For many people, remaining optimistic and feeling positive about themselves and their lives is a constant battle—especially when circumstances are difficult and life is hard. For others, negativity is something that only sneaks up from time to time, yet still wreaks havoc in their hearts. Regardless of the root causes, once pessimistic thoughts permeate our minds, our feelings and emotions begin to control us instead of us controlling them. Eventually it doesn't seem possible to stay positive, happy, and full of joy, and negative thought patterns shake our faith, causing us to sink emotionally, mentally, and spiritually over time. But it doesn't have to be that way. Despite what storms roll in, hearts anchored in God don't sink. When we change the way we think, we can change the way we feel and live, even if our circumstances remain the same. Intentionally embracing the opportunity to experience a transformed heart and a renewed mind opens the door for a changed life, because a positive mind will always lead to a more positive life. In *Unsinkable Faith*, author and Proverbs 31 Ministries speaker Tracie Miles offers hope for women who struggle with negativity. Each chapter explores Tracie's and other women's personal stories, showing how they rose above their circumstances by transforming and renewing their minds. *Unsinkable Faith* is a breath of fresh air for anyone longing for a heart full of joy, an unbreakable smile, and a new, more optimistic perspective on life. This book will equip you to: Replace pessimism with positive thinking by becoming the captain of your thoughts; Learn how true joy and happiness are based on choice, not circumstances; Overcome unhealthy habits of negative thinking by intentionally implementing three easy mind-renewing steps; Stop feeling hopeless and pitiful, and start feeling hope-filled and powerful instead; and Discover that when you change the way you think, you change the way feel, and in turn you can change your life completely.

The events that occur in the book of Job present readers with a profound question: "Why do the righteous suffer?" Although a direct answer to this question seems important, the book of Job does not set forth such a response. Job never learned the reasons for his suffering. In fact, when God finally confronted Job, he could only put his hand over his mouth and say nothing. His silence underscores the importance of trusting God's purposes in the midst of suffering, because suffering—like all other human experiences—is directed by perfect divine wisdom. In this study, pastor John MacArthur will guide you through an in-depth look at the defining themes and interpretative challenges in Job. Studies include close-up examinations of doctrinal themes such as God's Justice and "A Discourse on Human Frailty." —ABOUT THE SERIES— The MacArthur Bible Study series is designed to help you study the Word of God with guidance from widely respected pastor and author John MacArthur. Each guide provides intriguing examinations of the whole of Scripture by examining its parts and incorporates: Extensive, but straight-forward commentary on the text. Detailed observations on overriding themes, timelines, history, and context. Word and phrase studies to help you unlock the broader meaning and apply it to your life. Probing, interactive questions with plenty of space to write down your response and thoughts.

"Read it for twists on twists, meditations on faith, and a deeply thoughtful treatment of an evangelical community." — *Glamour*, *Beach Reads That Are Like Summer in a Book* "A thoughtful and candid meditation on faith, family, and forgiveness . . . fabulous." —Claire Lombardo, *New York Times* bestselling author of *The Most Fun We Ever Had* Recommended by Good Housekeeping, Elle, Parade, Real Simple, *Glamour*, *Refinery29*, *Bustle*, *Oprah Daily*, *The Millions*, *Shondaland*, *Yahoo!*, *Literary Hub*, and more! A mesmerizing debut novel set in northern Texas about two sisters who discover an unsettling secret about their father, the head pastor of an evangelical megachurch, that upends their lives and community—a story of family, identity, and the delicate line between faith and deception. Luke Nolan has led the Hope congregation for more than a decade, while his wife and daughters have patiently upheld what it means to live righteously. Made famous by a viral sermon on purity co-written with his eldest daughter, Abigail, Luke is the prototype of a modern preacher: tall, handsome, a spellbinding speaker. But his younger daughter Caroline has begun to notice the cracks in their comfortable life. She is certain that her perfect, pristine sister is about to marry the wrong man—and Caroline has slid into sin with a boy she's known her entire life, wondering why God would care so much about her virginity anyway. When it comes to light, five weeks before Abigail's wedding, that Luke has been lying to his family, the entire Nolan clan falls into a tailspin. Caroline seizes the opportunity to be alone with her sister. The two girls flee to the ranch they inherited from their maternal grandmother, far removed from the embarrassing drama of their parents and the prying eyes of the community. But with the date of Abigail's wedding fast approaching, the sisters will have to make a hard decision about which familial bonds are worth protecting. An intimate coming-of-age story and a modern woman's read, *God Spare the Girls* lays bare the rabid love of sisterhood and asks what we owe our communities, our families, and ourselves. "A deeply felt book about love—love for family and community, for people who sustain you and people who disappoint you. And love for God, too, which Kelsey McKinney writes about with humane and incisive frankness." —Linda Holmes, *New York Times* bestselling author of *Evvie Drake Starts Over* "The accomplishment of this canny novel is in positing coming of age itself as a loss of faith—not only in the church, but in our parents, our family, and the world as we thought we understood it." —Rumaan Alam, *New York Times* bestselling author of *Leave the World Behind* and *Rich and Pretty*

Divine health and prosperity are better than divine healing and provision. If you live in divine health and prosperity, you won't need a miracle to get healed or to pay your bills. If you can't see the difference between the two, that may be one reason you only visit God's best instead of truly living in it. Most Christians live in a place where...

