Sand Play for the Soul HarperCollins

Take Back Your Power and Unleash It on the World Filled with transformative stories of powerful women from legend and history, this book explores themes that witches, heretics, and warriors confront in a patriarchal world. Join the fight against the status quo by learning how to invoke your own defiant female ancestors and the lessons they represent. Each chapter examines a topic like standing tall in your beliefs, finding your voice, embracing your sexuality, and loving your body. This book will inspire you through the stories of Circe, Anne Boleyn, Marie Laveau, Mary Magdalene, Jeanne D'Arc, Salome, Boudicca, Moving Robe Woman, and Harriet Tubman. Phoenix LeFae also shares hands-on practices—including rituals, crafts, and meditations—designed to support you as you connect to your inner rebel. Learn how to create shrines, connect to your community, work with essential oils, and more as you find and embrace your own personal power.

Urgent Message from Mother

HarperCollins

In this challenging and enlightening companion volume to the bestselling Goddesses in Everywoman, Jean Shinoda Bolen turns her attention to the powerful inner patterns--or archetypes--that shape men's personalities, careers, and personal relationships. Viewing these archetypes as the inner counterparts of the outer world of cultural stereotypes, she demonstrates how men and women can gain an invaluable sense of wholeness and integration when what they do is consistent with who they are. Dr. Bolen introduces these patterns in the guise of eight archetypal gods, or personality types, with whom the reader will identify. From the authoritarian power-seeking gods (Zeus, Poseidon) to the

gods of creativity (Apollo, Hephaestus) to the sensual Dionysus, Dr. Bolen shows men how to identify their ruling gods, how to decide which to cultivate and which to overcome, and how to tap the power of these enduring archetypes in order to enrich and strengthen their lives. She also stresses the importance of understanding which gods you are attracted to and which are compatible with your expectations, uncovers the origins of the often-difficult father-son relationship, and explores society's deep conflict between nurturing behavior and the need to foster masculinity. In *Gods in Everyman* Dr. Bolen presents us with a compassionate and lucid male psychology that will help all men and women to better understand themselves and their relationships with their fathers, their sons, their brothers, and their lovers.

Goddesses in Everywoman Harper Collins

A classic work of female psychology that uses seven archetypal goddesses as a way of describing behavior patterns and personality traits is being introduced to the next generation of readers with a new introduction by the author. Psychoanalyst Jean Bolen's career soared in the early 1980s when *Goddesses in Everywoman* was published. Thousands of women readers became fascinated with identifying their own inner goddesses and using these archetypes to guide themselves to greater self – esteem, creativity, and happiness. Bolen's

radical idea was that just as women used to be unconscious of the powerful effects that cultural stereotypes had on them, they were also unconscious of powerful archetypal forces within them that influence what they do and how they feel, and which account for major differences among them. Bolen believes that an understanding of these inner patterns and their interrelationships offers reassuring, true – to – life alternatives that take women far beyond such restrictive dichotomies as masculine/feminine, mother/lover, careerist/housewife. And she demonstrates in this book how understanding them can provide the key to self – knowledge and wholeness. Dr. Bolen introduced these patterns in the guise of seven archetypal goddesses, or personality types, with whom all women could identify, from the autonomous Artemis and the cool Athena to the nurturing Demeter and the creative Aphrodite, and explains how to decide which to cultivate and which to overcome, and how to tap the power of these enduring archetypes to become a better "heroine" in one's own life story.

Goddesses in Older Women Harper Collins

Examines coincidental events that individuals find significant, but which cannot be rationally explained, suggesting ways of using the resulting feelings of universal unity in Jungian therapies and Taoist introspection

Witches, Heretics & Warrior Women Bantam

Women face many challenging transitions on the pilgrimage from girlhood through womanhood: menses, love and heartbreak, motherhood, menopause. Devoid of a central narrative, these rites of passage too often happen in shame and secrecy, leaving women doubting their personal power and self-worth. Bestselling author and founder of The Way of the Happy Woman®, Sara Avant Stover saw how women erroneously viewed these initiations as “curses” and sought to

present a new model that reflected the power and wisdom unique to the feminine path. The Book of SHE celebrates all that it means to be a woman, from mythological underpinnings to the cycles of our day-to-day lives. Drawing on archetypes including Mary Magdalene, the Dark Goddess, and Green Tara, Stover will guide you on a journey home to psychological wholeness, personal empowerment, and, ultimately, full feminine spiritual Awakening.

Brimming with mystery and magic, this provocative book makes ancient wisdom and healing practices accessible to every woman who is ready to revel in her full femininity — the dark and the light — through joyfully becoming the heroine of her own life.

