This is the first UK Bible for children to put child-friendly retellings of stories alongside the full text of the Bible.

Included with the book are MP3 recordings of each Big Bible story read by TV actor Russell Boulter. With adorable illustrations from the bestselling Big Bible Storybook, this is a Bible that will be enjoyed by children as they grow. With over 400 million Bibles in print, the New International Version is the world's most popular modern English Bible. It is renowned for its combination of reliability and readability. Fully revised and updated for the first time in 25 years, the

NIV is ideal for personal reading, public teaching and group study. This Bible also features: clear, readable 9pt text easy-to-read layout maps shortcuts to key stories, events and people of the Bible reading plan timeline book by book overview quick links to find inspiration and help from the Bible in different life situations. British Text This edition uses British spelling, punctuation and grammar to allow the Bible to be read more naturally. More about the translation: This revised and updated edition of the NIV includes three main types of change, taking into account changes in the way we use language day to day; advances in biblical scholarship and understanding; and the need to ensure that gender accurate language is used, to faithfully reflect whether men and women are referred to in each instance. The translators have carefully assessed a huge body of scholarship, as well as inviting peer submissions, in order to review every word of

the existing NIV to ensure it remains as clear and relevant today as when it was first published. Royalties from all sales of the NIV Bible help Biblica, formerly the International Bible Society, in their work of translating and distributing Bibles around the world.

"A screaming comes across the sky. . ."

A few months after the Germans' secret V-2 rocket bombs begin falling on London, British Intelligence

discovers that a map of the city pinpointing the sexual conquests of one Lieutenant Tyrone Slothrop, U.S. Army, corresponds identically to a map

showing the V-2 impact sites. The implications of this discovery will launch Slothrop on an amazing journey across war-torn Europe, fleeing an international cabal of military-industrial superpowers, in search of the mysterious Rocket 00000, through a wildly comic extravaganza that has been hailed in *The New Republic* as "the most profound and accomplished American novel since the end of World War II."

Ancient tradition suggests that this world-weary lament is the work of Solomon in old age. Casting its eye over the transient nature of life, the book questions the striving for wisdom and the truth, choosing instead to espouse the value of living for the moment. The text is introduced by Doris Lessing.

This book, “ Revelation Rainbow ” is the end of a forty-year quest by the author to find answers to the questions generated by Biblically uninformed scholarship that shrouds rather than unveils the great truths of this Holy Spirit directed work of our Lord. Hundreds of students of Revelation have been left in a bewildered state because certain scholars approach the book with a human mindset, instead of a Spirit led mindset. Instead of looking at Revelation as The Divine apocalypse, they try to humanize and literalize the book as a study of human secular history leaving the student with a complicated scheme of things that do not make sense. Having met these students, Mr. Doughty was greatly distressed to see them turn from God ’ s Word (especially Revelation) altogether. Subjects like the Antichrist, Millennium, Mark of the Beast, Rapture, Tribulation and “ Left Behind ” are just some of the end-time twists causing confusion.
