Conan Gray - Wikipedia

The most important thing I learned from this book is that going grey will almost always make you look older, but it can easily make you look better and much more interesting. In the author's before and after pictures, she looks like a pretty but blah woman in her forties with dyed brown hair, but a gorgeous, chic and interesting woman in her fifties with her grey hair.

How I learned to accept going grey in my twenties | Metro News

"We live in very rough economic times—in an ageist culture," says Kreamer, author of Going Gray: What I Learned about Beauty, Sex, Work, Motherhood, Authenticity, and Everything Else that Really...

Going Gray — Anne Kreamer

Gray predicted the election victory of Trump in 2016 for something like the same reasons — " the feeling of abandonment, and disrespect in large parts of the working population " had to go ...

8 Real Women Reveal How They Learned to Embrace Their Gray ...

1 — The gray man concept is psychology-driven. What you wear can certainly have an effect on how gray you are but you have to go a bit deeper than that. Regardless of what you ' re trying to do and how you ' re able to do it, it all comes down to psychology — in particular, the psychology of your adversary.

My Experience Going Gray - Next Avenue

Back then, to go gray was like letting yourself go—it was viewed as giving up. I met my husband-to-be on a yoga retreat 15 years ago. He has a very sensitive nose, and when we were dating, one ...

Going Gray: What I Learned about Beauty, Sex, Work ...

I ' ll go back to blonde soon, but it ' s broken me out of my subtly highlighted rut. Next, I ' m going back to the hair genius that is Andrew for a bolder look, maybe mixed with just a hint of pink.

Going Gray - How to Go Gray - Marie Claire

Anne Kreamer is the author of Going Gray: What I Learned About Beauty, Sex, Work, Motherhood, Authenticity and Everything Else That Really Matters, from Little, Brown.

Going Gray What I Learned

In 2007 she published Going Gray: What I Learned about Beauty, Sex, Work, Motherhood, Authenticity and Everything Else That Really Matters (Little, Brown and Company, ISBN 978-0-316-16661-4) and in 2011, It ' s Always Personal: Navigating Emotion in the New Workplace (Random House, ISBN 978-0812979930). Personal life

'I dyed my hair pink at 44 - here's what I learned'

Many of my women friends had gone gray or silver, and some looked terrific. Others did look considerably older, but I figured I could deal with that possibility. In my mind ' s eye, I pictured myself looking like my folk music heroes — Judy Collins with her mane of pure white, or Joan Baez with a stunning silver-streaked bob. I had first grown my hair long and straight like theirs in the ...

How I learned to accept going grey in my twenties. Now a tender age 25, my roots are white, my fringe snowy, and the entire underside of my long, dark brown curly hair is grey.
