*The Off Limits Rule* Harper  
Collins

I have found rock bottom.  
It's here, moving in with my  
older brother because I'm too  
broke to afford to live on my  
own. It's okay though,

because we've always been  
close and I think I'm going to  
have fun living with him  
again. That is until I meet  
Cooper... Turns out, my brother  
has very strong opinions on  
the idea of me dating his best  
friend and is dead set against  
it. According to him, Cooper  
is everything I should stay  
away from: flirtatious,  
adventurous, non-committal,  
and freaking hot. (I added  
that last part because I feel  
like you need the whole

---

picture.) My brother is right- I should stay away from Cooper James and his pretty blue eyes. He's the opposite of what I need right now. Nah-who am I kidding? I'm going for it. The Off Limits Rule is a closed door romance, perfect for readers who love lots of sizzle but no explicit content.

N ö thin' But a Good Time Arcade Publishing : A psychiatrist friend once told me that he could gain a good understanding of how people become the individuals they are merely by having them write down their ten earliest memories. And, if he could then get those same people to write down their top ten most important decisions they have made in their lives, he felt he could gain a keen

insight into what decisions they might need to make in the future to change the course of their lives for the better. I set out to examine those very memories and decisions for myself in Bent Pages. From the time I was a child, one of my habits that drove others in my family crazy was to bend the corner of a page down on a book I was reading if it contained information I wanted to remember and look back on. It was easy to tell which books I had read and had been inspired by...there would be many bent corners. This book is a snapshot of the bent corners of pages in my life that have inspired and taught me. They are moments I never want to forget, even if painful. They have made me who I am. And I would not change that for the world! But looking back can be a risk. It can be painful. It can dredge up things that you never wanted to think about again. But change is a decision, and I desperately wanted to change and make decisions wisely, even if it meant examining parts of my history that were painful or blurry. To my delight many memories

---

also brought laughter and a new sense of appreciation for the difficulties we all face when growing up. We start out as children with it being "all about me," and we view our microcosms only through those myopic, child-like eyes. Yet, as we grow and mature, we are often able to view those experiences and the people involved in a whole new light...sometimes even as unexpected blessings. God wired me specifically with certain talents, abilities, and personality traits when he knit me together in my mother's womb. I have purpose. I can make an impact. I long to fulfill my role in his plan for history. I have discovered that I can make a difference, one person at a time, beginning with me. I have learned that God is indeed in control, even when life seems chaotic. I have learned that when I try to take back control of my life from God, I forfeit faith. I have learned that even one person, one decision, one act of obedience can catapult a life of insecurity and despair to ultimate joy, peace, and fulfillment in Christ. Lastly, I have learned that I get

to choose how I want to view those events that affected my life. I can choose to be a victim. I can choose to be angry. Or I can choose to be a victor...a person who chooses joy in seeing the gracious hand of God creating a beautiful symphony to share with others. I want to sing Him a love song...my life the melody. At times, this book is emotionally raw and heart-breaking, and at times it will make you laugh out loud...welcome to the adventure!

### **Good Girls Don't** Simon and Schuster

Abby Abernathy is re-inventing herself as the good girl as she begins her freshman year at college, which is why she must resist lean, cut, and tattooed Travis Maddox, a classic bad boy.

Sing Your Heart Out Sourcebooks, Inc.

Following Nice Girls Don ' t Have Fangs, the second in a hilarious, smart, sexy romantic series about an out-of-work librarian who is turned into a vampire.

---

With her best friend Zeb ' s Titanic-themed wedding looming ahead, new vampire Jane Jameson struggles to develop her budding relationship with her enigmatic sire, Gabriel. It seems unfair that she ' s expected to master undead dating while dealing with a groom heading for a nuptial nervous breakdown, his hostile werewolf in-laws, and the ugliest bridesmaid dress in the history of marriage. Meanwhile, the passing of Jane ' s future step-grandpa puts Grandma Ruthie back on the market. Her new fiancé , Wilbur, has his own history of suspiciously dead spouses, and he may or may not have died ten years ago. Half-Moon Hollow ' s own Black Widow has finally met her match. Should Jane warn her grandmother of Wilbur ' s marital habits or let things run their course? Will Jane always be an undead bridesmaid, never the undead bride? Combining Mary Janice Davidson ' s sass and the charm of Charlaine Harris ' s Sookie Stackhouse novels, this is an incredibly satisfying read for fans of paranormal romantic comedy.