The Book of SHE New World Library

In a series of chapters each focusing on a different goddess or mythical woman, Christine Downing traces her own path of individuation from maiden-daughter to mature woman. A therapist, university professor of religion, and former president of the American Academy of Religion, she writes what is essentially an autobiography with an inner focus on her dreams and fantasies, and their meanings to her. She writes in a direct and intimate way, using to great bit effortless effect her deep culture and wide learning. -The Journal of Analytical Psychology

The Goddess Solution Mango Media Inc.

At some point after fifty, every woman crosses a threshold into the third phase of her life. As she enters this uncharted territory -- one that is generally uncelebrated in popular culture -- she can choose to mourn

what has gone before, or she can embrace the juicy crone years. In this celebration of Act 3, Jungian analyst Jean Shinoda Bolen names the powerful new energies and potentials, or archetypes, that come into the psyche at this momentous time, suggesting that women getting older have profound and exciting reasons for welcoming the other side of fifty. As Bolen has explained in her remarkable body of work, there are goddesses in every woman, deep archetypal sources of wisdom, authenticity and spirituality that, once tapped, energize us and give us a sense of meaning and self-acceptance. The knowledge of which archetypes are active within us at each phase of life-maiden, mother (or matron), and cronesupports us in making choices that are true to who we are instead of conforming to others' ideas of who we should be. In Bolen's bestselling Goddesses in Everywoman, the classic work of the women's spirituality movement, the Greek goddesses personified these archetypes as they affected the first two phases of a woman's adult life. Now she explains that in the third stage, marked physiologically by menopause, there emerges a whole new cast of inner archetypes that a woman can draw on for guidance, creativity, personal integration, and joy. Once we learn to recognize these forces, we can feel empowered and wise, introspective and spiritual, sexually bold and full of mirth. For it is in the "wisewoman" years, when a woman has lived long enough to resolve the tasks of younger and middle adulthood, that she can fully and authentically become who she deeply is. The generation of women who are

approaching or who have reached the crone years is historically unique. Influenced by the women's movement, they have benefited from educational opportunities, women's support networks, and economic resources as excellent preparation for decades of active postmenopausal life. By recognizing the goddess archetypes that emerge in this phase, women of this special generation will be enabled to transform the crone years into the best years of their lives.

Goddesses in Older Women Ballantine Books

The bestselling, widely heralded, Jungian introduction to the psychological foundation of a mature, authentic, and revitalized masculinity. Redefining age-old concepts of masculinity, Jungian analysts Robert Moore and Douglas Gillette make the argument that mature masculinity is not abusive or domineering, but generative, creative, and empowering of the self and others. Moore and Gillette clearly define the four mature male archetypes that stand out through myth and literature across history: the king (the energy of just and creative ordering), the warrior (the energy of aggressive but nonviolent action), the magician (the energy of initiation and transformation), and the lover (the energy that connects one to others and the world), as well as the four immature patterns that interfere with masculine potential (divine child, oedipal child, trickster and hero). King, Warrior, Magician, Lover is an exploratory journey that will help men and women reimagine and deepen their understanding of the masculine psyche.

The Feminine Face of God Harper San

Francisco

Throughout time, people have turned to goddesses as symbols of what they seek -- from abundance to healing, from protection to passion. Building on the resurgence of interest in the Divine Feminine, Julie Loar presents the qualities and origins of an international array of these deities, along with powerful suggestions for putting their attributes to practical use. In a daily-reflection format, she gracefully aligns the goddesses with the cycles of nature and the signs of the zodiac. If you are struggling to attain a goal, call on the Nepalese goddess Chomolungma, as the sherpas climbing Mount Everest have done for generations. Or, for good luck, invoke the Roman goddess Fortuna, the inspiration behind gambling's wheel of fortune. With 366 goddesses to choose from, you will find a deity to call upon for every aspiration and need.

Goddesses in Everywoman Simon and Schuster

The Sacred Feminine archetypes within astrology, mainly found within the frequencies of asteroids and dwarf planets, are a deep rich source of wisdom for our lives now. For centuries Feminine wisdom has been suppressed, dishonoured and denied, contributing to crisis in every aspect of our lives and especially to our disconnection from each other and our Earth. At this time the voice of the Sacred Feminine is calling to be acknowledged, expressed and heard as a potent guide to a new way of being here on Planet Earth that honours, nurtures and upholds the sanctity of all life. In Sacred Pathways Cassandra presents seven Feminine archetypes - Venus as Creatrix, Psyche as Soul Child, Vesta as Priestess, Ceres as Earth Mother, Artemis as Moon Maiden, Juno as Queen of Heaven & Pallas Athena as Wisdom Warrior in their both their light and shadows as guides to women's unique journey of evolution. Exploring these

archetypes through astrology, mythology, personal story and an evolutionary perspective, this book opens doors into woman's psyche and beyond it. It presents a series of pathways for women to connect deeper with the creative power they innately are, to be present within their heart's calling, to embody their unique cyclical and rhythmic nature, and to honour the deep wisdom of their knowing in relationships and the wider world. When God Was A Woman New World Library

