Lake was originally from Ontario, Canada. He was from a large family, which was continually affected with illness. At the age of twenty-one, he became a Methodist minister; however, he chose to enter the business world instead of accepting a church ministry. Lake was a very industrious businessman and

started two newspapers before beginning a very successful career in real estate. Early in his career, Lake's wife, whom he deeply loved, fell ill with a life threatening illness. Having a lifetime of suffering and bereavement behind him, he refused to accept this. He took the radical step of taking 'his brother who had been an invalid for 22 years to Chicago see John Alexander Dowie . In a matter of just moments after healing ministers laid their hands on him, he was healed -- he got up and walked out! Next, the Lakes took their 34-year-old sister who was dying from breast cancer. She had been operated on five times and had to be carried on a stretcher. She too was healed!

God's Generals for Kids/Charles Parham

It is one of the more startling facts of military history that the founders of three of the four 'great religions'—Judaism, Buddhism, and Islam—were also accomplished field generals with extensive experience in commanding men in battle. One of these, Muhammad, fought eight battles and was wounded twice, once almost fatally.

Another, Siddhartha Gautama (later to become the Buddha), witnessed so much battlefield carnage that he suffered a psychological collapse. Moses had become so much a 'god-intoxicated' personality, it is a reasonable suspicion that he, like the Buddha, was murdered.

Indeed, had the experiences of these men in war not been so successful, it is quite possible that their achievements as religious leaders would never have occurred. For all three, war and religion were so closely intertwined in their personalities that it is difficult to discern where the influence of one ended and the other began. This book

attempts to explore the military lives of Moses, the Buddha and Muhammad, and the role their war experiences played in their religious lives.
