1, 2, 3, Who's Cleaning the Sea? A Counting Picture Book About Protecting Our Planet Seven and eight, is it too late? Not quite yet, but let's not wait! 8 fishing nets on the ocean floor, dragged by an octopus up to the shore. The sea creatures are working hard to clean their living environment of ocean pollution. Inspired by powerful visuals of ocean pollution, this book will teach your child not only numbers and how to count but also the importance of taking care of our environment. Children will love learning how little changes they make can protect our planet. 1,2,3, Who's Cleaning the Sea is the second book from award-winning and Amazon best-selling author Janina Rossiter in her 'concept picture book' series. Janina Rossiter has again combined two subjects with imaginative drawings, resulting in a beautiful book that children and adults will enjoy reading. This picture book will teach your child to associate numbers with their quantities while also learning about the importance of keeping plastics and other pollutants out of our oceans. Younger children will be able to count along and slightly older children (ages 4-6) will learn to make logical connections between numbers and facts. Readers of all ages will enjoy the pictures, the story, and the message. The original hand-drawn illustrations in black ink marker on a background of acrylic art are exquisite and will entice young readers to turn the pages as they discover the fascinating world captured by the illustrator's imagination. Filled with glorious paintings, this highly imaginative picture book will not only aid children with learning to count, they will also learn about protecting the environment as they take a journey under the sea. Truly delightful. Samantha V é rant, author of HOW TO MAKE A FRENCH FAMILY Stunning images of sea creatures cleaning the ocean form the backdrop of this fun and educational counting book that young children (and adults too!) are sure to enjoy. Gone to the Sea Courier Corporation

The first hilarious volume of comedy writer, journalist, radio DJ and screenwriter Danny Baker's memoir, and now the inspiration for the major BBC series CRADLE TO GRAVE, starring Peter Kay. 'And what was our life like in this noisy, dangerous and polluted industrial pock-mark wedged into one of the capital's toughest neighbourhoods? It was, of course, utterly magnificent and I'd give anything to climb inside it again for just one day.' In the first volume of his memoirs, Danny Baker brings his early years to life as only he knows how. With his trademark humour and eye for a killer anecdote, he takes us all the way from the council house in south-east London that he shared with his mum Betty and dad 'Spud' (played by Peter Kay) to the music-biz excesses of Los Angeles, where he famously interviewed Michael Jackson for the NME. Laugh-out-loud funny, it is also an affectionate but unsentimental hymn to a bygone era.

Everything Goes: By Sea Feiwel & Friends

In Jenny Goes to Sea, our heroine makes her passage on the good ship Sea Queen with her master, Captain Tinker, and her adopted brothers, tiger cat Edward, and black-and-white cat Checkers. Once on board, they meet the adventurous ship's cat, Jack Tar. Leaving New York's harbor, the friends travel to Africa and Asia, and return through the Panama Canal. At each port they meet a colorful local cat who shows them around. Jenny and her pals have their fortunes told by an Abyssinian cat in Zanzibar; dance the sailor's hornpipe with Bobo the Burmese, another ship's cat who was left behind, in Singapore; and float with Siamese cat Dara in a sampan boat on a Bangkok river—a truly exotic adventure. A toy Indian and his canoe travel from Lake Nipigon to the Atlantic Ocean. What If There Were No Sea Otters? Random House Books for Young Readers London Goes To Sea is Peter J. Baumgartner's candid and captivating account of restoring an ageing fibreglass sailing boat over the course of four years and then introducing it to his native New England waters. His precise records illustrate every

trial and triumph of the restoration process, and his careful attention to errors made along the way provides crucial insight for anyone considering a similar project. His writing combines the best elements of a brisk, entertaining narrative and a thoroughly practical handbook, making for a truly unique story that embraces every experience of the coastal sailor. His unflagging joy and enthusiasm for his old Cape Dory shine through on every page.

Sam Who Went to Sea Sing Along with Me!

Sea swimming is the great leveller; we 're all the same in a pair of togs. No one minds who you are or what you 've done; the question is 'are you getting in?' Popular for centuries, sea swimming has had a recent surge in interest, with a growing community now taking the plunge. Brendan Mac Evilly and Michael O 'Reilly, enthusiastic members of this bathing fraternity, chart their adventures in forty-three of Ireland 's most enticing places to swim. Along the way, they meet artists who come to the sea for inspiration and distance swimmers undertaking marathon sea swims. Their conversations with local dippers touch on the history and lore of these stunning locations and confirm Ireland 's vibrant sea-swimming culture. Part guidebook, part travelogue, part analysis of our relationship with the sea, At Swim explores the thrills, fears and joys of sea swimming.

Wish for a Fish Harper Collins

A New York Times Bestseller! Axie Oh's *The Girl Who Fell Beneath the Sea* is an enthralling feminist retelling of the classic Korean folktale "The Tale of Shim Cheong," perfect for fans of *Wintersong*, *Uprooted*, and Miyazaki's *Spirited Away*. Deadly storms have ravaged Mina's homeland for generations. Floods sweep away entire villages, while bloody wars are waged over the few remaining resources. Her people believe the Sea God, once their protector, now curses them with death and despair. In an attempt to appease him, each year a beautiful maiden is thrown into the sea to serve as the Sea God's bride, in the hopes that one day the "true bride" will be chosen and end the suffering. Many believe that Shim Cheong, the most beautiful girl in the village—and the beloved of Mina's older brother Joon—may be the legendary true bride. But on the night Cheong is to be sacrificed, Joon follows Cheong out to sea, even knowing that to interfere is a death sentence. To save her brother, Mina throws herself into the water in Cheong's stead. Swept away to the Spirit Realm, a magical city of lesser gods and mythical beasts, Mina seeks out the Sea God, only to find him caught in an enchanted sleep. With the help of a mysterious young man named Shin—as well as a motley crew of demons, gods and spirits—Mina sets out to wake the Sea God and bring an end to the killer storms once and for all. But she doesn't have much time: A human cannot live long in the land of the spirits. And there are those who would do anything to keep the Sea God from waking... Praise for *The Girl Who Fell Beneath the Sea*: An ABA Indie Bestseller "On every page I found something marvelous and new, and I was eager to keep reading because I wanted to further explore this wondrous new world." —The New York Times "A beautiful, mesmerizing retelling I wish I'd had when I was growing up. ... The Ghost Ship: A Mystery of the Sea Gill & Macmillan Ltd

China's turn toward the sea is evident in its stunning rise in global shipbuilding markets, its expanding merchant marine, its wide reach of offshore energy exploration, its growing fishing fleet, and its increasingly modern navy. This comprehensive assessment of China's potential as a genuine maritime power is both unbiased and apolitical. Unlike other works that view China in isolation, it places China in a larger world historical context. The authors, all authorities on their historical eras, examine cases of attempted maritime transformation through the ages, from the Persian Empire to the Soviet Union, and determine the reasons

for success or failure.