The astonishing, Job-like story of how an existence filled with loss, suffering, questioning, and anger became a life filled with shocking and incomprehensible peace and joy. Vaneetha Risner contracted polio as an infant, was misdiagnosed, and lived with widespread paralysis. She lived in and out of the hospital for ten years and, after each stay, would return to a life filled with bullying. When she became a Christian, though, she thought things would get easier, and they did: carefree college days, a dream job in Boston, and an MBA from Stanford where she met and married a classmate. But life unraveled. Again. She had four miscarriages. Her son died because of a doctor's mistake. And Vaneetha was diagnosed with post-polio

syndrome, meaning she would likely become a quadriplegic. And then her husband betrayed her and moved out, leaving her to raise two adolescent daughters alone. This was not the abundant life she thought God had promised her. But, as Vaneetha discovered, everything she experienced was designed to draw her closer to Christ as she discovered "that intimacy with God in suffering can be breathtakingly beautiful."

Do you ever wonder whether God even cares if we're happy? This world can be so hard, and we aren't promised an easy road. But that's not the whole story. The Bible is filled with verses that prove that ours is a God who not only loves celebrations but also desperately wants his children to experience happiness. Why else would he go to the lengths he did to ensure our eternal happiness in his presence? We know that we will experience unimaginable joy and happiness in heaven, but that doesn't mean we can't also experience joy and happiness here on earth. In *Happiness*, noted theologian Randy Alcorn (bestselling author of *Heaven*) dispels centuries of misconceptions about happiness, including downright harmful ideas like the prosperity gospel, and provides indisputable proof that God not only wants us to be happy, he commands it. Randy covers questions like: How can I cultivate happiness in my life? What's the difference between joy and happiness? Can good things become idols that steal our happiness? Is seeking happiness selfish? How can I achieve happiness through gratitude? What does it look like to receive God's grace? The most definitive study on the subject of happiness to date, this book is a paradigm-shifting wake-up call for the church and Christians everywhere.

What if we were wired for happiness? If you were to ask a room full of people about how God wants us to live, you'd likely get a wide range of answers. Some people would say he wants us to be holy. Others might claim he wants us to love people and stand up for peace and justice. But chances are, you wouldn't hear anyone say, "God wants us to be happy." We all want to be happy, but we may feel guilty for this longing. Isn't it selfish to pursue happiness? Isn't it more spiritual to frown than to smile? In a world full of brokenness, is happiness a worthy pursuit? For those seeking to follow Jesus, should this quest be written off as superficial and unspiritual? In *Does God Want Us to Be Happy?*, New York Times bestselling author Randy Alcorn offers a collection of short, easy readings on one of life's biggest questions. As he explores what happiness is and how we attain it, Alcorn provides wisdom, insight, and scriptural proof that God not only wants us to be happy—he commands it! Unsinkable Faith David C Cook

The biggest barrier to faith is life itself. Divorce. Cancer. Infertility. Death. There are times in our lives in which God seems very far away. We don't understand His silence. We only feel the intensity of our pain and the echoing question of 'why?' The Bible declares that God is good, but can we still believe this when our lives are falling apart? In *Keep Believing*, Dr. Pritchard affirms what the Bible declares: that God is good and His mercy endures forever. This is true regardless of our moment-by-moment experience. God has provided comfort in our times of struggle and healing in our times of hurt through the balm of His Word. You believed in the light of day; will you still believe at midnight? Search the Scriptures with Dr. Pritchard for words of encouragement and hope. Put your confidence in the God who sorrowfully watched His Son suffer at Calvary for your benefit. Know that the same loving heavenly Father has everything completely under control. He is with you and longs to comfort you as you struggle through your hard times. Take a tell-tale look at your devotion to the Lord and His never-ending love and commitment to you in *Keep Believing*. You served God in the sunshine; will you now serve him in the shadows?

Keep Believing: Finding God in Your Deepest Struggles (2019 Edition) Crossway

Who is Jesus Christ? You've never met him in person, and you don't know anyone who has. But there is a way to know who he is. How? Jesus Christ—the divine Person revealed in the Bible—has a unique excellence and a spiritual beauty that speaks directly to our souls and says, "Yes, this is truth." It's like seeing the sun and knowing that it is light, or tasting honey and knowing that it is sweet. The depth and complexity of Jesus shatter our simple mental frameworks. He baffled proud scribes with his wisdom but was understood and loved by children. He calmed a raging storm with a word but would not get himself down from the cross. Look at the Jesus of the Bible. Keep your eyes open, and fill them with the portrait of Jesus in God's Word. Jesus said, "If anyone's will is to do God's will, he will know whether the teaching is from God or whether I am speaking on my own authority." Ask God for the grace to do his will, and you will see the truth of his Son. John Piper has written this book in the hope that all will see Jesus for who he really is and will come to enjoy him above all else.
