*** SHORTLISTED FOR THE CWA IAN FLEMING STEEL DAGGER AWARD 2018*** 'Sensational' Clare Mackintosh, No 1 bestselling author of *I Let You Go*. 'The definition of a page-turner' Sun 'Truly scary' Marian Keyes **MOTHER. WIFE. POLITICIAN. LIAR. THEN:** How far did she go to conceal the truth? Politician Linda Moscow sacrificed everything to protect her son: her beliefs, her career, her marriage. All she wanted was to keep him safe. **NOW:** What will she risk to expose the lies? When the voices she silenced come back to haunt her, Linda is faced with another impossible choice. Only this time, it's her life on the line . . . *An Act of Silence* is about the abuse of power, the devastating effects of keeping the truth buried, and the lengths a mother will go to save her child. 'Fiendishly impressive structure; taut, evocative prose; gripping plot' Sarah Vaughan, author of *Anatomy of a Scandal* 'Brilliant, taut psychological thriller. Sensitive, muscular and it could be true. Unputdownable' Julia Crouch, author of *Her Husband's Lover* 'Colette McBeth is beloved of writers like Paula Hawkins, and with this twisty, clever novel, she's guaranteed to win more fans' **Red Los Números** Penguin UK

Presents illustrations of objects demonstrating the numbers from one to ten, accompanied by the Spanish words for the object and each number. The Mathematics of Uncertainty Hachette UK
« Sono quasi le 7,30 della sera a Firenze. Nessuna brezza è arrivata a dare un briciolo di refrigerio. Ai calci di rigore si consuma il destino di quella che sarà l'ultima Jugoslavia alla fase finale di una competizione mondiale ». Una vicenda emblematica del rapporto perverso tra sport e politica.

Undici ragazzi Restless Books
A Little Piece Of Ground will help young readers understand more about one of the worst conflicts afflicting our world today. Written by Elizabeth Laird, one of Great

Britain's best-known young adult authors, *A Little Piece Of Ground* explores the human cost of the occupation of Palestinian lands through the eyes of a young boy. Twelve-year-old Karim Aboudi and his family are trapped in their Ramallah home by a strict curfew. In response to a Palestinian suicide bombing, the Israeli military subjects the West Bank town to a virtual siege. Meanwhile, Karim, trapped at home with his teenage brother and fearful parents, longs to play football with his friends. When the curfew ends, he and his friend discover an unused patch of ground that's the perfect site for a football pitch. Nearby, an old car hidden intact under bulldozed building makes a brilliant den. But in this city there's constant danger, even for schoolboys. And when Israeli soldiers find Karim outside during the next curfew, it seems impossible that he will survive. This powerful book fills a substantial gap in existing young adult literature on the Middle East. With 23,000 copies already sold in the United Kingdom and Canada, this book is sure to find a wide audience among young adult readers in the United States. **The Curse of Camp Cold Lake** (Goosebumps #56) **Sole Books** Middle-grade readers can travel into deep space as they discover the past, present and future of space exploration. Original. **The Gerry Hitchens Story** Raintree **Il mistero del portiere fantasma. Goleador.** Ediz. illustrata **Il mistero del portiere fantasma.**

Goleador **Goleador.** Il mistero del portiere fantasma **Il mistero del portiere fantasma** Nord Sud Edizioni **God is Round** Routledge **Who Is Geronimo Stilton? That's me!** I run a newspaper, but my true passion is writing tales of adventure. Here on Mouse Island, my books are all bestsellers! What's that? You've never read one? Well, my books are full of fun. They are whisker-licking good stories, and that's a promise! It all started when my sister, Thea, discovered a mysterious map. It showed a secret treasure on a faraway island. And before I could let out a squeak of protest, Thea dragged me into her treasure hunt! In no time at all, we'd set sail for the island. It was an adventure I'd never forget....

East-West Perceptions of A New World Order Millbrook Press
Camp is supposed to be fun, but Sarah hates Camp Cold Lake. The lake is gross and slimy. And she's having a little trouble with her bunkmates. They hate her. So Sarah comes up with a plan. She'll pretend to drown -- then everyone will feel sorry for her. But things don't go exactly the way Sarah planned. Because down by the cold, dark lake someone is watching her. Stalking her. Someone with pale blue eyes. And a see-through body...

