HarperCollins

The electrifying sequel to The New York Times-bestselling Three Dark Crowns "Gorgeous and bloody, tender and violent, precise, and passionate; above all, completely addicting." Kirkus Reviews on Three Dark Crowns The battle for the crown has begun, but which of the

three sisters will prevail? With enthralling sequel to Kendare Blake's The New York Times-quickening behind them and the Ascension Year underway, all bets are off. Katharine, once the weak and feeble sister, is stronger than ever before. Arsinoe, after discovering the truth about her powers, must figure out how to make her secret talent work in her favour without anyone finding out. And Mirabella, once thought to be the strongest sister of all and the certain Queen Crowned, faces attacks like never before - ones that put those around her in danger that she can't seem to prevent. In One Dark Throne, the

bestselling Three Dark Crowns, Fennbirn's deadliest queens must face the one thing standing in their way of the crown: each other. MORE PRAISE FOR THREE DARK CROWNS "a brutal and inventive fantasy that is as addictive as it is horrifying ... I'm salivating like poisoners at a feast to find out what will happen next." Marissa Meyer, New York Times bestselling author of the Lunar Chronicles "With exquisite world building and luminous detail, this is high fantasy at its best." Booklist (starred review) "The opener to

a pitch-black epic fantasy series. Blake has constructed an insular, matriarchal society from convincing intimate details, vivid, complicated characters, [and] sumptuous, poetic prose. Gorgeous and bloody, tender and violent, precise, and passionate; above all, completely addicting."

Selected Diaries Del Rey

In *The Fifth Sorceress*, Robert Newcomb conjures a time and place wrought with exquisite detail, characters vividly drawn and deeply felt, and a history rich in glory and horror, splendor and secrets. . . . "We gave them a chance once, long ago. . . . We offered to share power equally, and in peace. But they refused and chose war. With them it was all or nothing. Wizard against Sorceress. Male against female. Light against dark." It is more than three centuries since the ravages of a devastating war nearly tore apart the kingdom of Eutracia. In its wake, those who masterminded the bloodshed—a quartet of powerful, conquest-hungry Sorceresses—were sentenced to exile, with return all but impossible and death all but

inevitable. Now a land of peace and plenty, protected and guided by a council of immortal wizards, Eutracia is about to crown a new king. And as the coronation approaches, the spirit of celebration fills every heart. Except one. Prince Tristan is a reluctant monarch-to-be. Though born with the "endowed" blood that will give him the power to master magic, and destined by tradition to succeed his father as ruler, he is a rebel soul. And when he discovers the ancient, hidden caves where strange red waters flow—possessed of their own mysterious magic—it only makes him yearn all the more to escape his future of duty . . . and succumb to the stirrings of enchantment within him. But more than tradition compels Tristan to ascend the throne. The very existence of Eutracia depends upon it. For after these long centuries of peace, dreadful omens have begun to appear, heralding something too unspeakable to ponder. And if indeed the old evil has returned, hungry to wreak vengeance, Tristan's role in an ages-old prophecy must be fulfilled—or the cost to his kingdom and his people will be beyond imagination. It will be a battle like none ever known, against an enemy whose thirst for blood and domination is depthless and

unyielding. And for Tristan, it will be the ultimate challenge: facing an adversary whose greatest weapon is the person he loves most—transformed into the instrument of his annihilation . . . and the catalyst that will doom Eutracia forever to darkness.

"Red Rising ascends above a crowded dystopian field." —USA Today ONE OF THE BEST BOOKS

OF THE YEAR—Entertainment Weekly, BuzzFeed, Shelf Awareness

"I live for the dream that my children will be born free," she says. "That they will be what they like. That they will own the land their father gave them." "I live for you," I say sadly. Eo kisses my cheek. "Then you must live for more." Darrow is a Red, a member of the lowest caste in the color-coded society of the future. Like his fellow Reds, he works all day, believing that he and his people are making the surface of Mars livable for future generations. Yet he toils willingly, trusting that his blood and sweat will one day result in a better world for his children. But Darrow and his kind have been betrayed. Soon he discovers that humanity reached the surface generations ago. Vast cities and lush wilds spread across the planet. Darrow—and Reds like him—are nothing more than slaves to a decadent ruling class. Inspired by a longing for justice, and driven by the memory of lost love,

