The Pact Macmillan

The discovery of an Amish bishop's remains leads chief of police Kate Burkholder to unearth a chilling secret in *The Hidden One*, a new thriller from bestselling author

Linda Castillo. Over a decade ago, beloved Amish bishop Ananias Stoltzfus disappeared without a trace. When skeletal remains showing evidence of foul play are unearthed, his disappearance becomes even more sinister. The town's elders arrive in Painters Mill to ask chief of police Kate Burkholder for help, but she quickly realizes she has a personal connection to the crime. The handsome Amish man who stands accused of the murder, Jonas Bowman, was Kate's first love. Forced to confront a painful episode from her past, Kate travels to Pennsylvania's Kishacoquillas Valley, where the Amish culture differs dramatically from the traditions she knows. Though Bishop Stoltzfus was highly respected, she soon hears about a dark side to this complex man. What was he hiding that resulted in his own brutal death? Someone doesn't want Kate asking questions. But even after being accosted and threatened in the dead of night, she refuses to back down. Is she too close to the case—and to Jonas—to see clearly? There's a killer in the Valley who will stop at nothing to keep the past buried. Will they get to Kate before she can expose the truth? Or will the bishop's secrets remain hidden forever?

When Chief of Police, Kate Burkholder, is called to a farm in the Amish community of Painter's Creek, nothing could prepare her for the horror and tragedy she encounters. Solly and Rachel Slabaugh, and his brother Abel, have drowned in the hog pit leaving the four children as orphans. As the investigation

progresses, it seems that the Slabaugh deaths were not an accident, and the case suddenly becomes a murder enquiry. Agent John Tomasetti and Kate have worked together before, and now he is called back to Painter's Creek to help seek out the perpetrators of what appear to be serious hate crimes against the Amish. Whether these crimes and the Slabaugh murders are linked is hard to establish because the Amish are very proud and private people who do not enjoy involvement from outside. As the case deepens, Kate develops a bond with the children, particularly the 15-year-old daughter, Solome. Maybe she is reminded of herself at that age, and maybe there's something about this case which stirs up memories for her. The events surrounding the deaths puzzle her – something doesn't feel right. As more information comes to light, a tragic incident turns into something much more shocking. [The Stranger You Know](#) Minotaur Books From Linda Castillo, the New York Times bestselling author of *SWORN TO SILENCE* and *GONE MISSING*, comes *LONG LOST*: a powerful and moving story about a troubled young woman and a decades old mystery set in the world of the Amish.