Many are familiar with Joseph Campbell's theory of the hero's journey, the idea that every man from Moses to Hercules grows to adulthood while battling his alter-ego. This book explores the universal heroine's journey as she quests through world myth. Numerous stories from cultures as varied as Chile and Vietnam reveal heroines who battle for safety and identity, thereby upsetting popular notions of the passive, gentle heroine. Only after she has defeated her dark side and reintegrated can the heroine become the bestower of wisdom, the protecting queen and arch-crone. Instructors considering this book for use in a course may request an examination copy here.

Women Who Run with the Wolves
Mango Media Inc.

"Maiden, Mother, or Crone--where does a woman in her midlife years fit in? Thirteen powerful archetypes for your whole lifecycle. Women who have turned to feminist spirituality for appreciation of women's ways of knowing will revel in the thirteen empowering archetypes presented in this book. From Daughter to Blood Sister, Mother to Amazon, Sorceress to Crone, this groundbreaking work reveals the grand pattern of women's lives, rich and complex, beautiful and mysterious. Elizabeth Davis and Carol Leonard, licensed midwives with sixty-five years combined experience as health care providers and healer, developed the Wheel as a synthesis of their work in women's health, spirituality and psychology. The women's wheel of life draws on more than a hundred interviews with women of all ages who have found the Wheel to be an inspiring and revolutionary path for more powerful living"--Back cover.

The Circle of Life Harper Perennial

In *Feminine Archetypes*, two-time author and modern Priestess Courtney Tiffany weaves together a brand-new way of approaching archetypes, goddess spirituality, and self-exploration. Through archetypal embodiment, she teaches us to awaken to the various threads of Shakti by exploring thirteen archetypes of the Divine Feminine. The feminine archetypes will teach you how to heal the wounds you carry, lovingly embrace your shadow, and empower you to live authentically.

Through journal prompts and rituals you will examine your own relationship with each archetype, and honor all expressions of who you are. Learn how to embody the well-known archetypes of the Maiden, Mother, Lover, and Warrior in their most divine expressions. Get to know the frequently suppressed archetypes of the Witch, Dark Goddess, and Mystic. And become reacquainted with the lost archetypes of Priestess and Hearth Keeper. By learning how to embody each archetype you will awaken the powerful life force within you, and weave together the gifts of the Divine Feminine. Get ready to remember who you are, reclaim your power, and embody your truth.

Crones Don't Whine Sounds True

Morrow Paperbacks

In its original edition, this culmination of Jean Shinoda Bolen's life's work sold over 25,000 copies. Now in paperback for the first time *Urgent Message from Mother* is a call to action for all the women of the world. This unique combination of visionary thinking and practical how-to seeks to galvanize the power of women acting together in order to save our world. Bolen outlines the lessons we can learn from the women's movement, draws on Jungian psychology and the sacred feminine, and gives powerful examples of women coming together all over the globe and making a significant impact.

Goddesses in Everywoman Harper Paperbacks

"An honest, compelling, surprising, and vastly reassuring book about the spiritual life of women . . . This landmark book is spiritual precisely because it is authentic." —Joan Borysenko, Ph.D., author of *Minding the Body, Mending the Mind* With a foreword by Jean Shinoda Bolen, M.D. For many contemporary women, the old patriarchal models of religion are no longer relevant, forming a need to look beyond the male-oriented past to a wider, more fulfilling spiritual horizon. In this fascinating and thought-provoking book, Sherry Anderson and Patricia Hopkins show how many women have redefined traditional beliefs and rediscovered their own unique spiritual heritage—*The Feminine Face of God*. Anderson and Hopkins guide you through the sacred garden of:

- Childhood—seedbed of

life's sacred passage • Leaving home—finding your own inner authority • Relationships—new perspectives on intimacy • Spiritual practice—the importance of guidance and discipline • Sexuality—a wild card constantly cracking open the heart • And much more As women enter their sacred garden and learn the art of inner listening, they acquire the tools for living, loving, and praying authentically. In *The Feminine Face of God* there are seeds for growth: for creating and sustaining intimacy and love in a new way; for a new understanding of sexuality; for a new vision of family, a family of choice in a community of love.