Bunny Grand Central Publishing

Little in life has such universal appeal as music. Music is the language teens speak they share favourite songs and downloads, look for new artists online, and vote for the next idol on television. It s even possible to upload your mp3 on Myspace and be heard around the world! Just for teen girls, *Girls Rock!* encourages girls to not only love music as a fan, but to enjoy, create and play music as an artist. This how-to handbook for girls 12-15 encourages them to stop sitting on the sidelines and form a band of their own. The author s love for music and for empowering girls comes through loud and clear as she explains everything from finding fellow band members to choosing an instrument, picking a name for the band, holding rehearsals, writing songs, learning to play, handling group dynamics, spreading the word, and much, much more.

---

There's even a section on body image and insecurity when performing in front of people. Worksheets, sidebars, and lists help girls plan and organise their band. Robyn even shares advice and quotes from other female musicians.

Never Fall in Love with a Rockstar W. W. Norton & Company

The bad girl who stole his heart ... Valerie Willis has done it all: tattoos, one-night stands, even strip poker. And now she can add getting a messy public divorce to that list. Back in her hometown of Rock Canyon, Val just wants to bury her head and wait for the scandal to pass. But when she suddenly finds herself at a singles' weekend face-to-face with former flame Justin Silverton, hiding from her heart—and the sexy Marine—won't be that simple. Is just too good to let go ... It's been ten years since Justin kissed Val,

but he still remembers the way they just seemed to ... fit. Since then he's served his country and helped his father keep their ranch intact, but he's never forgotten Val or her wild ways. So when a twist of fate brings him the chance to chase her across state lines and spend a weekend winning her heart, Justin's all in. Because when he sees something he wants, he fights for it. And he's ready to fight for the right to call this bad girl his one and only.

The Good Girls Rycon Press

Gemma Carlson didn't plan on waking up married. She also didn't count on running into her old flame—and her son's father-turned-country rock star—Travis Bowers, followed by a night of drunken dares. Apparently one of those involved a ring on her finger and a vow ... neither of which she intends to keep. Now with a hangover from hell, this good-girl-gone-

---

bad knows there's just one thing to do: run. Travis has been all over the world, but Gemma has never been far from his thoughts. So when they had the chance to catch up over a few drinks, he didn't hesitate. Of course, he didn't expect it would lead to marriage, or a runaway bride! Travis finally has a second chance and doesn't plan on losing Gemma again—the son he didn't know he had. He proposes, albeit belatedly, a date. Or rather, a few. If they can make this marriage work by starting over, he stays. If not ... Gemma's not interested; she's got a son to protect and a heart to heal. But having Travis around could make both a little easier. Still, good girls don't date rock stars . . . right?

Good Girls Don't Date Rock Stars  
Routledge  
They said it couldn't be done, but geeky sophomore Lauren Carlson transformed herself into a popular girl after moving to a new school half-way across the country. Amazing what losing your braces and going out for cheerleading will do. Only trouble is, the popular crowd is wearing on Lauren's nerves and she can't wait to return to summer camp where she's valued for her brain instead of her handsprings. She misses her old friends and most of all, her long time camp-only boyfriend, Seth. This year she intends to upgrade their relationship to year-round status once she's broken up with her new, jock boyfriend, Matt. He doesn't begin to know the real her, a girl fascinated by the night sky who dreams of discovering new planets and galaxies. But Matt isn't giving up without a fight. As he makes his case to stay together, Lauren begins to realize his feelings run deeper than she ever

---

would have guessed. What if the guy she thought she was meant to be with forever isn't really The One? Returning to Camp Juniper Point was supposed to ground her uprooted life, but she's more adrift than ever. Everything feels different and soon Lauren's friends are turning on her and both guys question what she really wants. As summer tensions escalate, Lauren wonders if she's changed more than she thought. Will her first big discovery be herself? -- P.[4] of cover.