Numbers in Spanish Scholastic Australia
Nella mia piccola città il calcio compie un secolo di vita. Con la prima guerra mondiale erano venuti a combattere i figli degli emigranti in Scozia e con tutta probabilità furono loro a portare nella nostra zona il primo pallone da football, uno sport che in Italia era sul nascere ma in Gran Bretagna era già praticato. Qui da noi fu Johnny Moscardini a insegnare il calcio ai ragazzi e a formare una squadra: la prima partita vera venne disputata sul piazzale sterrato del Fosso, e Johnny ne fu il grande mattatore. Di lì a poco sarebbe stato ingaggiato dalla Lucchese e in seguito convocato in Nazionale per il debutto a Ginevra contro la Svizzera, subito bagnato con un gol. Era il 1921. Nel 1924 nacque la società sportiva e nel 1928 fu inaugurato il campo da calcio in via della Crocetta. Questo libro racconta la storia, che si ripete e si rinnova ad ogni stagione, di una squadra di calcio, proprio come la prima fatta da Johnny Moscardini.

Passion in the Piazza Running Press Kids
This short Christmas story will no doubt warm your heart - about a nine year young boy called Jonny who is taken to Santa Claus' grotto; but now he will soon be ten, he is at an age when he questions the existence of Santa Claus; so he has a few questions up his sleeve. But what ensues is he and Santa Claus are almost blown away - literally - when they both meet the BIGGER MAN.

An Act of Silence Teacher Created Materials

Partito da una raccolta di ricordi per Amici e da questi sorpreso da tanta memoria e affetto, spronato ad approfondire i racconti, eccomi qui ad avventurarmi nel completamento di un intero libro. Alla mia prima esperienza, mi sfiora una personalissima preoccupazione: « Forse occorre maggiore cultura di quella che mi ritrovo, o una professione a tema? ». Provo a rispondermi da solo: probabilmente sì, non sono un addetto ai lavori, ma a parte il fatto che non intendo scrivere il continuo della Divina Commedia, senza che suoni come una giustificazione, aggiungo che durante le numerose rimpatriate con cene tra Amici, si è sottolineato come mi sia sempre ritrovato al centro delle varie compagnie frequentate; sono infatti cresciuto in un appartamento nel bel mezzo del Loggiato del Duomo di Reggio Emilia, sede di un movimentatissimo oratorio e da ragazzo, poi da adulto, ho gestito due locali pubblici, quotidiani luoghi di ritrovo, degli Amici di Mantova, e di quelli di Castiglione delle Stiviere. Dalle risate scaturite a tavola per le battute di tutti, qualcuno ha fatto notare che essendo io sempre presente, dovevo averne viste e sentite più degli altri. E così, quasi che fossero d'accordo, mi hanno praticamente pregato, pagato e obbligato a scrivere le nostre vicende...o forse sto scherzando; ho accettato naturalmente, e con l'immagine di John Wayne al comando di una polverosa e nebbiosa carica di cavalleria padana, mi sono gettato...sul computer, senza disdegnare il vecchio block notes; non è niente-male scrivere dal mio terrazzo di fronte ai Balcani; in questo relax serbo affluiscono idee e ricordi, così come scuotimenti di pancia e di testa.

Una storia di calcio e di guerra Arrow
A brilliant, kaleidoscopic exploration of soccer—and the passion, hopes, rivalries, superstitions, and global

