For a decade, award-winning New York Times journalist Amy Chozick chronicled Hillary Clinton's pursuit of the presidency. Chozick's front-row seat, initially covering Clinton's imploding 2008 campaign, and then her assignment to "The Hillary Beat" ahead of the 2016 election, took her to 48 states and set off a nearly ten-years-long journey in which the formative years of her twenties and thirties became – both personally and professionally – intrinsically intertwined to Clinton's presidential ambitions. Chozick's candor and clear-eyed perspective—from her seat on the Hillary bus and reporting from inside the campaign's Brooklyn headquarters, to her run-ins with Donald J. Trump and her globetrotting with Bill Clinton—provide fresh intrigue and insights into the story we thought we all knew. This is the real story of what happened, with the kind of dishy, inside details that repeatedly surprise and enlighten. But *Chasing Hillary* is also a rollicking, irreverent, refreshingly honest personal story of how the would-be first woman president looms over Chozick's life. And, as she gets married, attempts to infiltrate the upper echelons of political journalism and inquires about freezing her eggs so she can have children after the 2016 campaign, Chozick dives deeper into decisions Clinton made at similar points in her life. In the process, Chozick came to see Clinton not as an unknowable enigma and political animal but as a complex person, full of contradictions and forged in the political battles and media storms that had long predated Chozick's years of coverage. Trailing Clinton through all of the highs and lows of the most noxious and wildly dramatic presidential election in American history, Chozick comes to understand what drove Clinton, how she accomplished what no woman had before, and why she ultimately failed. Poignant, illuminating, laugh-out-loud funny, *Chasing Hillary* is a campaign book like never before that reads like a fast-moving political novel.

In 1919, Florence Deshon—tall, radical, and charismatic—was well on her way to becoming one of Hollywood's brightest stars. Embroiled in a clandestine affair with Charlie Chaplin, she continued to remain romantically involved with the well-known writer and socialist Max Eastman. By 1922, she was found dead in a New York apartment, rumored to have committed suicide. Love and Loss in Hollywood: Florence Deshon, Max Eastman, and Charlie Chaplin uses previously unpublished letters between Deshon and Eastman to reconstruct their relationship against the backdrop of the "golden age" of Hollywood. Deshon's tragic life and her abuse at the hands of powerful men—including Chaplin, Eastman, and Samuel Goldwyn—resonate with the concerns of today's MeToo movement. Above all, though, this is a book about an extraordinary woman unjustly forgotten: a brilliant writer and campaigner for women's rights, driven both by her ambition to succeed and a boundless desire for life. Rich in tantalizing detail, Love and Loss in Hollywood chronicles crucial years of American film history, overshadowed by the pervasive fear of Bolshevism after World War I, the Red Riots, and the emergence of the big studios in Hollywood. This beautiful edition features dozens of unpublished photographs, among them six mesmerizing full-length portraits of Deshon by Adolph de Meyer, Vogue's first fashion photographer.