Darrow sacrifices everything to infiltrate the legendary Institute, a proving ground for the dominant Gold caste, where the next generation of humanity's overlords struggle for power. He will be forced to compete for his life and the very future of civilization against the best and most brutal of Society's ruling class. There, he will stop at nothing to bring down his enemies . . . even if it means he has to become one of them to do so. Praise for *Red Rising* " [A] spectacular adventure . . . one heart-pounding ride . . . Pierce Brown's dizzyingly good debut novel evokes *The Hunger Games*, *Lord of the Flies*, and *Ender's Game*. . . . [Red Rising] has everything it needs to become meteoric. A one-of-a-kind celebration of the 101 two-letter words allowed in Scrabble. Rolling Stone has called singer-songwriter Stephin Merritt of the Magnetic Fields " the Cole Porter of his generation " ; O, The Oprah Magazine has hailed cartoonist Roz Chast as " the wryest pen since Dorothy Parker's. " Together they have crafted a wonderfully witty book

that is sure to prove useful to Scrabble players and Words With Friends addicts—and to delight anyone in thrall to the weirder corners of the English language. With the mordant wit and clever wordplay of Edward Gorey or Shel Silverstein, Stephin Merritt has written an original four-line rhyming poem for each of the 101 two-letter words included in *The Official Scrabble Players Dictionary*. Here are poems about familiar words (such as at, go, hi, no, and up) as well as obscure ones (such as aa, ka, oe, qi, xu). And every one of the 101 poems is accompanied by a full-color illustration by the incomparable cartoonist Roz Chast. *101 Two-Letter Words* is perfect for any language lover or Scrabble player (it may even improve your score!).

Experience an evocative combination of fantasy, history, and Jewish folklore in this lush and lyrical fairytale-inspired novel from the author of *The Sisters of the Winter Wood*. Deep in the Hungarian woods, the sacred magic of King Solomon lives on in his descendants. Gathering under the midnight stars, they perform small miracles and none are

more gifted than the great Rabbi Isaac and his three daughters. Hannah, bookish and calm, can coax plants to grow even when the weather is bitterly cold. Sarah, defiant and strong, can control the impulsive nature of fire. And Levana, the fey one, can read the path of the stars to decipher their secrets. But darkness is creeping across Europe, threatening the lives of every Jewish person in every village. Each sister will have to make an impossible choice in an effort to survive—and change the fate of their family forever. Praise for *The Light of the Midnight Stars*: "Storytelling as spellcasting. Rossner has conjured something vivid and wild and true."—Kiran Millwood Hargrave, author of *The Mercies* "Rossner creates a lush, immersive world through which the sprawling plot meanders, punctuated by moments of intense grief. The result is as lovely as it is heartbreaking." —Publishers Weekly "Rossner's tale is as lyrical as the slow growth of roots, the quick dance of fire, and the stately procession of the stars. Blending folktale with history, hope with tragedy, its touch will linger on your heart long after you put it down."—Marie Brennan For more from Rena Rossner, check out *The Sisters of the Winter Wood*.

With his infectious love of storytelling in all its forms, his rich characterization and

his unrivaled grasp of thrillingly bizarre cutting-edge science, Hannu Rajaniemi swiftly set a new benchmark for Science Fiction in the 21st century. Now, with his third novel, he completes the tale of the many lives, and minds, of gentleman rogue Jean de Flambeur. Influenced as much by the fin de siècle novels of Maurice leBlanc as he is by the greats of SF, Rajaniemi weaves intricate, warm capers through dazzling science, extraordinary visions of a wild future, and deep conjectures on the nature of reality and story. In *The Causal Angel* we will discover the ultimate fates of Jean, his employer Miele, the independently minded ship *Perhonnen*, and the rest of a fractured and diverse humanity flung throughout the solar system. Darrow returns as Pierce Brown's New York

Times bestselling Red Rising series continues in the thrilling sequel to Dark Age. The Reaper is a legend, more myth than man: the savior of worlds, the leader of the Rising, the breaker of chains. But the Reaper is also Darrow, born of the red soil of Mars: a husband, a father, a friend. The worlds once needed the Reaper. But now they need Darrow. Because after the dark age will come a new age: of light, of victory, of hope.

