Why Evolution is True
Univ of California Press
For all the discussion in
the media about
creationism and
'Intelligent Design',
virtually nothing has been

said about the evidence in question - the evidence for evolution by natural selection. Yet, as this succinct and important book shows, that evidence is vast, varied, and magnificent, and drawn from many disparate fields of science. The very latest research is uncovering a stream of evidence revealing evolution in action - from the actual observation of a species splitting into two, to new fossil discoveries, to the deciphering of the

evidence stored in our genome. Why Evolution is True weaves together the many threads of modern work in genetics, palaeontology, geology, molecular biology, anatomy, and development to demonstrate the 'indelible stamp' of the processes first proposed by Darwin. It is a crisp, lucid, and accessible statement that will leave no one with an open mind in any doubt about the truth of evolution.

Alice Hoffman is at her magical best in a new novel about loss and healing. When her family is lost in a terrible disaster, 15-yr-old Green is haunted by loss and by the past. Struggling to survive physically and emotionally in a place where nothing seems to grow and ashes are everywhere, Green retreats into the ruined realm of her garden. But in destroying her feelings, she also begins to destroy herself, erasing the girl she'd once been as she inks ravens into her skin. It is only through a series of mysterious

encounters -- with a ghostly white dog and a mute boy -- that Green relearns the lessons of love and begins to heal as she tells her own story.

Bitch Goddess (Robert Rodi Essentials) Sourcebooks, Inc. Fourteen-year-old Kentucky girl Ricki Jo Winstead, who would prefer to be called Ericka, thank you very much, is eager to shed her farmer's daughter roots and fit in with the popular crowd at her small-town high school. She trades her Bible for Seventeen magazine, buys new "sophisticated" clothes, and strikes up an unlikely flirtation with the freshman class's resident bad boy. She's on top of the world, even though her best friend and

neighbor, Luke, say she misses "plain old Ricki Jo." Caught between being a country girl and a wannabe country club girl, Ricki Jo begins to forget who she truly is: someone who doesn't care what people think and who wouldn't let a good-looking guy walk all over her. After a serious incident on Luke's farm, Ricki Jo realizes that being a true friend is more important than being popular... and the one boy who matters most has been next door all along.

Kate Winters has won immortality. But if she wants a life with Henry in the Underworld, she'll

have to fight for it.

Becoming immortal wasn't supposed to be the easy part. Though Kate is about to be crowned Queen of the Underworld, she's as isolated as ever. And despite her growing love for Henry, ruler of the Underworld, he's becoming ever more distant and secretive.

Then, in the midst of Kate's coronation, Henry is abducted by the only being powerful enough to kill him: the King of the Titans. As the other gods

prepare for a war that could end them all, it is up to Kate to save Henry from the depths of Tartarus. But in order to navigate the endless caverns of the Underworld, Kate must enlist the help of the one person who is the greatest threat to her future.

Henry's first wife,
Persephone.

The Goddess War
begins in
Antigoddess, the
first installment of
the new series by
acclaimed author of
Anna Dressed in
Blood, Kendare Blake.
Old Gods never die...
Or so Athena thought.
But then the feathers
started sprouting

beneath her skin,
invading her lungs
like a strange
cancer, and Hermes
showed up with a
fever eating away his
flesh. So much for
living a quiet
eternity in perpetual
health. Desperately
seeking the cause of
their slow, miserable
deaths, Athena and
Hermes travel the
world, gathering
allies and
discovering enemies
both new and old.
Their search leads

them to Cassandra—an ordinary girl who was once an extraordinary prophetess, and loved by a god. These days, Cassandra doesn't involve herself in the business of gods—in fact, she doesn't even know they exist. But she could be the key in a war that is only just beginning. Because Hera, the queen of the gods, has aligned herself with other of the ancient Olympians, who are killing off rivals in an attempt to prolong their own lives. But these anti-gods have become corrupted in their desperation to survive, horrific caricatures of their former glory. Athena will need every advantage she can get, because immortals don't just flicker out. Every one of them dies in their own way. Some choke on feathers. Others become monsters. All of them rage against their last breath. The Goddess War is about to begin. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