Nice Girls Don't Speak Up or Stand Out Harper Collins

Good girls don't steal. Good girls don't visit sex shops. Good girls don't have one-night stands. For Katie Conners, being a good girl just isn't worth it anymore. It used to mean getting the life she always wanted. But that was

before she got dumped and her ex got engaged to his rebound. So, after a bad day and one too many mojitos, Katie starts making a list of things a girl like her would never do, not in a million years . . . As a tattoo artist with a monster motorcycle, Chase Trepasso isn't the kind of guy you bring home to mom and dad. And when he finds Katie's list in a bar, he's more than happy to help her check off a few items. Especially the ones on the naughtier side . . . Katie's more than tempted by Chase's offer, as long as they keep things uncomplicated. But as they spend more time together, she may just wind up breaking the most important rule of all: Good girls don't fall in love with bad boys.

---

Where Good Girls Go to Die Simon and Schuster

An inspiring famous women book for girls, *Girls Who Looked Under Rocks* also makes the perfect feminist gift for girls. *Girls Who Looked Under Rocks: The Lives of Six Pioneering Naturalists* is for a world no longer confined by gender stereotypes, and a place where science is for girls, too! Parents and children will love this portrayal of six women who grew up playing in the dirt and went on to become award winning scientists and writers. All of these women were discouraged from pursuing careers in science, but they all persisted in their passion. If there is a pre-teen or adolescent in your life, especially a

girl, take a look at this empowering, inspiring chapter book. It portrays the youths and careers of six remarkable women whose curiosity about nature fueled a passion to steadfastly overcome obstacles to careers in traditionally men-only occupations. The six—Maria Merian (b.1647), Anna Comstock (b.1854), Frances Hamerstrom (b.1907), Rachel Carson (b.1907), Miriam Rothschild (b.1908), and Jane Goodall (b.1934)—all became renowned scientists, artists and writers. A wonderful resource for young researchers and biographers, these stories can be a starting point for issues of gender, science, and the environment.

Kohler Rowman & Littlefield

---

Read Julie Klausner's posts on the Penguin Blog In the tradition of Cynthia Heimel and Chelsea Handler, and with the boisterous iconoclasm of Amy Sedaris, Julie Klausner's candid and funny debut *I Don't Care About Your Band* sheds light on the humiliations we endure to find love--and the lessons that can be culled from the wreckage. *I Don't Care About Your Band* posits that lately the worst guys to date are the ones who seem sensitive. It's the jerks in nice guy clothing, not the players in Ed Hardy, who break the hearts of modern girls who grew up in the shadow of feminism, thinking they could have everything, but end up compromising constantly. The cowards, the kidults, the critics, and the contenders: these are the stars of Klausner's memoir about how hard it is to find a man--good or otherwise--when you're a cynical grown-up exiled in the dregs of Guyville. Off the popularity of her New York Times "Modern Love" piece about getting the brush-off from an indie rock musician, *I Don't Care About Your Band* is marbled with the wry strains of Julie Klausner's precocious curmudgeonry and brimming with truths that anyone who's ever been on a date will relate to. Klausner is an expert at landing herself waist-deep in crazy, time and time again, in part because her experience as a comedy writer (*Best Week Ever*, *TV Funhouse* on *SNL*) and sketch comedian from NYC's *Upright*

---

Citizens Brigade fuels her philosophy of world wisdom on matters of the heart. I how any scene should unfold, which is, "What? That sounds crazy? Okay, I'll do it." I Don't Care About Your Band charts a distinctly human journey of a strong-willed but vulnerable protagonist who loves men like it's her job, but who's done with guys who know more about love songs than love. Klausner's is a new outlook on dating in a time of pop culture obsession, and she spent her 20's doing personal field research to back up her philosophies. This is the girl's version of High Fidelity. By turns explicit, funny and moving, Klausner's debut shows the evolution of a young woman who endured myriad encounters with the wrong guys, to emerge with real-

