It has often been thought that participation in fertility rituals was women's most important religious activity in classical Greece. Matthew Dillon's wide-ranging study makes it clear that women engaged in numerous other rites and cults, and that their role in Greek religion was actually more important than that of men. Women invoked the gods' help in becoming pregnant, venerated the god of wine, worshipped new and exotic deities, used magic for both erotic and pain-relieving purposes, and far more besides. Clear and comprehensive, this volume challenges many stereotypes of Greek women and offers unexpected insights into their experience of religion. With more than fifty illustrations, and translated extracts from contemporary texts, this is an essential resource for the study of women and religion in classical Greece.

A Study Guide for Sappho's "Hymn to Aphrodite" Henry Holt Books For Young Readers

The Zaharets, the land between the Vori Wastes and the Plains of Aeoco, is well-known as the Land of Risings. Dominated by the rising city-states of Ameena Noani and Sentem, facing each other along the great War Road, the Zaharets has always been home to powerful civilizations. Beastmen ruins dot the landscape, a constant reminder of the Kingdom of Sin and the fragility of the Law of Men. Even older are the great ruins of the Hulathi, the legendary sea peoples, and the Hannic mansions sealed beneath the mountains, awaiting those who would seek out the Lost Folk. Scars abound from the wars between ruined Keta in the north and Gerwa in the south. And, far to the east, the legends of Muadah still beckon occultists and Jackals who seek to plunder its corrupted ruins. Inspired by the myths, cultures, and history of the Ancient Near East, and by such ancient texts as the Iliad, the Epic of Gilgamesh, and the Old Testament, Jackals is a Sword & Sorcery roleplaying game set in a Fantasy Bronze Age. With mechanics based on the popular OpenQuest system, the game places players in the role of Jackals – adventurers, explorers, sellswords, and scavengers – and sends them out into the peril-filled land of the Zaharets to make their fortune... or perhaps fulfill a greater destiny...

"Five of us sat in a circle doing our best to emulate the girls in *The Craft*, hoping to unleash some power to take us all away from our home to the place of our dreams. But we weren't witches. We were five Chicanas living in San Antonio, Texas, one year out of high school." One hot summer night, best friends Lourdes, Fernanda, Ana, Perla, and Pauline hold a séance. It's all fun and games at first, but their tipsy laughter turns to terror when the flames burn straight through their prayer candles and Fernanda starts crawling toward her friends and chanting in Nahuatl, the language of their Aztec ancestors. Over the next few weeks, shy, modest Fernanda starts acting strangely-smearing herself in black makeup, shredding her hands on rose thorns, sucking sin out of the mouths of the guilty. The local priest is convinced it's a demon, but Lourdes begins to suspect it's something else-

something far more ancient and powerful. As Father Moreno's obsession with Fernanda grows, Lourdes enlists the help of her "bruja Craft crew" and a professor, Dr. Camacho, to understand what is happening to her friend in this unholy tale of possession-gone-right.
