More than 2,000 romances are published annually, making it difficult for fans and the librarians who advise them to keep pace with new titles, emerging authors, and constant evolution of this dynamic genre. Fortunately, romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it—including fans searching

A Boston Globe Best Book of 2014 Everyone in Painters Mill knows the abandoned Hochstetler farm is haunted. But only a handful of the residents remember the terrible secrets lost in the muted/hushed whispers of time—and now death is stalking them, seemingly from the grave. On a late-night shift, Chief of Police Kate Burkholder is called to the scene of an apparent suicide—an old man found hanging from the rafters in his dilapidated barn. But evidence quickly points to murder and Kate finds herself chasing a singularly difficult and elusive trail of evidence that somehow points back to the tragedy of that long ago incident. Meanwhile, Kate has moved in with state agent John Tomasetti and for the first time in so long, they're both happy; a bliss quickly shattered when one of the men responsible for the murders of Tomasetti's family four years ago is found not guilty, and walks away a free man. Will Tomasetti be pulled back to his own haunted past? When a second man is found dead—also seemingly by his own hand—Kate discovers a link in the case that sends the

investigation in a direction no one could imagine and revealing the horrifying truth of what really happened that terrible night thirty-five years ago, when an Amish father and his four children perished—and his young wife disappeared without a trace. And, as Kate knows—the past never truly dies . . . in *The Dead Will Tell* by Linda Castillo  
Library Journal Minotaur Books  
An extraordinarily beautiful Amish woman, a dangerous femme fatale, is the central figure in a story that reveals a dark side of Painters Mill and its seemingly perfect Amish world A rainy night, an Amish father returning home with his three children, a speeding car hurtling toward them out of nowhere. What at first seems like a tragic, but routine car accident suddenly takes on a more sinister cast as evidence emerges that nothing about the crash is accidental. But who would want to kill an Amish deacon and two of his children? He leaves behind a grieving widow and a young boy who clings to life in the intensive

care wing of a hospital, unable to communicate. He may be the only one who knows what happened that night. Desperate to find out who killed her best friend's husband and why, Kate begins to suspect she is not looking for a reckless drunk, but instead is on the trail of a cold blooded killer amid the residents of Painter's Mill. It is a search that takes her on a chilling journey into the darkest reaches of the human heart and makes her question everything she has ever believed about the Amish culture into which she was born.

And chief of Police Kate Burkholder knows that in order to solve this case she will have to call upon everything she has to give not only as a cop, but as a woman whose own Amish roots run deep.
