayer, and the need for honest, angry prayer in the lives of the faithful and faithless."

The Bible says in Jeremiah 29:13: You will seek Me and find Me when you seek Me with all your heart. This is such a simple invitation to a relationship that will only bring life and peace into one's life. However, too many times today we find people seeking after men or women instead of the One who can supply their every

need. It is good to listen to good teaching from God's Word but in the end, it is we who must decide for ourselves about our lives. Any other way will certainly lead us in a path away from God. He wants a personal relationship with each and every one of us. He wants to bless and deliver us from situations which are pulling us down. He wants to pick us up when we fall and restore us into a right relationship with Him. He is the God Who is more than able to supply all that we could ever ask for or desire. It is His purpose for us to realize the love He has for us above all else. Many of the things which come into our lives are of our own doing and have nothing to do with God. It is our poor choices or a wrong path that we have taken which leads us into situations which it seems that there is no deliverance from. But God is the God Who is bigger than any situation and He is more powerful than any bad choice that we have made. The only requirement is for us to trust Him and surrender all to Him. In 1 Peter 5:7 it reads: casting all your care upon Him, for He cares for you. I heard someone say once I don't know what the future holds, but I know Who holds the future. We can rest in the promises of God and learn of Him and we will have success even when it seems an impossibility for a situation to turn around. So when we seek Him, we can claim the promise in Jeremiah 29:11-13: For I know the thoughts that I think toward you, says the Lord, thoughts of peace and not of evil, to give you a future and a hope. Then you will call upon Me and go and pray to Me, and I will listen to you. And you will seek Me and find Me, when you search for Me with all your heart. So let's believe in a Father whose grace will carry us through any obstacle and let's believe in a Saviour Who wants to perform miracles the same way He did when He walked this earth. He is as near as the mention of His Name, Jesus.

Bestselling and award-winning author Lee Strobel interviews experts about the evidence for the afterlife and offers credible answers to the most provocative questions about what happens when we die, near-death experiences, heaven, and hell. We all want to know what awaits us on the other side of death, but is there any reliable evidence that there is life after death? Investigative author Lee Strobel offers a lively and compelling study into one of the most provocative topics of our day. Through fascinating conversations with respected scholars and experts--a neuroscientist from Cambridge University, a researcher who analyzed a thousand accounts of near-death experiences, and an atheist-turned-Christian-philosopher--Strobel offers compelling reasons for why death is not the end of our existence but a transition to an exciting world to come. Looking at biblical accounts, Strobel unfolds what awaits us after we take our last breath and answers questions like: Is there an afterlife? What is heaven like? How will we spend our time there? And what does it mean to see God face to face? With a balanced approach, Strobel examines the alternative of Hell and the logic of damnation, and gives a careful look at reincarnation, universalism, the exclusivity claims of Christ, and other issues related to the topic of life after death. With vulnerability, Strobel shares the experience of how he nearly died years ago and how the reality of death can shape our lives and faith. Follow Strobel on this journey of discovery of the entirely credible, believable, and exhilarating life to come.

From a popular pastor and radio host--Three Free Sins teaches that the only people who make any progress toward being better are those who know that God will still love them, regardless of how good they are. This book is about the misguided obsession with the management of sin that cripples too many Christians. It's about the view that religion is all about sin...about how to hide side sin or how to stop sinning all together. In the Introduction, the author toys good-naturedly with an agitated

caller on his radio program, teasing him in a segment where he offers three free sins. The offer is real. Not that Steve has the power to forgive sins, but he wants to make the point that Jesus has made the offer to cover all of our sins – not just three. Chapter one, titled “Teaching Frogs to Fly,” is even better. The gist of this chapter is that you can’t teach frogs to fly, just like you can’t teach people not to sin. Steve tells a story about a guy who has a frog, and he’s convinced he can teach the frog how to fly. The man keeps throwing the frog up in the air or up against walls – all to the poor frog’s demise. The message is that even though people can be better, they can never not sin—just like a frog can never learn to fly, no matter how much pressure is put on it. Steve continues through the book to show readers that while they can never manage sin, they can relax in knowing that they are completely forgiven—not just of three, but of all.

Pastor John Piper shows how to sever the clinging roots of sin that ensnare us, including anxiety, pride, shame, impatience, covetousness, bitterness, despondency, and lust in *Battling Unbelief*. When faith flickers, stoke the fire. No one sins out of duty. We sin because it offers some promise of happiness. That promise enslaves us, until we believe that God is more desirable than life itself (Psalm 63:3). Only the power of God’s superior promises in the gospel can emancipate our hearts from servitude to the shallow promises and fleeting pleasures of sin. Delighting in the bounty of God’s glorious gospel promises will free us for a less sin-encumbered life, to the glory of Christ. Rooted in solid biblical reflection, this book aims to help guide you through the battles to the joys of victory by the power of the gospel and its superior pleasure.

Battling Unbelief Zondervan

Convinced he was the Elijah Messiah, the Spanish peasant Bartolomé Sánchez believed that God had sent him in divine retribution for the crimes committed by the Inquisition and the Church. Sánchez’s vocal and intolerable religious deviance quickly landed him in the very court he believed he was sent to destroy. Fortunately for him, the first inquisitor assigned to his case came to believe that Sánchez was not guilty by virtue of insanity, and tried to collect the proof that would save his life. For seven years, Sánchez shuttled between jails, hospitals, and his home village while his fate hung in the balance. Nalle convincingly evokes the compassion of Sánchez’s first inquisitor, Pedro Cortes, as he struggled to save his prisoner’s life, and argues that the Spanish, compared to other Europeans of the day, were remarkably rational and humane when dealing with the mentally ill. A gripping tale of madness and religious conviction, *Mad for God* offers new historical insight into the ongoing debate over the nature of religious inspiration, insanity, and criminal responsibility.