solidarity it inspires—from award-winning author and Mexico's leading sports journalist, Juan Villoro. On a planet where FIFA has more members than the United Nations and the World Cup is watched by more than three billion people, football is more than just a game. As revered author Juan Villoro argues in this passionate and compulsively readable tribute to the world's favorite sport, football may be the most effective catalyst for panglobal unity at the time when we need it most. (Following global consensus, Villoro uses "football" rather than "soccer" in the book.) What was the greatest goal of all time? Why do the Hungarians have a more philosophical sense of defeat than the Mexicans? Do the dead play football? In essays ranging from incisive and irreverent portraits of Maradona, Messi, Ronaldo, Pelé, Zidane, and many more giants of the game to entertaining explorations of left-footedness and the number 10, Juan Villoro dissects the pleasure and pain of football fandom. *God Is Round* is a book for both fanatics and neophytes who long to feel the delirium of the faithful. Praise for *God Is Round* "If you want to talk about soccer, go talk to Juan Villoro." —Carlos Fuentes "In trying times like these, when the anguish and uncertainty can be almost too much to bear, Mexico turns to him, its philosopher-fanatic, to make sense of the seemingly nonsensical. With the nation's hopes for the World Cup spiraling into doubt and chaos, Juan Villoro, one of Mexico's most decorated and esteemed writers — who also happens to be a leading soccer analyst—comes charging down the metaphorical field to scold, explain and extract the lessons within." —The New York Times "The literature of Juan Villoro...is opening up the path of the new Spanish novel of the millennium." —Roberto Bolaño "[Villoro] has assumed the Octavio Paz mantle of Mexican public wise man of letters (though with none of Paz's solemnity, for Villoro is as boyishly effusive, brimming with laughter and cleverness, as Paz was paternalistically dour—and, of course, Villoro, the author of the book *God Is Round*, may be the most fútbol-obsessed man alive)" —Francisco Goldman, The New Yorker Juan Villoro is Mexico's most prolific, prize-winning author, playwright, journalist, and screenwriter. His books have been translated into multiple languages; he has received the Herralde Award in Spain for his novel *El testigo*, the

Antonin Artaud award in France for Los culpables. His novel, Arrecife, was recently short-listed for the Rezzori Prize in Italy. Villoro lives in Mexico City and is a visiting lecturer at Yale and Princeton universities. Thomas Bunstead's translations from the Spanish include work by Eduardo Halfon and Yuri Herrera, Aixa de la Cruz's story " True Milk " in Best of European Fiction, and the forthcoming A Brief History of Portable Literature by Enrique Vila-Matas (a co-translation with Anne McLean). A guest editor of a Words Without Borders feature on Mexico (March 2015), Thomas has also published his own writing in the Times Literary Supplement, The Independent, the Paris Review blog, 3ammagazine, Days of Roses, readysteadybook, and >kill author.

Max the Golden Boot Lulu.com

'A highly original, piercingly beautiful work, full of beautiful shocks... I felt like a door had been kicked open in my brain' Johanna Thomas-Corr, Observer A woman searches Buenos Aires for the paintings that are her inspiration and her refuge. Her life -- she is a young mother with a complicated family -- is sometimes

overwhelming. But among the canvases, often little-known works in quiet rooms, she finds clarity and a sense of who she is . . . 'I was reminded of John Berger's Ways of Seeing, enfolded in tender and exuberant personal narratives'

Claire-Louise Bennett 'This woman-guide, who goes from Lampedusa to The Doors with crushing elegance, is unforgettable' Mariana Enriquez 'A dazzling combination of memoir, fiction and art book, like nothing you've ever read before' Elle

Beware, The Snowman (Goosebumps #51) Nord Sud Edizioni

Cathy attempts to leave town, but her friends convince her to stay and unite with them to confront Ancestor Lu and his professional killers; while Cathy is torn between Victor, who is now gravely injured, and a mortal, Denny.

Generazione Bim Bum Bam Sellerio Editore srl

Uncertainty is everywhere. It lurks in every consideration of the future - the weather, the economy, the sex of an unborn child - even quantities we think that we know such as populations or the transit of the planets contain the possibility of error. It's no wonder that, throughout that history, we have

attempted to produce rigidly defined areas of uncertainty - we prefer the surprise party to the surprise asteroid. We began our quest to make certain an uncertain world by reading omens in livers, tea leaves, and the stars. However, over the centuries, driven by curiosity, competition, and a desire to be better gamblers, pioneering mathematicians and scientists began to reduce wild uncertainties to tame distributions of probability and statistical inferences. But, even as unknown unknowns became known unknowns, our pessimism made us believe that some problems were unsolvable and our intuition misled us. Worse, as we realized how omnipresent and varied uncertainty is, we encountered chaos, quantum mechanics, and the limitations of our predictive power. Bestselling author Professor Ian Stewart explores the history and mathematics of uncertainty. Touching on gambling, probability, statistics, financial and weather forecasts, censuses, medical studies, chaos, quantum physics, and climate, he makes one thing clear: a reasonable probability is the only certainty.
