Golden Guide - Wikipedia

Avoid series that cross authors, unless the authors were or became aware of the series identification (eg., avoid lumping Jane Austen with her continuators). Also avoid publisher series, unless the publisher has a true monopoly over the "works" in question. So, the Dummies guides are a series of works.

Golden Regional Elliot Stock - ibest9.com

As originally published by Golden Press, there were Golden Nature Guides, Golden Science Guides, Golden Field Guides, Golden Regional Guides, and Golden Handbooks. When St. Martin's Press aquired the Golden Guide® trademark, they published Golden Guides and Golden Field Guides, some of which overlap with the previous series.

The decorated endpapers show a map of the United States. This is basically the same map that was used for The Pacific Northwest and The American Southwest. This book claims to be the first in a series of Golden Regional Guides. Because of this claim I believe Italy is technically a travel guide.