Don't Care About Your Band is Julie Klausner's manifesto, and every one of us can relate. Good Girls Die First Covenant Books, Inc. While dealing with wedding preparations and the cantankerous ghost of her grandma who has declared war on the fanged residents of River Oaks, Jane is ordered by the Council to babysit a newborn vamp until he can control his thirst, which causes her fiance to become insanely jealous. Funny Arts and Cra Chicago Review  
Press

With a foreword by Jennifer Baumgardner and Amy Richards *Girls Rock!* explores the many ways women have defined themselves as rock musicians in an industry once dominated and controlled by men. Integrating history, feminist analysis, and developmental theory, the authors describe how and why women have become rock musicians—what inspires them to play and perform, how they write, what their music means to them, and what they hope their music means to listeners. As these musicians tell their stories, topics

emerge that illuminate broader trends in rock's history. From Wanda Jackson's revolutionary act of picking up a guitar to the current success of independent artists such as Ani DiFranco, *Girls Rock!* examines the shared threads of these performers' lives and the evolution of women's roles in rock music since its beginnings in the 1950s. This provocative investigation of women in rock is based on numerous interviews with a broad spectrum of women performers—those who have achieved fame and those just starting bands, those playing at local coffeehouses and those selling out

---

huge arenas. Girls Rock! celebrates what female musicians have to teach about their experiences as women, artists, and rock musicians. Good Night Stories for Rebel Girls: 100 Tales of Extraordinary Women Forever Sweetheart, California's Something Borrowed provides celebrity weddings with bridesmaids and groomsmen for hire . . . but once in a while what's purely business becomes the best kind of personal. RULE #3: DON'T MIX BUSINESS WITH MIXED DRINKS Kelly Barrow, the founder of Something Borrowed, didn't get the happily ever after she counted on, but she considers herself fortunate anyway. After all, she has a thriving business and a loving family and friends. Yet ten years after her heartbreak, surrounded by couples in love, she knows it's time to move on—and the gorgeous actor who hires her for his sister's wedding seems like the perfect opportunity. There's just one problem. Her best friend and legal counsel, Christian Ryan, keeps getting in her way . . . Chris has been a shoulder to lean on since they were kids, and Kelly never expected him to interfere in her dating life. She doesn't realize that over the years, Chris's feelings have grown beyond friendship. The

---

timing just never seemed right—until now. And as the two of them work through the wedding 's inevitable surprises and disasters, Kelly begins to wonder if she ' s been looking for love in the exact wrong place . . .

Nice Girls Don't Bite Their Neighbors  
Penguin

Simple truths from JP11's Theology of the Body and Mulieris Dignitatem are used to develop virtues amidst every young girl's concern for fashion, beauty, and friends. This series of books helps each girl discover the unique privilege and call upon her life in God's kingdom. She will learn that she is a princess and how saying "yes" to God's plan for her life can change

the face of the world forever! The books provide guidance along with fun quizzes, tips, and stories and are meant to enforce the role of parents as the primary educator of their children.

Black Girls Rock! Balance

My name is Clover Calloway and I've lived two separate lives. The first, I like to call "my past." I never talk about it. I try not to think about it. My rockstar days of playing in one of the hottest bands on the planet are over. Along with the most volatile, beautiful, tragic love story of all time. Over the past five years, I've settled into my second life. My "normal life." The one where I work a normal job, hang out