The Forgetting Moon Golden Son

Virginia Woolf turned to her diary as to an intimate friend, to whom she could freely and spontaneously confide her thoughts on public events or the joys and trials of domestic life. Between 1st January 1915 and her death in 1941 she regularly recorded her thoughts with unflinching grace, courage, honesty and wit. The result is one of the greatest diaries in the English language.

Snowblind Turtleback Books

In Christopher Golden's first horror novel in more than a decade--a work reminiscent of early Stephen King--Snowblind updates the ghost story for the modern age. The small New England town of Coventry had weathered a thousand blizzards . . . but never one like this. Icy figures danced in the wind and gazed through children's windows with soul-chilling eyes. People wandered into the whiteout and were never seen again. Families were torn apart, and the town would never be the same. Now, as a new storm approaches twelve years later, the folks of Coventry are haunted by the

memories of that dreadful blizzard and those who were lost in the snow. Photographer Jake Schapiro mourns his little brother, Isaac, even as---tonight---another little boy is missing. Mechanic and part-time thief Doug Manning's life has been forever scarred by the mysterious death of his wife, Cherie, and now he's starting over with another woman and more ambitious crimes. Police detective Joe Keenan has never been the same since that night, when he failed to save the life of a young boy . . . and the boy's father vanished in the storm only feet away. And all the way on the other side of the country, Miri Ristani receives a phone call . . . from a man who died twelve years ago. As old ghosts trickle back, this new storm will prove to be even more terrifying than the last. Spellbinding in scope and rooted deeply in classic storytelling, Christopher Golden has written a chilling masterpiece that is the best work of his career and a standout supernatural thriller. With richly textured characters, scarred and haunted by the ghosts of those they loved most, *Snowblind* is rooted deeply in classic storytelling. Christopher Golden has written a chilling masterpiece that is both his breakout book and a standout supernatural thriller.

“[Brown’s] achievement is in creating an uncomfortably familiar world of flaw, fear, and promise.”—Entertainment Weekly
Darrow would have lived in peace, but his enemies brought him war. The Gold overlords demanded his obedience, hanged his wife, and enslaved his people. But Darrow is determined to fight back. Risking everything to transform himself and breach Gold society, Darrow has battled to survive the cutthroat rivalries that breed Society’s mightiest warriors, climbed the ranks, and waited patiently to unleash the revolution that will tear the hierarchy apart from within. Finally, the time has come. But devotion to honor and hunger for vengeance run deep on both sides. Darrow and his comrades-in-arms

face powerful enemies without scruple or mercy. Among them are some Darrow once considered friends. To win, Darrow will need to inspire those shackled in darkness to break their chains, unmake the world their cruel masters have built, and claim a destiny too long denied—and too glorious to surrender. Praise for Morning Star “There is no one writing today who does shameless, Michael Bay–style action set pieces the way Brown does. The battle scenes are kinetic, bloody, breathless, crazy. Illegal Alien St. Martin's Press
Red Rising and Philosophy has gathered together a crew of the wisest Helldivers philosophy can offer. Could humanity's love of physical enhancements cause its extinction? Do people doom humanity by trying to all be the same? Can a person love someone, while at the same time wanting that person destroyed? Is equality always the best principle on which to organize society? What is evil, and how does it exist in contemporary life? Does one remain the same person, even after changing every physical aspect of one's body? Is it moral to sell oneself into slavery, whether it's through sex or manual labor? Is it ethical to sell one's children into slavery, on the promise that their children will live in peace and tranquility? These questions and more are what make Brown's Red Rising trilogy such an impactful story. Brown pulls no punches, and philosophy works best in such an environment. Red Rising and Philosophy is not for the timid or the faint at heart. It's not The Passage, since no one will die from reading it, but reading it could be a life-changing experience.