---

with normal people and fall in love with a normal, but wonderful guy. The life where I'm admittedly a little bored, but also safe. My past wasn't boring. But my past broke my heart into a million, unfixable pieces. So, I'm determined to keep it where it belongs-behind me. And the man responsible for the shattering of me? Malachi Porter, lead singer and mastermind of Bright Tragedy, should stay there too. Far away from me and this idyllic life I've carved out for myself. But what happens when my two lives collide? When Malachi comes crashing into my perfectly normal world, he threatens to destroy it, promises to annihilate everything I've replaced him with. He upends everything I thought I wanted and forces me to question the reasons I left Bright Tragedy all those years ago. But I didn't walk away five years ago, I ran. As fast as I could go. And while my heart is whispering that it's different this time-that he's different-my brain is screaming for me to run again. Malachi Porter isn't a normal guy. And he doesn't belong in my "normal life." But, nevertheless, he's bound and determined to make a place for himself here. I just hope my heart can survive him, that we don't burn into another bright tragedy.

---

'Rock On': Women, Ageing and Popular Music  
Simon and Schuster  
Never forget / to connect the dots /  
This book is an attempt to connect a couple. In 'Begin by Telling', experimental pop sensation and Polaris nominee Meg Remy spins a web out from her body to myriad corners of American hyper-culture. Through illustrated lyric essays depicting memories from early childhood to present day, Remy paints a stark portrait of a spectacle-driven country. These memories are visceral. As though channel surfing, we catch glimpses of Desert Storm, the Oklahoma City Bombing, random street violence, the petrochemical industry, small town Deadheads, a toilet with

uterus lining in it, the county STD clinic, and missionaries at the front door. Each is shared through language of the body; the sensation of experiencing many of the defining events and moments of a country. These threads nimbly interweave with probing quotes and statistics, demonstrating the importance of personal storytelling, radical empathy and the necessity of both systemic and self-study. Immersive and utterly compelling, 'Begin by Telling' is an artifact of our time; a fascinating perspective on American culture. - Meg Remy  
True Dreams Spencer Hill  
Contemporary  
A contemporary classic, Good Night

Stories for Rebel Girls reinvents fairy tales, inspiring girls with the stories of 100 heroic women. Readers will rule ancient Egypt with Cleopatra, make groundbreaking discoveries with Marie Curie, fly through the sky with Amelia Earhart, and defy gravity with Simone Biles. Illustrated by 60 female artists from every corner of the globe, this is the most funded original book in the history of crowdfunding. Plus, scannable codes inside unlock audio stories from the Rebel Girls app!

Be Mine, Sweetheart Sourcebooks, Inc. Can she see beyond his past to heal his damaged soul? After a drug overdose claimed his sister, True "TJ" Bannister abandons his celebrity lifestyle of sex, drugs, and rock and roll to seek redemption and peace. Now, running a

quiet bookstore in picturesque Cape Cod, he dreams of a fairytale ending but fears his troubled past makes him unworthy of love. Sara Storm, determined to step out from her brothers' shadows, arrives in Cape Cod to pursue her singing career. Needing extra income, she takes a job at TJ's shop, where her infectious optimism starts to melt his guarded heart. He begins to believe in the possibility of a brighter future, with her. As Sara's talent starts to draw attention, she faces the allure of the music industry—the same shattered world he left behind. How can he choose between his newfound serenity and a life that nearly destroyed him?

I Don't Care About Your Band Robert Glover

Before you were told to "Lean In," Dr. Lois Frankel told you how to get that

---

corner office. The New York Times bestseller, is now completely revised and updated. In this edition, internationally recognized executive coach Lois P. Frankel reveals a distinctive set of behaviors--over 130 in all--that women learn in girlhood that ultimately sabotage them as adults. She teaches you how to eliminate these unconscious mistakes that could be holding you back and offers invaluable coaching tips that can easily be incorporated into your social and business skills. Stop making "nice girl" errors that can become career pitfalls, such as: Mistake #13: Avoiding office politics. If you don't play the game, you can't possibly win. Mistake #21: Multi-tasking. Just because you can do

something, doesn't mean you should do it. Mistake #54: Failure to negotiate. Don't equate negotiation with confrontation. Mistake #70: Inappropriate use of social media. Once it's out there, it's hard to put the toothpaste back in the tube. Mistake #82: Asking permission. Children, not adults, ask for approval. Be direct, be confident.
